until recently the theory that people could have traversed large expanses of ocean in prehistoric times was considered

pseudoscience but recent discoveries in places as disparate as Australia, Labrador, Crete, California, and Chile open the possibility that ancient oceans were highways, not barriers, and that ancient people possessed the means and motives to traverse them. In this brief, thought-provoking but controversial book, Alice Kehoe considers the existing evidence in her reassessment of ancient sailing. Her book critically analyzes the growing body of evidence on prehistoric sailing to help scholars and students evaluate a highly controversial hypothesis. Examines evidence from archaeology, anthropology, botany, art, mythology, linguistics, maritime technology, architecture, paleopathology, and other disciplines. Presents her evidence in student-accessible language to allow instructors to use this work for teaching critical thinking skills.

this is a fully annotated edition of all the poems which can be confidently assigned to shakespeare excluding the sonnets it contains venus and adonis the rape of lucrece the phoenix and the turtle the passionate pilgrim and a lover s complaint john roe s introduction to the two long narrative poems examines their place within the classical and renaissance

European traditions comparing Shakespeare's poetry with that of Ovid, Livy, Chaucer, Ariosto, Marlowe, and Daniel in the light of Neoplatonic influences and courtly style. Some of these issues extend into the discussion of the various ways of reading *The Phoenix and the Turtle*. *The Passionate Pilgrim* is a miscellany of twenty sonnets and lyrics containing only five poems which are certain to be Shakespeare's. John Roe analyses the interesting enigma of the publisher's role in preparing the collection and the conditions in which it was produced. Evidence for and against Shakespeare's authorship of *A Lover's Complaint* is weighed. A reassessment of the much debated question of the poem's genre concludes that it is best treated as a narrative in the complaint mode. Book jacket.
