History of Everyday Life in Scotland, 1600 to 1800

2010-02-28

this book explores the ordinary daily routines behaviours experiences and beliefs of the scottish people during a period of immense political social and economic change it underlines the importance of the church in post reformation scottish society but also highlights aspects of everyday life that remained the same or similar notwithstanding the efforts of the kirk employers and the state to alter behaviours and attitudes drawing upon and interrogating a range of primary sources the authors create a richly coloured highly nuanced picture of the lives of ordinary scots from birth through marriage to death analytical in approach the coverage of topics is wide ranging from the ways people made a living through their non work activities including reading playing and relationships to the ways they experienced illness and approached death this volume provides a rich and finely nuanced social history of the period 1600 1800 gets behind the politics of union and jacobitism and the experience of agricultural and industrial

revolution presents the scholarly expertise of its contributing authors in a accessible way includes a guide to further reading indicating sources for further study

The Economic History of India, 1600-1800

1967

first published in 1962 reason and imagination presents collection of fourteen essays dedicated to marjorie hope nicholson and is divided equally between works of her colleagues and of her former students it contains themes like noble numbers and poetry of devotion cromwell as davidic king the isolation of the renaissances hero milton s dialogue on astronomy music mirth and galenic traditions in england the augustan conception of history locke and sterne and literary criticism and artistic interpretation to weave a narrative of the history of ideas in the seventeenth and eighteenth century this book will be an essential read for scholars and researchers of literary history philosophy comparative literature and english literature in general

background essays on the rise and fall of the netherlands expansionist society both at home and in its global domain overseas

Firearms in American History: 1600-1800

1910

culture does not become culture until it is consumed this is the radical new interpretation of early modern social history presented in the consumption of culture 1600 1800 leading specialists from north america and europe explore topics such as the formation of a

culture consuming public the development of a literary canon the role of consumption in the formation of the modern state elite and popular forms of cultural consumption and the place of women as consumers of culture the result is an important and rich new approach to the study of the seventeenth and eighteenth centuries

Reason and the Imagination

2013

essay from the year 2017 in the subject english language and literature studies culture and applied geography grade 2 0 oxford university language english abstract the following paper will discuss in deep which industrial and socioeconomic factors overthrew traditional english views and lifestyles in a time frame of 200 years firstly an overview about the circumstances and the structural changes in social and economic perspective in england between 1600 and 1800 provides a starting point to the topic secondly a deeper analysis and discussion on the development of the english family gives insight into the social change thirdly a weighting of the used and studied material shows the difficulty in objectivity of primary and secondary sources finally the main points are

summarised with a conclusion about the effects of the changes on the english family

1965

excerpt from firearms in american history 1600 to 1800 the colonists in america were the greatest weapon using people of that epoch in the world everywhere the gun was more abundant than the tool it furnished daily food it maintained its owners claims to the possession of his homestead among the aboriginal owners of the soil it helped to win the mother country s wars for possession of the country as a whole these facts alone raise the interesting questions of what the colonists used for weapons and where they got them further the ultimate outcome of all strife between the colonists and other people was victory for the colonists while the colonists may have been excellent fighters operating in the main upon home ground and while their wars with other white people were side issues of european wars and to a considerable extent dependent upon the outcome there it is nevertheless a fact that a war is composed of two factors only one of which is the

combatants themselves about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

winner of the christian gauss award for excellence in literary scholarship from the phi beta kappa society having excavated the world's earliest novels in his previous book literary historian steven moore explores in this sequel the remarkable flowering of the novel between the years 1600 and 1800 from don quixote to america's first big novel an homage to cervantes entitled modern chivalry this is the period of such classic novels as tom jones candida and dangerous liaisons but beyond the dozen or so recognized classics there are hundreds of other interesting novels that appeared then known only to specialists spanish picaresques french heroic

romances massive chinese novels japanese graphic novels
eccentric english novels and the earliest american novels these
minor novels are not only interesting in their own right but also
provide the context needed to appreciate why the major novels
were major breakthroughs the novel experienced an explosive
growth spurt during these centuries as novelists experimented with
different forms and genres epistolary novels romances gothic
thrillers novels in verse parodies science fiction episodic road trips
and family sagas along with quirky unclassifiable experiments in
fiction that resemble contemporary avant garde works as in his
previous volume moore privileges the innovators and outriders
those who kept the novel novel in the most comprehensive history
of this period ever written moore examines over 400 novels from
around the world in a lively style that is as entertaining as it is
informative though written for a general audience the novel an
alternative history also provides the scholarly apparatus required by
the serious student of the period this sequel like its predecessor is
a zestfully encyclopedic avidly opinionated and dazzlingly fresh
history of the most elastic of literary forms booklist

