Summary of Rosaria Butterfield's The Secret Thoughts of an Unlikely Convert 2022-07-24T22:59:00Z

please note this is a companion version not the original book sample book insights 1 i was 36 years old when i met jesus christ i was an associate professor at syracuse university tenured in the english department and held a joint teaching appointment in the center for women s studies i was in a lesbian relationship with a woman who was primarily an animal activist and a nature lover 2 i was a professor of english studies and my field was 19th century literature and culture i was a director of undergraduate studies and i enjoyed advising and organizing our curriculum i felt like an imposter but i didn t look like one 3 i missed being in the company of risky and complex thinkers people who were invested in my culture and who challenged me to think to the edges of my comfort zones i was an out lesbian in the same way that i am now a christian wife 4 i was always afraid of christians because they seemed anti intellectual and unsafe i was also afraid of being wrong because i knew that if i was i would learn from it and grow

The Secret Thoughts of an Unlikely Convert 2014

rosaria by the standards of many was living a very good life she had a tenured position at a large university in a field for which she cared deeply she owned two homes with her partner in which they provided hospitality to students and activists that were looking to make a difference in the world in the community rosaria was involved in volunteer work at the university she was a respected advisor of students and her department s curriculum and then in her late 30s rosaria encountered something that turned her world upside down the idea that christianity a religion that she had regarded as problematic and sometimes downright damaging might be right about who god was that idea seemed to fly in the face of the people and causes that she most loved what follows is a story of what she describes as a train wreck at the hand of the supernatural these are her secret thoughts about those events written as only a reflective english professor could back cover

Unlikely Converts 2019-07-30

rely on the unstoppable power of the gospel not your own words most christians have people in their lives who they re sure will never come to faith whether they re too committed to their sinful ways too angry at god or too quick to shut down any mention of the saving grace of jesus these long shots don t seem worth approaching but some of the most unlikely converts have the strongest faith stories and they can be a source of incredible encouragement for christians who are trying to evangelize those around them randy newman knows firsthand the discomfort that comes with sharing the gospel he s been tongue tied and timid too but the truth is we don t need to sound like the brilliant charismatic legendary evangelists in this book randy shares surprising conversion stories straight from those who took the long way around to christianity he considers current cultural trends that make evangelism more difficult today then with his characteristic upbeat style he offers practical ways and even exact wording to proclaim the gospel and includes a plan of action in the end unlikely converts encourages us to remember that while the great commission requires us to share the good news it does not require perfection only confidence in the message

Openness Unhindered 2015-06-01

terms like same sex marriage sexual orientation gender identity and gay christian are part of daily discourse yet enormous controversy surrounds them they are the stuff of news headlines and vitriolic social media posts but they also reflect stirrings of the heart in real people with real questions and concerns rosaria champagne butterfield once a leftist professor in a committed lesbian relationship and now a confessional christian but always the thoughtful and compassionate professor has written a followup to the secret thoughts of an unlikely convert this book answers many of the questions people pose when she speaks at universities and churches questions not only about her unlikely conversion to christ but about personal struggles that the

questioners only dare to ask someone else who has traveled a long and painful journey dr butterfield not only goes to great lengths to clarify some of today s key controversies she also traces their history and defines the terms that have become second nature today even going back to god s original design for marriage and sexuality as found in the bible she cuts to the heart of the problems and points the way to the solution which includes a challenge to the church to be all that god intended it to be and for each person to find the true freedom that is found in christ

René Girard, Unlikely Apologist 2016-08-20

since the late 1970s theologians have been attempting to integrate mimetic theory into different fields of theology yet a distrust of mimetic theory persists in some theological camps in rené girard unlikely apologist mimetic theory and fundamental theology grant kaplan brings mimetic theory into conversation with theology both to elucidate the relevance of mimetic theory for the discipline of fundamental theology and to understand the work of rené girard within a theological framework rather than focus on christology or atonement theory as the locus of interaction between girard and theology kaplan centers his discussion on the apologetic quality of mimetic theory and the impact of mimetic theory on fundamental theology the subdiscipline that grew to replace apologetics his book explores the relation between girard and fundamental theology in several keys in one it understands mimetic theory as a heuristic device that allows theological narratives and positions to become more intelligible and by so doing makes theology more persuasive in another key kaplan shows how mimetic theory when placed in dialogue with particular theologians can advance theological discussion in areas where mimetic theory has seldom been invoked on this level the book performs a dialogue with theology that both revisits earlier theological efforts and also demonstrates how mimetic theory brings valuable dimensions to questions of fundamental theology

