the horngren system of instruction replicates the classroom  
experience by providing more i get it moments outside of  
class we ve talked to tons of poa instructors and our editors  
have even taken the accounting course numerous times to  
figure out the following issue in this course that is  
consistent students understand or get it right after you do a  
problem in class but as soon as they leave class with each  
passing hour their ability to do the problems again and  
complete their homework diminishes to the point of them  
either having to come to office hours to get help or they  
just quit and get behind in the course on top of this you can  
end up getting behind in the course as well in order to keep  
everyone on track the horngren system helps to recreate the i  
get it moments outside of class keeping both you and the

students on track
