forced femininity saved my life one genderqueer on male privilege by kat callahan december 3 2014 1 23am in depth adding to the discourse around the conceptualisation of male

how to feel like a woman or why punishment is a drag

Jan 23 2024

the proper approach to assessing forced feminization is to focus on its oppressive structure not on the gender of its victims when we do so we can see what all victims along the spectrum of sexual and domestic abuse have in common and we can form social and legal responses accordingly

feminization activity wikipedia

Dec 22 2023

feminization or feminisation see spelling differences sometimes forced feminization shortened to forcefem or forced femme and also known as sissification is a practice in dominance and submission or kink subcultures involving reversal of gender roles and making a submissive male take on a feminine role which includes cross dressing