opposing views and multiple perspectives

The Calling of the Church in Times of Polarization 2022-10-31

in many societies all over the world an increasing polarization between contrasting groups can be observed polarization arises when a fear born of difference turns into us versus them thinking and rules out any form of compromise this volume addresses polarizations within societies as well as within churches and asks the question given these dynamics what may be the calling of the church the authors offer new approaches to polarizing debates on topics such as racism social justice sexuality and gender euthanasia and ecology and agriculture in various contexts they engage in profound theological and ecclesiological reflection in particular from the reformed tradition contributors to this volume are najib george awad henk van den belt nadine bowers du toit jaeseung cha david daniels david fergusson jan jorrit hasselaar jozef hehanussa allan janssen klaas willem de jong viktória kóczyán philipp pattberg louise prideaux emanuel gerrit singgih peter ben smit thandi soko de jong wim van vlastuin jan dirk wassenaar elizabeth welch annemarieke van der woude and heleen zorgdrager

The Unlikely Disciple 2009-03-26

the hilarious and heartwarming respectful and thought provoking memoir of a college student s semester at liberty university the bible boot camp for young evangelicals that will inspire believers and nonbelievers alike no drinking no smoking no cursing no dancing no r rated movies kevin roose wasn t used to rules like these as a sophomore at brown university he spent his days fitting right in with brown s free spirited ultra liberal student body but when roose leaves his ivy league confines to spend a semester at liberty university a conservative baptist school in lynchburg virginia obedience is no longer optional liberty is the late reverend jerry falwell s bible boot camp for young evangelicals his training ground for the next generation of america s religious right liberty s ten thousand undergraduates take courses like evangelism 101 and follow a forty six page code of conduct that regulates every aspect of their social lives hoping to connect with his evangelical peers roose decides to enroll at liberty as a new transfer student chronicling his adventures in this daring report from the front lines of america s culture war his journey takes him from an evangelical hip hop concert to a spring break mission trip to daytona beach where he learns to preach the gospel to partying coeds he meets pastors kids closet doubters christian rebels and conducts what would be the last print interview of rev falwell s life

An Unlikely Revolutionary 1998-05-01

a confidant of governor john burns a member of the board of supervisors of the city and county of honolulu a business associate of developer and financier chinn ho a trustee of the bishop estate matsuo takabuki has been at the heart of many of the sweeping social financial and political changes that have fundamentally altered hawaii in the last half century an unlikely revolutionary is takabuki s own story told in his characteristically straightforward manner of his life and work as one of the movers and shakers behind hawaii s transformation from an isolated agriculture based territory to a highly diverse competitive modern community in september an unlikely revolutionary was featured on the front page of the honolulu star bulletin

Unlikely Pilgrim 2019-03-26

two middle aged men fast friends make eleven foreign trips pilgrimages you might call them to parts of the world rich in the history of christianity the trips combine adventure strenuous physical activity exhilaration discovery and friendship three of the journeys were to western europe six were to eastern europe and the balkans and two to the middle east the trips were spontaneous and unplanned often requiring improvisation along the way told in a lighthearted and often amusing style an unlikely pilgrim provides a vivid and colorful picture of parts of the

world often out of the range of american tourists but deep in both ancient and current geopolitical historical and cultural wealth

Unlikely Friends 2021-07-08

can something as simple as friendship have a transformative impact in a divided world through a series of richly textured historical portraits and reflections on personal experience this book shows that boundary crossing friendships in christian mission have shaped theologies built organizations and partnerships facilitated mission work and changed attitudes and ways of thinking this is true in settings as varied as eighteenth century french women s work twentieth century urban boston colonial india the jim crow south and twentieth century rural congo in all these settings and more friendship has mattered boundary crossing friendships are however not easy despite their power such friendships are complicated by race gender ability class nationality and other elements of identity as this book also demonstrates friendships are not immune from the divisions in the world nor a simple cure all for them still friendship stands as a powerful testimony to the gospel therefore the book calls for more attention to friendship in the study of mission history and more living out of friendship as a practice of mission in this way this book pays honor to dr dana l robert as a pre eminent mission scholar and exemplary friend and mentor to others in the fields of missiology and world christianity

