published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873

The Tobacco Situation 1954 pretending to be the girlfriend of a millionaire who lives a life totally different from hers chiara is struggling to keep her father s café from going under then she s offered a ridiculous deal from lazzerio di fiore a regular patron of the café for the past six months he ll help her out financially if she pretends to be his girlfriend for ten days in milan can chiara really go on a luxurious trip with sexy lazzerio after being hurt by a man just like him in the past but she has no choice if she wants to keep the café afloat

Sound Currency 1896 includes special laws of 1871 1881 and 1889

Sound Currency, 1895-1896 1895 an essential new history of america s monetary origins the second continental congress faced multiple daunting challenges when it was convened in summer 1775 first the assembly had to create a de facto government for the loosely joined colonies that would become the united states it then had to strategize a war effort for what would become the american revolution and it also had to figure out how to pay for all of it without the benefit of any real legal authority to do so the continental dollar is a sweeping revelatory new history of how the fledgling united states paid for its first war economist farley grubb upends the folk telling of this story in which the us printed cross colony money called continentals to serve as an early fiat currency a currency that is not tied to a commodity like gold but rather to the viability and legal authority of the issuer as grubb outlines in rigorous terms the continental was not a fiat currency but a zero coupon bond a wholly different species of currency that is both value anchored one continental was a promise to pay the holder one milled spanish silver dollar after a defined future time and subject to discounting by the issuer if that issuer needs fast capital through this lens and as confirmed by grubb s exhaustive mining of 18th century colonial monetary records the appearance of continental dollar depreciation was in fact capricious discounting the us was playing easy money in the face of an expensive war drawing on decades of research and careful mining of historical evidence the continental dollar is an essential and authoritative origin story of the early american monetary system it is certain to serve as the benchmark for critical work in this space for decades to come
