love and a broken dream of the west leslie jamison new york times bestselling author of the empathy exams an msn best book of 2016 set against the stark and surreal landscape of new mexico land of enchantment is a coming of age memoir about young love obsession and loss and how a person can imprint a place in your mind forever when leigh stein received a call from an unknown number in july 2011 she let it go to voice mail assuming it would be her ex boyfriend jason instead the call was from his brother jason had been killed in a motorcycle accident he was twenty three years old she had seen him alive just a few weeks earlier leigh first met jason at an audition for a tragic play he was nineteen and troubled and intensely magnetic a dead ringer for james dean leigh was twenty two and living at home with her parents trying to figure out what to do with her young adult life within months they had fallen in love and moved to new mexico the land of enchantment a place neither of them had ever been but what was supposed to be a romantic adventure quickly turned sinister as jason s behavior went from playful and spontaneous to controlling and erratic eventually escalating to violence now new mexico was marked by isolation and the anxiety of how to leave a man she both loved and feared even once leigh moved on to new york throwing herself into her work jason and their time together haunted her land of enchantment lyrically explores the heartbreaking complexity of why the person hurting you the most can be impossible to leave with searing honesty and cutting humor leigh wrestles with what made her fall in love with someone so destructive and how to grieve a man who wasn t always good to her this guide profiles and reviews more than 150 new domestic and imported cars and passenger vans it rates cars in 16 critical categories including performance accommodations workmanship and value giving buyers the upper hand in the haggling game includes suggested retail and dealer invoice prices lemon aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car and truck books on the market u s automakers are suddenly awash in profits and south koreans and europeans have gained market shares while honda nissan and toyota have curtailed production following the 2011 tsunami in japan shortages of japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012 so what should a savvy buyer do the all new lemon aid used cars and trucks 2012 2013 has the answers including more vehicles rated with some redesigned models that don t perform as well as previous iterations downrated more roof crash worthiness ratings along with an expanded cross border shopping guide a