Twelve Unlikely Heroes 2014-08-19

what kind of people does god use to accomplish his work far from the children s tales depicted in picture books and nursery rhymes the men and women highlighted in the bible were unnervingly real they faltered they struggled and at times they fell short yet god worked through them in surprising and incredible ways to accomplish his purposes scripture does not hide their weaknesses caricature their strengths or spin their stories as a display of human nobility instead it describes these heroes of the faith with unflinching honesty and delivers an unexpected ending god is not ashamed to be called their god hebrews 11 16 in twelve unlikely heroes pastor and best selling author john macarthur uses his deep knowledge of the bible and history to take us back to see these three dimensional men and women in their own times and cultures in doing so it becomes clear how their dramatic stories apply to us today people who might at first seem foreign quickly become familiar and unforgettable particularly as they reveal the true hero behind every witness the power counterbalancing every weakness the author and finisher of our faith hebrews 12 1

The Unlikely Settler 2014-03-25

the israeli palestinian conflict seen by an outsider who craves to make sense of herself her marriage and the city she lives in the unlikely settler is none other than a young bengali journalist who moves to jerusalem with her english jewish husband and two children he speaks arabic and is an arch believer in the peace process she leaves her career behind to follow his dream jerusalem propels pelham into a world where freedom from tribal allegiance is a challenging prospect from the school you choose for your children to the wine you buy you take sides at every turn pelham s complicated relationship with her husband leo is as emotive as the city she lives in as full of energy pain and contradictions as she tries to navigate the complexities and absurdities of daily life in jerusalem often with hilarious results pelham achieves deep insights into the respective woes and guilt of her palestinian and israeli friends her intelligent analysis suggests a very different approach to a potential resolution of the conflict

Unlikely Victory 2010-08-27

many companies that stray too far from their core business fail so how is it that general electric a major electrical manufacturing company ended up as one of the top u s chemical producers with 1998 sales of 6.6 billion in unlikely victory jerome t coe a retired 40 year career employee with general electric who spent more than 20 years as a manager of the company s chemical

businesses suggests that it was a combination of necessity forward thinking of the engineers and managers wise enough to give them breathing room much of what they did then was counter to the prevailing ge culture he writes today it has become the corporate culture the book tells the whole story of this successful business model from the early years of ge chemistry through the company s successes with silicones synthetic diamond lexan polycarbonate plastic and other high performance thermoplastics it also profiles four scientists and five managers including former ceo john f welch jr a chemical engineer and a product of the ge plastic business who made a significant difference in the company s chemical success the book is amply illustrated with photographs of the people products and plants that contributed to one of america s most unusual corporate success stories

Stephen: Unlikely Martyr 2017-03-17

in antioch stephen s best friend is crucified for defacing its patron goddess and the city turns on jews he flees to cyrene there he meets simon persecution against jews is worse here they try to keep stephen out of the market university and local olympic games he decides the only solution is to pass himself off as a gentile and start a secret synagogue with secret worship when discovered stephen suffers at the hands of both pagan gentiles and jews simon cannot handle the persecution any longer so moves from cyrene to jerusalem when stephen visits jerusalem for passover he sees simon carrying the cross of jesus they both become christians and the persecution starts all over again stephen decides to move permanently to jerusalem saul goes after them both they rush to save each other s lives as stephen takes his final steps toward the stoning pit he can still hear his father in years past take another step son now another hold your head high don t let them see weakness you re doing fine now another step i m here son i will never leave you you re almost home this is a wonderful book to show how family and friends stick together when things go wrong until they are righted

Unlikely Partners 1999

for too long the labor movement and philanthropic foundations have had little contact even when their guiding principles are the same the time is ripe for a new national conversation on where and how they can effectively work together richard magat s new book focuses on the relationship between unions and foundations its history its dynamics and its potential this is a relationship that can and should be enormously valuable for both sides john j sweeney president afl cio an investigation into the little known history of relations between organized labor and philanthropic foundations in america this book reveals curious connections linking these important institutions throughout the twentieth century richard magat examines these relations whether indirect or direct confrontational supportive or collaborative in a wide variety of areas research the condition and status of black and female workers the struggle of farmworkers workplace health and safety the union democracy movement and the stake of union members in the global marketplace unlikely partners begins with the industrial and social ferment in which the great modern foundations arose in the early twentieth century it covers such topics as the russell sage foundation the first to address labor conditions the national civic federation and manifestations of enlightened business practice including welfare capitalism the book lays out areas of future community fiscal and policy collaboration between unions and foundations

