Worldcoin is designed to become the world's largest privacy-preserving human identity and financial network giving ownership to everyone. Worldcoin aims to provide universal access to the global economy no matter your country.

World A is the world in which Final Fantasy takes place. The world was never named in the original game but is referred to as World A in Dissidia 012 Final Fantasy. In addition to Final Fantasy, World A is also shown in the World Online Store.

World A is the second secret world and the tenth world that was first featured in the game Super Mario Bros. The lost levels coming after World 9, the Koopa Troopas from this world move faster than the normal ones in the game.

Countries and dependencies of the world in alphabetical order from A to Z and by letter showing current population estimates for 2016, density and land area.
