includes statistics

### **US Official Statements 1997-04-01**

this nonpolemical discussion of america s policy towards israel exposes the controversy surrounding whether israel has strategic value to the usa or is instead a liability

### **The Politics of Jerusalem Since 1967 1990**

mark tessler s highly praised comprehensive and balanced history of the israeli palestinian conflict from the earliest times to the present updated to the first decade of the twenty first century provides a constructive framework for understanding recent developments and assessing the prospects for future peace new chapters elucidate the oslo peace process including the reasons for its failure and the political dynamics in israel the west bank and gaza at a critical time of transition jacket

### **The Population of Palestine 1978**

the book that is providing a storm of controversy from israel s bravest historian john pilger renowned israeli historian ilan pappe s groundbreaking work on the formation of the state of israel along with the late edward said ilan pappe is the most eloquent writer of palestinian history new statesman between 1947 and 1949 over 400 palestinian villages were deliberately destroyed civilians were massacred and around a million men women and children were expelled from their homes at gunpoint denied for almost six decades had it happened today it could only have been called ethnic cleansing decisively debunking the myth that the palestinian population left of their own accord in the course of this war ilan pappe offers impressive archival evidence to demonstrate that from its very inception a central plank in israel s founding ideology was the removal of the indigenous population indispensable for anyone interested in the current crisis in the middle east ilan pappe is

israel's bravest most principled most incisive historian john pilger  
pappe has opened up an important new line of inquiry into the vast and  
fateful subject of the palestinian refugees his book is rewarding in  
other ways it has at times an elegiac even sentimental character  
recalling the lost obliterated life of the palestinian arabs and  
imagining or regretting what pappe believes could have been a better  
land of palestine times literary supplement a major intervention in an  
argument that will and must continue there's no hope of lasting middle  
east peace while the ghosts of 1948 still walk independent

## **Institute for Palestine Studies (IPS). 1993**

presents a history of the territory in an effort to understand the  
essence of the conflicts in the gaza strip

## **To be an Arab in Israel 1969**

seventeen original essays present a comprehensive study of israeli  
occupation since 1967 the work analyzes the political social economic  
legal and cultural dimensions within the context of overall zionist  
policy toward the palestinian people and their land back cover

## ***Palestine in Transformation, 1856-1882 1971***

includes statistics

## ***Between Arab and Israeli 1985***

the quest for an inclusive and independent state has been at the  
center of the palestinian national struggle for a very long time this  
book critically reexamines this quest by exploring the meaning of  
palestinian statehood and the challenges that face alternative models  
to it today rethinking statehood in palestine gives prominence to a  
young set of diverse palestinian scholars both men and women to show  
how notions of citizenship sovereignty and nationhood are being  
currently rethought within the broader context of decolonization  
bringing forth critical and multifaceted engagements with what  
palestinian self determination entails within a larger regional  
context this groundbreaking book sets the terms of debate for the  
future of palestine beyond partition

## **From haven to conquest. Readings in Zionism and the Palestine problem until 1948. Edited with an introduction by Walid Khalidi 1991**

a brilliant achievement by far the most comprehensive analysis of the  
political economy of palestine and palestinians in the twentieth  
century times literary supplement

## **The Palestine Liberation Organization**

**2004-01-05**

in 2018 palestinians mark the 70th anniversary of the nakba when over 750 000 people were uprooted and forced to flee their homes in the early days of the israeli palestinian conflict even today the bitterness and trauma of the nakba remains raw and it has become the pivotal event both in the shaping of palestinian identity and in galvanising the resistance to occupation unearthing an unparalleled body of rich oral testimony an oral history of the palestinian nakba tells the story of this epochal event through the voices of the palestinians who lived it uncovering remarkable new insights both into palestinian experiences of the nakba and into the wider dynamics of the ongoing conflict drawing together palestinian accounts from 1948 with those of the present day the book confronts the idea of the nakba as an event consigned to the past instead revealing it to be an ongoing process aimed at the erasure of palestinian memory and history in the process each unique and wide ranging contribution leads the way for new directions in palestinian scholarship

## **Supplement to Survey of Palestine 1976**

since the 1993 oslo accords the occupied palestinian territory has been the subject of extensive international peacebuilding and statebuilding efforts coordinated by western donor states and international finance institutions despite their failure to yield peace or palestinian statehood the role of these organisations in the israeli palestinian conflict is generally overlooked owing to their depiction as tertiary actors engaged in technical missions in palestine ltd toufic haddad explores how neoliberal frameworks have shaped and informed the common understandings of international israeli and palestinian interactions throughout the oslo peace process drawing upon more than 20 years of policy literature field based interviews and recently declassified or leaked documents he details how these frameworks have led to struggles over influencing palestinian political and economic behaviour and attempts to mould the class character of palestinian society and its leadership a dystopian vision of palestine emerges as the by product of this complex asymmetrical interaction where nationalism neo colonialism and disaster capitalism both intersect and diverge this book is essential for students and scholars interested in middle east studies arab israeli politics and international development

## **Records of Dispossession 1970**

since 1993 various international donors have poured money into a people to people p2p diplomacy programme in palestine this grassroots initiative still funded by prominent external donors today seeks to foster public engagement through contact and therefore james r mcguigan embedded barriers this book examines the limited nature of this economics contact and explains why the p2p framework which applications strategies 2023-04-05 4/8 ultimately served to reinforce

conflict and power relations the book is based on the author's own  
experience of the solidarity activities during the first intifada and  
her first hand involvement as a coordinator of the p2p projects  
implemented during the 1990s it provides a much needed critical  
account of the internationally sponsored peace process and develops  
new theoretical analyses of settler colonialism