Unlikely Collaboration 2013-05-14

from 1941 to 1943 the jewish american writer and avant garde icon gertrude stein translated for an american audience thirty two speeches in which marshal philippe petain head of state for the collaborationist vichy government outlined the vichy policy barring jews and other foreign elements from the public sphere while calling for france to reconcile with its nazi occupiers why and under what circumstances would stein undertake such a project the answers lie in stein s link to the man at the core of this controversy bernard faÿ her apparent vichy protector barbara will outlines the formative powers of this relationship treating their interaction as a case study of intellectual life during wartime france and an indication of america s place in the vichy imagination

Our Good Crisis 2020-03-17

we live in an age of crisis financial crisis political crisis environmental crisis the list goes on we re confronted with calamity every time we read the headlines but behind each of these lurks another kind of crisis one we find harder to define a moral crisis a crisis of goodness behind financial crisis is unrestrained greed behind political crisis is the lust for power to properly address the crises that plague our world we must be formed as people of moral goodness we must cultivate virtue but the cultural headwinds are strong outrage and fragility persecution and affluence injustice and impurity in this wise and practical book pastor jonathan dodson takes us back to the beatitudes the centerpiece of jesus famous sermon on the mount dodson examines each of the beatitudes in the context of the new morality that buffets our society today presenting a compelling portrait of the truly good life both personal and social jesus vision of the good is stunning heaven meets earth mercy triumphs over judgment peace transcends outrage grace upends self righteousness here is an account not of dos and don ts but of genuine moral flourishing

An Unlikely Conservative 2009-04-30

when president george w bush nominated linda chavez to be secretary of labor in january 2001 most political observers saw it as a nod to the right chavez had made her reputation taking on the civil rights establishment the feminist movement and the multiculturalists what few people knew was that this hard nosed conservative began her career among socialists and labor union officials teaching in college affirmative action programs and writing political propaganda for the democratic national committee in an unlikely conservative chavez recounts her political journey from the young people s socialist league to the reagan wing of the republican party and the sometimes shocking personal experiences that shaped her views from excrement smeared car seats to threats of attacks with bombs and switchblades she learned quickly that opposing racial quotas and ethnic studies carried a high personal cost but at its core hers is the story of a working class hispanic girl who overcomes a difficult and painful childhood to become one of america s most prominent political conservatives

Defence Expenditure, Industrial Conversion, and Local Employment 1991

if carl gustav jung and ignatius of loyola could face each other over a gap of four centuries what would they have to say to one another kenneth becker demonstrates in this engaging study that these two intellectual and spiritual giants bring great insight to each other s work

Unlikely Companions 2001

an unlikely union unfolds the dramatic story of how two of america s largest ethnic groups learned to love and laugh with each other in the wake of decades of animosity the vibrant cast of characters features saints such as mother frances x cabrini who stood up to the irish american archbishop of new york when he tried to send her back to italy and sinners like al capone who left his irish wife home the night he shot it out with brooklyn s irish mob also highlighted are the love affair between radical labor organizers elizabeth gurley flynn and carlo tresca italian american gangster paul kelly s alliance with tammany s big tim sullivan hero detective joseph petrosino s struggle to be accepted in the irish run nypd and frank sinatra s competition with bing crosby to be the country s top male vocalist in this engaging history of the irish and italians veteran new york city journalist and professor paul moses offers an archetypal american story at a time of renewed fear of immigrants it demonstrates that americans are able to absorb tremendous social change and conflict and come out the better for it publisher s description

