cars and trucks of the past 25 years in the early 1990s demetrius big meeche flenory and his brother terry southwest t rose up from the slums of detroit to build one of the largest cocaine empires in american history the black mafia family after a decade in the drug game the flenorys had it all a fleet of maybachs bentleys and ferraris a 500 man workforce operating in six states and an estimated quarter of a billion in drug sales they socialized with music mogul sean diddy combs did business with new york s king of bling jacob the jeweler arabo and built allegiances with rap superstars young jeezy and fabolous yet even as bmf was attracting celebrity attention its crew members created a cult of violence that struck fear in a city and threatened to spill beyond the boundaries of the drug underworld ruthlessness fueled bmf s rise to incredible power greed and that same ruthlessness led to their downfall when the brothers began clashing in 2003 the flashy and beloved big meeche risked it all on a shot at legitimacy in the music industry at the same time a team of investigators who had pursued bmf for years began to prey on the organization s weaknesses utilizing a high stakes wiretap operation the feds inched toward their goal of destroying the flenory s empire and ending the reign of a crew suspected in the sale of thousands of kilos of cocaine and a half dozen unsolved