trieste publishing has a massive catalogue of classic book titles our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time the many thousands of books in our collection have been sourced from libraries and private collections around the world the titles that trieste publishing has chosen to be part of the collection have been scanned to simulate the original our readers see the books the same way that their first readers did decades or a hundred or more years ago books from that period are often spoiled by imperfections that did not exist in the original imperfections could be in the form of blurred text photographs or missing pages it is highly unlikely that this would occur with one of our books our extensive quality control ensures that the readers of trieste publishing s books will be delighted with their purchase our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality this process ensures that the reader of one of

trieste publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work we pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers generally trieste books are purchased singly on demand however they may also be purchased in bulk readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

The Dutch in the Americas, 1600–1800

1997

a history of everyday things is a pioneering essay by one of the world's leading cultural historians that sheds light on the origins of the consumer society and thereby the birth of the modern world things that we regard as the everyday objects of consumption have not always been so how therefore have people in the modern world become prisoners of objects as rousseau put it daniel roche answers this fundamental question of historical anthropology and imaginatively explores the origins of the daily furnishings of modern

FIREARMS IN AMERICAN HISTORY

2018

paul avrich s latest book is an admirable blend of serious scholarship and appealing writing his purpose is to tell the story of popular uprisings in russia in the seventeenth and eighteenth centuries with particular emphasis on those led by bolotnikov razin bulavin and pugachev to do so he has made careful and intelligent use of a large body of published materials and from them has woven a lively and engrossing narrative more than that drawing on the previous work of hobsbawm and others he has offered perceptive explanations of the outbreak course and outcome of each revolt throughout the work the author compares the principal revolts and searches above all for a general characterization of the tradition of mass revolt in premodern russia robert o crummey yale university in journal of modern history

The Dutch in the America's 1600-1800

1997

before european incursions began in the seventeenth century the
western abenaki indians inhabited present day vermont and new
hampshire particularly the lake champlain and connecticut river
valleys this history of their coexistence and conflicts with whites on
the northern new england frontier documents their survival as a
people recently at issue in the courts and their wars and migrations
as far north as quebec during the first two centuries of white

contacts written clearly and authoritatively with sympathy for this long neglected tribe colin g calloway s account of the western abenaki diaspora adds to the growing interest in remnant indian groups of north america this history of an algonquian group on the periphery of the iroquois confederacy is also a major contribution to general indian historiography and to studies of indian white interactions cultural persistence and ethnic identity in north america colin g calloway assistant professor of history in the university of wyoming is the author of crown and calumet british indian relations 1783 181s and the editor of new directions in american indian history both published by the university of oklahoma press colin calloway shows how western abenaki history like all indian history has been hidden ignored or purposely obscured although his work focuses on euro american military interactions with these important eastern indians calloway provides valuable insights into why indians and indian identity have survived in vermont despite their lack of recognition for centuries laurence m hauptman state university of new york new paltz far from being an empty no man s land in the seventeenth and eighteenth centuries the western abenaki homeland is shown in this excellent synthesis to have been an active part of the stage on which the events of the colonial

period were acted out dean r snow state university of new york
albany at last the western abenakis have a proper history colin
calloway has made their difficultly accessible literature his own and
has written what will surely remain the standard reference for a
long time gordon m day canadian ethnology service although they
played a central role in the colonial history of new england and
southern quebec the western abenakis have been all but ignored
by historians and poorly known to anthropologists therefore
publication of a careful study of western abenaki history ranks as a
major event calloway s book is a gold mine of useful data william a
haviland senior author the original vermonters

Russian Rebels, 1600-1800

1972

ireland s history provides an introduction to irish history that blends
a scholarly approach to the subject based on recent research and
current historiographical perspectives with a clear and accessible
writing style all the major themes in irish history are covered from
prehistoric times right through to present day from the emergence
of celtic christianity after the fall of the roman empire to ireland and
the european union secularism and rapprochement with the united
kingdom by avoiding adopting a purely nationalistic perspective
kenneth campbell offers a balanced approach covering not only
social and economic history but also political cultural and religious
history and exploring the interconnections among these various
approaches this text will encourage students to think critically about
the past and to examine how a study of irish history might inform
and influence their understanding of history in general