An Unlikely Union 2017-03

the right kind of parental pressure puts kids on a path to success the wrong kind can be disastrous level up your parenting with this positive approach to pushing your child to be their best self parents instinctively push their kids to succeed yet well meaning parents can put soul crushing pressure on kids leading to under performance and serious mental health problems instead of social emotional and academic success so where are they going astray according to drs chris thurber and hendrie weisinger it all comes down to asking the right question instead of how much pressure you should be thinking how do i apply pressure the unlikely art of parental pressure addresses the biggest parenting dilemma of all time how to push kids to succeed and find happiness in a challenging world without pushing them too far the solution lies in thurber and weisinger s eight methods for transforming harmful pressure to healthy pressure each transformation is enlivened by case studies grounded in research and fueled by practical strategies that you can start using right away by upending conventional wisdom thurber and weisinger provide you with the revolutionary guide you need to nurture motivation improve your interactions with your child build deep connections sidestep cultural pitfalls and ultimately help your kids become their best selves

The Unlikely Art of Parental Pressure 2021-07-20

scattering ashes is a resource for christian families confronting the reality of their loved one s gay lifestyle joyce smith helyer takes the reader on a journey that changed her life when her brother began their midnight christmas eve conversation with these words joyce i have something to tell you as i waited expectantly for what he was going to say next he paused but then shifted the conversation he tried again but the same thing happened i felt like he was trying to land an airplane in trouble and kept circling the airport looking for the best approach his attempted landings kept falling short of the runway a vague sense of uneasiness began to fill my mind little did i realize that my nice typical christian experience would be undergoing a significant change fear i could barely articulate almost overwhelmed me finally i looked at my handsome 26 year old brother and knew the words he was having so much difficulty saying ron are you trying to tell me you re gay his quiet response echoed across the living room i thought you had it figured out

Scattering Ashes 2016-06-08

environmental activism has most often been credited to grassroots protesters but much early progress in environmental protection originated in the halls of congress as paul milazzo shows a coterie of unlikely environmentalists placed water quality issues on the national agenda as early as the 1950s and continued to shape governmental policy through the early 1970s both outpacing public concern and predating the environmental movement milazzo examines a two decade crusade to clean up the nation s water supply led by development boosters pork barrel politicians and the army corps of engineers all of whom framed threats to the water supply as an economic rather than environmental problem and saw pollution as an inhibitor of regional growth showing how the legislative branch acted more assertively than the executive the book weaves the history of the federal water pollution control program into a broader narrative of political and institutional development covering all major clean water legislation as well as many other landmark environmental laws milazzo explains how the evolution of congress s internal structure after world war ii with its standing committees and powerful chairmen ultimately shaped the scope and substance of important legislative policies he reveals how representative john blatnik of minnesota chairman of the house subcommittee on rivers and harbors shepherded the first permanent water pollution control legislation through congress in 1956 how senator robert kerr of oklahoma embraced pollution control to deflect criticism of the public works budget and how senator edmund muskie of maine used an unwanted pollution subcommittee chairmanship to create a more viable federal water quality program at a time when few americans demanded one by showing that a much more diverse set of people and interests shaped environmental politics than has generally been supposed milazzo deepens our

understanding of how congress took the lead in addressing environmental concerns like water quality that ultimately contributed to the expansion of government his book demonstrates that the rise of the environmental regulatory state ranks as one of the most far reaching transformations in american government in the modern era

Unlikely Environmentalists 2016-02-08

when sparks fly between a good amish girl and a hunky member of the hollywood elite even matchmaking innkeepers esther and lizzie know better than to fan the flames evelyn schrock has dismissed the attempts of every young man in her small amish community to court her she s willing to wait for a suitor who shares her curiosities about life and faith the only reason jayce clarkson is in amish country hefting equipment for his famous father s movie production company is for the paycheck the homestyle cooking at the peony inn is a perk though as is his friendship with evelyn schrock if jayce can endure his dad s put downs for a month he ll finally be in a position to make a fresh start somewhere away from the hustle and bustle of los angeles and the shadow of his checkered past to matchmakers esther and lizzie the widowed sisters who operate the inn jayce seems like a good man stuck in a life he doesn t want but the boy isn t amish and that leaves far too much room for broken hearts despite that jayce and evelyn start to realize that they can t deny their growing attraction any path forward seems impossible and they will have to learn what the future will look like when they leave their fate in gott s hands beth wiseman s an unlikely match will keep you turning the pages as you are pulled into this heartwarming and unpredictable amish romance story about evelyn and jayce two interesting and compelling characters beth doesn t disappoint keeping you guessing as to how this story will end molly jebber bestselling amish inspirational historical romance author this was such a sweet story i cheered on evelyn and jayce the whole way jayce is having issues with his difficult father who s brought a hollywood crew to amish country to film a scene in a nearby cave evelyn has a strong supportive family so she feels for jayce immediately as they grow closer and help each other overcome fears and phobias they know this can t last but god and two persnickety amish sisters lizzie and esther have other plans can a hollywood boy fall for an amish girl and make it work find out read this delightful heartwarming story lenora worth author of their amish reunion sweet amish romance part of the the amish inn novels book 1 a picture of love book 2 an unlikely match book 3 a season of change book length 85 000 words includes discussion questions for book clubs

