## ***Word Power Made Simple 1986***

an alphabetical word list with entries defining the words and discussing their present usage including idioms and prepositions used with them

## ***Improve your Word Power 2021-01-01***

the god worshiped by jews christians and muslims never existed this book demonstrates clearly and decisively that it is impossible that the god of the sacred scriptures deemed to be an omnipotent omnipresent omniscient caring benevolent and just creator and ruler of the universe could ever exist should he be the creator who designed the universe then he would have been powerless to formulate any other axioms of mathematics logics jurisprudence or ethics that we do have and therefore he cannot be the highest authority in the universe neither is he able to regulate the universe on a quantum level all these eternal and immutable axioms may nevertheless be described as the mind of an impersonal god this book is meant for theologians philosophers and everybody else interested in religious matters

## ***Word Power Grades 3-4 (eBook) 2001-09-01***

book cd this fourth edition makes it clear that all who are interested in the sustainability of south africa and africa must put human resource management hrm at the very core of the management of organisations generally the content is aligned to outcomes that are geared towards analytical and critical thinking about the theory and practice of hrm in south africa the african context is addressed and ample information about hrm aspects elsewhere in africa is provided this edition breaks away even further from the traditional structure of so many standard hrm textbooks it challenges a broadening of the agenda and scope of hrm work hrm is not only about managing employees but also about managing the work and the people who do the work of and in organisations this may involve alternative ways of getting the work of organisations done superiorly this book will help you to apply hrm effectively to achieve its ultimate aim namely to add value to people to organisations and to society this comprehensive book is organised around themes such as developing an appreciation for the context of hrm in south africa strategising designing and planning as preparatory hrm work sourcing work talent facing the countrys people empowerment challenge meeting the reward and care challenge handling labour and employee relations challenges championing change and transformation managing hrm related information including hrm and sustainability reporting based on most recent theoretical developments the emphasis is on the practical applications samples of relevant documents are included and an accompanying cd contains a wealth of relevant resources as well as a continuing integrating case study that serves as a basis for these applications and individual and group activities as a package south african human resource management will be extremely valuable to both current and aspirant managers and human resource practitioners
