Oriental Scenes

2017-07-19

we call you emma danger for two reasons 1 because we want people to know that you are not someone to be seen as a victim and 2 because people view something as dangerous because they don't understand how it works we want you to look at a situation and rather than let your fears determine your actions figure out how the thing that is fearful works once you understand the situation you will know how to mitigate the risks then it will become less dangerous and less fearful it's okay to be afraid but it's not okay to let fear control you fear isn't something that you should be afraid of fear just helps you identify your next achievement

Kissing the Witch

1997

emma is a young bee on her first day going out to collect pollen every young bee is entrusted with this important duty and emma has to find within herself the strength and inner wisdom that is every bee's birthright this book comes with a unique exercise designed to help parents support their child in developing self trust and personal strength

The Professor ; Tales from Angria ; Emma

1966

would you choose a different life if you had the chance two people one chance to turn back the clock absolutely magical so romantic and heartfelt josie silver a beautiful moving and heart wrenching book emily stone romantic heart breaking and a real page turner olivia beirne the unforgettable new novel from the author of the songs of us if you love cecilia ahern and holly miller you'll adore this heartwarming novel on the last night in october 1999 the clocks went back and ella and will's love began a teenage ella sat around a bonfire drinking with her future husband and her oldest friend cole as ella wandered away from the group she found herself leaning against a derelict archway before passing out the next day ella remembered fractured images of a conversation with a woman in a green coat and red scarf but dismissed it as a drunken dream twenty three years later with her marriage to will in trouble and cole spiralling out of control ella opens a gift which turns her life upside down a green coat and red scarf when she looks in the mirror the woman from the archway is reflected back at her as the last sunday in october arrives ella is faced with a choice would she choose a different life if she could do it again readers love emma cooper powerful and immersive heart wrenching and hopeful buy this book you will not be disappointed for a second i laughed and cried throughout this book i was hooked from the beginning a wonderful life affirming novel i absolutely adored it from start to finish a wonderful read that will stay with me for a long time i really can't recommend this book enough so powerful and poignant a beautifully written book this book is funny heart warming and life affirming basically all the feels

The Bookseller

1883

in the further tale of peter rabbit a new tale written by emma thompson peter's adventures take him beyond the boundaries of mr mcgregor's garden all the way to scotland here he meets the gentle giant finlay mcburney a distant scottish relative and much entertainment ensues emma thompson oscar winning actress and screen writer

is a long time admirer of beatrix potter s tales she has a talent for creating engaging narratives with a dry humour similar to potter s own and is the perfect choice of author for this new peter rabbit tale to be published 110 years after the original emma was inspired to set the tale in scotland by her knowledge of beatrix s childhood holidays there

The Adventures of Emma Danger

2021-09-23

emma the rabbit wants to see the sun rise so she invites her friend sophie to sleep over so they can keep each other awake to see the dawn

The Professor

1954

beautifully observed tender and genuinely funny josie silver funny original storytelling an emotional rollercoaster packed with twists and turns that tugged at all my heartstrings holly miller a profoundly affecting beautifully written story packed with heart and hope miranda dickinson lost six foot two irish man who answers to the name samuel mclaughlin has weak shins and enjoys show tunes if found please return to sophie williams sophie williams has the perfect career and it s all she needs to shut herself off from the rest of the world and more importantly the secrets of her past samuel mclaughlin is an open book he lives for the present and life for him is his big irish family and his friends against all expectation samuel breaks down the walls of sophie s ordered world and they spend the perfect week together but when sophie discovers the terrible truth she is forced to leave but as samuel begins searching for sophie a life changing event alters how he sees life forever and with each passing week sophie seems further and further from his reach from the author of the songs of us shortlisted for the rna contemporary novel award comes a love story that will break your heart but put it back together again katie fforde fans of jojo moyes and lucy dillon will love the first time i saw you by emma cooper an evocative warm and character driven read that is truly memorable woman home a heartwarming charming novel which had me falling in love and desperate to be part of their happy ending olivia beirne a gorgeous heart breaking rollercoaster of a love story that made me laugh and cry in equal measures fiona harper cooper creates characters that come alive with pathos and heart and humour magic radio

Emma the Bumble Bee

2012-11-01

a little girl meets a hungry wolf in the forest while on her way to visit her grandmother

It Was Always You

2022-06-01

this work of literary and film criticism examines all eight filmed adaptations of jane austen s emma produced between 1948 and 1996 as vastly different interpretations of the source novel instead of condemning the movies and television specials as being not as good as the book marc dipaolo considers how each adaptation might be understood as a valid reading of austen s text for example he demonstrates how the gwyneth paltrow film emma is both a romance and a female coming of age story the 1972 bbc miniseries dramatizes emma s world as claustrophobic and emma herself as suffering from depression and the modern day teen comedy clueless comes closest of all to bringing a feminist reading of the novel to the screen each version illuminates a different legitimate way of reading the novel that is rewarding for austen fans scholars and students alike

The Further Tale of Peter Rabbit

2016-06-28

eight year old emma is playing with her friends when four creepy bats issue a decree from the big orange monster that takes away all the fun as conversation about the monster takes up the school blackboards and dinner talks emma becomes sad and distressed about the future of her town ernie the eagle the protector of the people sees how unhappy emma is and reminds her that when people come together they can overcome any obstacle when emma chooses to hide in bed anyway ernie goes to face the big orange monster and he ends up being held hostage emma realizes that hiding from problems won t solve anything so she encourages everyone to work together and rescue ernie and their town from the monster maybe all of the people speaking with one voice can stop the monster s evil plans in this children s book when a big orange monster takes over the land of the brave and eliminates fun eight year old emma learns the best way to confront this bully

Emma's Sleepover Party

1991

hobos space aliens a day in the life of a rescue mission chillers thrillers all in a collection of short stories by south carolina s author of the american hobbit spiced with a delicious flavor that even your mother will approve of tales from the american hobbit takes you on a fantasy ride through the lives of the downtrodden in the united states and its surrounding galaxies this is a book about today yesterday and tomorrow all wrapped up under one cover

Catalogue of the J. Morgan Slade Library and Other Architectural Works in the Apprentices' Library

1892

bcala 2023 outstanding contribution to publishing citation award winner the turn of the twentieth century was an extraordinarily difficult period for african americans a time of unchecked lynchings mob attacks and rampant jim crow segregation during these bleak years emma crawford a young african american woman living in pennsylvania corresponded by postcard with friends and family members and collected the cards she received from all over the country her album spanning from 1906 to 1910 and analyzed in emma s postcard album becomes an entry point into a deeply textured understanding of the nuances and complexities of african american lives and the survival strategies that enabled people to make a way from no way as snippets of lived experience eye catching visual images and reflections of historical moments the cards in the collection become sources for understanding not only african american life but also broader american history and culture in emma s postcard album faith mitchell innovatively places the contents of this postcard collection into specific historic and biographical contexts and provides a new interpretation of postcards as life writings a much neglected aspect of scholarship through these techniques a riveting world that is far too little known is revealed and new insights are gained into the perspectives and experience of african americans capping off these contributions the text is a visual feast illustrated with arresting images from the golden age of postcards as well as newspaper clippings and other archival material

Bibliotheca Cornubiensis: P-Z

1878

a story about a girl coming into her teens my aim was not merely to entertain but also to stimulate reflection just a little certainly children want to grow up but they also need to be raised and for that reason i hope to have added an interest for the thoughtful parental adult