Construction and Operation of a Depleted Uranium Hexafluoride Conversion Facility at the Portsmouth, Ohio, Site 2004

an unlikely vineyard tells the evolutionary story of deirdre heekin s farm from overgrown fields to a fertile productive and beautiful landscape that melds with its natural environment is it possible to capture landscape in a bottle to express its terroir its essence of place geology geography climate and soil as well as the skill of the winegrower that s what heekin and her chef husband caleb barber set out to accomplish on their tiny eight acre hillside farm and vineyard in vermont but an unlikely vineyard involves much more it also presents through the example of their farming journey and winegrowing endeavors an impressive amount of information on how to think about almost every aspect of gardening from composting to trellising from cider and perry making to growing old garden roses keeping bees and raising livestock from pruning or not to dealing naturally with pests and diseases challenged by cold winters wet summers and other factors deirdre and caleb set about to grow not only a vineyard but an orchard of heirloom apples pears and plums as well as gardens filled with vegetables herbs roses and wildflowers destined for their own table and for the kitchen of their small restaurant they wanted to create or rediscover a sense of place and to grow food naturally using the philosophy and techniques gleaned from organic gardening permaculture and biodynamic farming accompanied throughout by lush photos this gentle narrative will appeal to anyone who loves food farms and living well

Grassland to Cropland Conversion in the Northern Plains **2012-10-19**

these studies on the character of the apostles form a complete series on the lives times and ministries of those men chosen by god to declare his message to the world

An Unlikely Match 2021-06-08

figuratively speaking this is a rags to riches story it tells of a person who in his youth was a loner and an avowed atheist he had no time for anyone but himself he rebuffed all attempts by his neighbors to be friendly he had a very peculiar habit later in life that was puzzling to the citizens of his town thrust upon him during his declining years by a pushy social worker was a baby whom he was expected to rear something happened on one occasion that changed him into another personality from that point on not only was his personality changed but also his mode of life along the way many odd situations arise which captivate the attention of the reader causing him or her to wonder what is going to happen next the main character sees needs in his home town needs to which no other citizen had given a thought with the tenacity of a pit bull he tackles those needs figured in the plot of this book is a woman with the vocabulary of the proverbial sailor but who is a diamond in the rough this book is designed for enjoyable reading

An Unlikely Vineyard 2016-04-27

john alexander macneil is eighty years old sharp tongued and quick witted he lives alone in rural cape breton but he still cooks breakfast for his wife who s been dead for thirty years he silently starts to question his own mind after stopping to pick up a hitchhiker a hitchhiker who turns out to be his neighbour s mailbox everything shifts though when emily a pregnant teenager shows up at his house with no place else to go determined to help emily as best as he can john must also keep the wolves from his door and maintain some semblance of sanity the unlikely redemption of john alexander macneil is a compelling witty and heartwarming novel by renowned nova scotia author lesley choyce

All the Apostles of the Bible 1988-09-27

britain is home to some forty species of dragonfly and public interest in their plight is high right now thanks to their primeval beauty aerobic grace and a growing realisation of their importance for water eco systems in the dragonfly diaries ruary mackenzie dodds shares his quirky fascination for these remarkable creatures over the 25 years he has been photographing and working with them combining fascinating description of the lives of dragonflies with a diary chronicling the ups and downs of establishing britain s first public dragonfly sanctuary the dragonfly diaries is a must for nature buffs and for anyone who wants to be inspired by the resolve and dedication of a man on a mission to save these critically important insects

