Great River

1954

the rio grande river of destiny is a monumental study of the rio grande and the people along its banks near the once fabulous now ghost town of creede colorado flow the springs and the trickles of melting snow which make the rio grande here at 14 000 feet is born a river which irrigates 1 751 700 acres of farmland in the united states and mexico in the course of its violent precipitous meandering laze descent to the gulf of mexico 1800 miles away the rio grande is beauty and history and legend and economics and social problems a touchstone river of american life a river of destiny indeed excerpt from book jacket

The Rio Grande, River of Destiny

1949

a tour of the rio grande and its surrounding area

The Rio Grande

2013-01-01

details the causes and events of the pueblo indians revolt against their spanish rulers in 1680

Great River

1968

starting life in the san juan mountains in southern colorado the rio grande flows south through new mexico and then southeast creating the border between texas and mexico on its journey to the gulf of mexico the rio grande flows through a desertlike area as the river reaches the ocean its limited supply of water is all but used up by the many farms and cities along its banks book jacket

Red Power on the Rio Grande

1973

the republic of the rio grande had a brief and tenuous existence 1838 1840 before most of it was reabsorbed by mexico and the remainder annexed by the united states yet this region that straddles the rio grande has retained its distinctive cultural identity to the present day born on one side of the rio grande and raised on the other beatriz de la garza is a product of this region her birthplace and its people are the subjects of this work which fuses family memoir and borderlands history from the republic of the rio grande brings new insights and information to the study of transnational cultures by drawing from family papers supplemented by other original sources local chronicles and scholarly works de la garza has fashioned a history of this area from the perspective of individuals involved in the events recounted the book is composed of nine sections spanning some two hundred years beginning in the mid 1700s each section covers not only a chronological period but also a particular theme relating to the history of the region de la garza takes a personal approach opening most sections with an individual observation or experience that leads to the central motif whether this is the shared identity of the inhabitants their pride in their biculturalism and bilingualism or their deep attachment to the land of their ancestors

The Rio Grande

2003-07-03

journalist bowden writes of his journey to become the first person to travel the entire length of the rio grande as it forms the border between america and mexico in this elegant gritty and contemporary look at the culture and people he encountered

From the Republic of the Rio Grande

2013-03-01

the rio grande was ancient long before the first humans reached its banks these days the highly regulated river looks nothing like it did to those early settlers alternately viewed as a valuable ecosystem and life sustaining foundation of community welfare or a commodity to be engineered to yield maximum economic benefit the rio grande has brought many advantages to those who live in its valley but the benefits have come at a price this study examines human interactions with the rio grande from prehistoric time to the present day and explores what possibilities remain for the desert river from the perspectives of law development tradition and geology the authors weigh what has been gained and lost by reining in the rio grande

The Rio Grande

2006

a thrilling account of the bloody rebellion forged by the pueblo indians against the spanish invaders

The Tecate Journals

2007

laredo texas has a rich and fascinating history being on the border with america s neighbor to the south mexico this is a window into everyday life of the city a must read for any keen amateur historian

Great River: the Rio Grande in North American History

1999-12-30

photographer adriel heisey has captured the spirit of the rio grande with his awe inspiring aerial images of the river heisey follows the waterway from its headwaters in the san juan mountains of southern colorado through new mexico then as it straddles and defines the texasmexico border and finally culminates with its outpouring into the gulf of mexico heiseys images bring to life the unmistakable signature of water that the rio grande represents in the arid southwestern landscape

Reining in the Rio Grande

2015-07-15

matthew caine an agent of the u s government and a friend to the shoshone and arapaho indians has spent his life along the rio grande this big powerful man is known as el gigante by the spanish who fear he is a spy planning to help take away their land as war rages between the nations caine who has come to

Indian Uprising on the Rio Grande

1996

the republic of the rio grande had a brief and tenuous existence 1838 1840 before most of it was reabsorbed by mexico and the remainder annexed by the united states yet this region that straddles the rio grande has retained its distinctive cultural identity to the present day born on one side of the rio grande and raised on the other beatriz de la garza is a product of this region her birthplace and its people are the subjects of this work which fuses family memoir and borderlands history from the republic of the rio grande brings new insights and information to the study of transnational cultures by drawing from family papers supplemented by other original sources local chronicles and scholarly works de la garza has fashioned a history of this area from the perspective of individuals involved in the events recounted the book is composed of nine sections spanning some two hundred years beginning in the mid 1700s each section covers not only a chronological period but also a particular theme relating to the history of the region de la garza takes a personal approach opening most sections with an individual observation or experience that leads to the central motif whether this is the shared identity of the inhabitants their pride in their biculturalism and bilingualism or their deep attachment to the land of their ancestors

excerpt from the valley of the rio grande its topography and resources in 1821 the mexicans ventured to throw off the yoke of spain and a plan of national independence was de clared at iguala general iturbide declared himself emperor soon afterwards this was the first in a series of pronunciamientos reactions and revolutions which have arrested the progress and checked the growth of this magnificent country but it is only just to observe that all the struggles have sprung from the stern resolve of the mexicans not to submit in peace or quiet to the yoke of the stranger to the absolute rule which priest and captain alike sought to impose about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

River of Lost Dreams

1986

dead on the rio grande is a surreal story of crime and corruption on the rio grande a small group of undocumented immigrants are victims of a horrific act when attempting to cross the rio grande and a law firm has assigned martin dye for pro bono representation of an under aged victim although martin s motivations are somewhat disingenuous his life is soon thrust into despair as he navigates through a perilous route involving corruption kidnapping narcotics murder and mysterious figures pushing him to juxtaposed ethical positions the story follows martin dye as his mission changes from helping an unfortunate victim to his own survival the border cities and towns of texas are friendly familial and move at a different pace than the rest of the country however there has

always been a dark underlying element that has become exasperated in recent years we tend to be bombarded with commentary of a pending wall and trafficking but the characteristics of the rio grande are far more complex than we are led to believe

South of the Rio Grande

2013-10

the historical record of the rio grande valley through much of the nineteenth century reveals well documented violence fueled by racial hatred national rivalries lack of governmental authority competition for resources and an international border that offered refuge to lawless men less noted is the region's other everyday reality one based on coexistence and cooperation among mexicans anglo americans and the native americans african americans and europeans who also inhabited the borderlands war and peace on the rio grande frontier 1830 1880 is a history of these parallel worlds focusing on a border that gave rise not only to violent conflict but also cooperation and economic and social advancement meeting here are the anglo americans who came to the border region to trade spread christianity and settle mexicans seeking opportunity in el norte native americans who raided american and mexican settlements alike for plunder and captives and europeans who crisscrossed the borderlands seeking new futures in a fluid frontier space historian miguel Ángel gonzález quiroga draws on national archives letters consular records periodicals and a host of other sources to give voice to borderlanders perspectives as he weaves their many varied stories into one sweeping narrative the tale he tells is one of economic connections and territorial disputes of refugees and bounty hunters speculation and stakeholding smuggling and theft and other activities in which economic considerations often carried more weight than racial prejudice spanning the anglo settlement of texas in the 1830s the texas revolution the republic of texas the us mexican war various indian wars the us civil war the french intervention into mexico and the final subjugation of borderlands indians by the combined forces of the us and mexican armies this is a magisterial work that forever alters complicates and enriches borderlands history published in association with the william p clements center for southwest studies at southern methodist university in dallas texas
