Commercial Law and Commercial Practice 2003-12-19

this edited collection brings together leading scholars and practitioners from various jurisdictions with essays and commentaries coordinated around the theme of alignments and misalignments between commercial law and commercial practice the purpose of the book is to prompt a more critical and constructive reassessment of current commercial law and its practices and to instigate a more fruitful dialogue between academics judges law reformers and practitioners the result is a series of provocative and challenging essays addressing an enormous range of problems that are of intimate concern to commercial practice some essays focus on broad themes such as globalization and trust others address more specific issues such as contract interpretation or constraining modern management yet another group targets special problems such as dematerialisation or super priority in order to assess the success of commercial law in meeting commercial demands the depth and breadth of issues addressed is a credit to the authors taken as a whole the volume makes some pointed suggestions for improving the practices and processes and indeed the future progress of commercial law

Commercial Law 2007

commercial law covers all the core areas of general commercial practice including agency and distribution agreements sale and supply of goods and services international sales contracts credit and security bills of exchange competition law intellectual property law and commercial contracts including specimen sets of terms of sale and purchase diagrams and examples ensure that the practical aspects of the subject area are emphasized while the detailed coverage gives students a good introduction to the practitioner style texts they will use once in practice coverage of new cases such as *Aerotel Ltd v Telco Holdings Ltd* and others re *Macrossan's* application and *Lonsdale v Howard Hallam Ltd* ensure that the most recent developments are considered and providing students a well rounded view of commercial law

Commercial Law 2022-06-02

commercial law by richard d carrier is a study about the law in the united states the institute standard course of study in commercial law is not intended to make lawyers but simply to impart

to bankers sufficient knowledge of the law to enable them to act in accordance with established legal principles and refer doubtful questions to a lawyer it is not usurping the functions of a lawyer for a banker to know his legal rights and responsibilities the banker who does not appreciate the importance of this knowledge eventually learns from experience sad or otherwise that he has neglected an important part of the training necessary to carry on his business with safety and confidence this textbook is based on the splendid work originally prepared for the institute by samuel williston weld professor of law in harvard law school to this original matter however much new material has been added cases have been cited and new chapters on master and servant estates and trusts bills and notes and torts and crimes added

Goode and McKendrick on Commercial Law 2021-03-25

the sixth edition of the authoritative and acclaimed commercial law text a great book will be equally useful to legal practitioners students and business people financial times this sixth edition of goode on commercial law now retitled goode and mckendrick on commercial law remains the first port of call for the modern day practitioner with its theoretical and practical coverage of commercial law in both a national and an international context now updated to cover the most recent legal and technical changes this highly acclaimed and authoritative text which is regularly cited by all courts from the supreme court downwards combines a deep theoretical analysis of foundational principles with a practical approach in the context of typical commercial and financial transactions it is also replete with diagrams and specimen forms covering a wide range of transactions searching analysis and meticulous exposition coupled with a lucid clarity of style and a relaxed lightness of touch combine to make the book not only compulsory but compulsive reading for anyone interested in its field law quarterly review a work of immense scholarship professor goode s work must be as nearly exhaustive as can be possible and as produced by penguin is a triumph of paperback publishing solicitor s journal clear and comprehensive the student and practitioner will find it indispensable the interested layperson too will benefit from it as a work of reference british business a veritable tour de force business law review