Metric Conversion 1990

how much do you really know about former alaskan governor sarah palin the revelations in matthew zenceyÆs account of her tenure will surprise you although palin is widely seen as a conservative social ideologue her political career in alaska was marked by a progressive approach that is at odds with her current right wing republican identity a self described red meat conservative the partisan ôpit bull with lipstickö had been a bipartisan pragmatic and surprisingly progressive governor who raised taxes on big oil and distributed oil revenue to every alaskan she also rankled her social conservative supporters by vetoing an antiûgay rights measure and placing a pro choice woman on the alaskan supreme court but her mishandling of accusations of ethics violations made her politically vulnerable at home and her foray into the partisan brawling of national politics broke apart her bipartisan governing coalition in alaskaÆs capital after her failed 2008 bid for the vice presidency palin spent one more legislative session

trying to run a big government state while maintaining her national stature as a small government conservative but it was politically untenable with no hope of achieving any major political accomplishments plus a growing strain on her family life huge legal bills and a large book advance in hand she resigned zencey an editor at the anchorage daily news during palinÆs tenure shows how the sarah palin who was so popular in alaska is starkly different from the sarah palin who is now so popular with the tea party

An Unlikely Saint 2011-11-16

how should the word of god be interpreted and applied today does our modern culture affect how we read the bible can certain passages be interpreted in different contexts and in different ways all the while acknowledging that god speaks with a clear and consistent voice these are the enduring challenges of hermeneutics in this volume no less than sixteen reformed scholars from four different countries join together to tackle the hard questions that often arise when we busy ourselves with the weighty responsibility of interpreting holy scripture as iron sharpens iron so also these reformed scholars challenge each other and their readers to ask not only how hermeneutics can be done but ultimately how it should be done so that god s word of truth may be handled correctly 2 tim 2 15

The Unlikely Redemption of John Alexander MacNeil 2017-05-04T00:00:00Z

in 1951 canada sent troops to western europe to support its nato allies the brigade helped canada establish its international status in private however canadian officials and military leaders expressed grave doubts about nato s strategies and operational plans despite these reservations they sent military families overseas and implemented personnel policies that permanently changed the distribution of the defence budget and the character of the canadian army this original account of the evolution of the canadian army from a small training cadre to a truly national force offers a new perspective on military policy and diplomacy in the cold war era

The Dragonfly Diaries : The Unlikely Story of Europe's First Dragonfly Sanctuary 2022-01-01

this book provides an in depth analysis of the relations between china and the eu tracing the development of this complex yet intriguing relationship between two substantially different actors to uncover a deeper understanding of this unlikely partnership the authors analyze the partnership through the prism of contending norms and worldviews the china eu strategic partnership has evolved through fits and starts but despite continuous trade disputes and severe diplomatic misunderstandings the eu and china pledge to uphold even deepen the partnership policy experts and scholars will learn how such contending bilateral relationships can be managed and establish a better understanding of deep seated conceptual differences between these two entities

Unlikely Liberal 2012-09-30

a contemporary collection of poetry inspired by wikipedia charles darwin the love advice doled out by chatbots and nasa s golden record time capsule a collection intent on worrying the boundaries between natural and unnatural human and not unlikely designs draws far ranging source material from the back channels of knowledge making the talk pages of wikipedia the personal writings of charles darwin the love advice doled out by chatbots and the eclectic inclusions on the golden record time capsule it is here we discover the allure of the index what pleasure there is in bending it to our own devices at the same time these poems also remind us that logic is often reckless held together by nothing more than syntactical short circuits well i mean sorry yes prone to cracking under closer scrutiny returning us again and again to these gaps katie willingham reveals how any act of preservation is inevitably an act of curation an

outcry against the arbitrary by attempting to make what is precious also what survives praise for unlikely designs unlikely designs is shaped around darwin s writings and they serve as levers for willingham to jump into a web of topics the poems often disarm the reader with strange humor and twist toward issues of growth and death willingham doesn t use her base texts as a crutch but instead interrogates darwin explores the impact of technology on our daily lives and implores the reader to consider what does it mean to survive rain taxi i like willingham s adventurous meaningful mix of different kinds of images ideas and language from the internet from digital media and digital games from the work and life of charles darwin purposeful as well as inclusive here is a book of poetry about important matters that is also fun to read robert pinsky katie willingham s superbly agile and ambitious poems are marvels of intellection but first and foremost they are fun local pleasures of pacing idiom juxtaposition insight are bountiful beyond all measure and beneath them lies a breadth of vision that is metaphysical in its sweep i cannot say enough in praise of this brilliant work linda gregerson
