academy awards were bestowed upon the original motion picture and the music from the soundtrack has become some of the most memorable of this generation now for concert band james barnes creates magic with over the rainbow ding dong the which is dead we re off to see the wizard the merry old land of oz and if i only had a brain this is a musical must have 6 24 during his years of living and teaching in oamaru new zealand james barnes became intimately involved in the maori culture through extensive research of the mythology of polynesia barnes succeeded in collecting stories passed on by ancient storytellers his variation of these 26 stories and folktales is included along with readers theatre interpretation and suggested presentation yankee ships and yankee sailors from james barnes 1866 1936 this critical volume includes the entire 1534 edition of a supplication a biographical sketch of barnes a bibliographical introduction a glossary of arcane words and an appendix that features the 1531 edition giving readers the chance to make their own comparison robert barnes 1495 1540 was perhaps the most important sixteenth century english protestant reformer after william tyndale the shifting religious and political views of henry viii positioned barnes at the opposite end of the popular ideology of the day culminating in his execution in 1540 soon after that of thomas cromwell a supplication vnto the most gracyous prince kynge henry the viij the first edition of which appeared in 1531 during barnes s german exile was a controversial lament for the religious climate in england and an earnest argument in favour of reform in this critical edition douglas h parker compares all extant versions of the text published in the sixteenth century focusing on the differences between the 1531 and 1534 editions parker argues that the differences between versions can be explained by barnes s increasing sensitivity to the unstable theological climate under henry viii as well as to the author s attempt to curry favour with the english government in 1534 this critical volume includes the entire 1534 edition of a supplication a biographical sketch of barnes a bibliographical introduction a glossary of arcane words and an appendix that features the 1531 edition giving readers the chance to make their own comparison this work is a long over due study of one of the most
