If I Am Not For Myself 1992 for over a century jews have been identified with liberalism not only have they been a driving force behind the spread of liberal politics they have also been steadfastly loyal to a doctrine that promised them both safety and political acceptance recent evidence suggests that their commitment has not waned but while jews continue to stand up for other groups and vote their conscience contends ruth wisse the liberal commitment to the jews is not nearly so strong whenever jews have been attacked from the trial of captain dreyfus to the sustained military and political war against israel liberals have been slow to defend jewish rights and have preferred instead to hold the jews responsible for the persistence of their enemies the explanation for this liberal default wisse argues is the survival and success of anti semitism this irrational idea continues to flourish throughout the world despite the destruction of the fascist and communist regimes that were its deadliest twentieth century allies wisse points out that anti semitism s astonishing resilience has put liberals including liberal jews in an impossible position the only reasonable response to such a doctrine wisse insists is not appeasement or avoidance but steadfast confrontation and rejection yet such opposition is alien to liberal ideas of open mindedness and strikes many as intolerant unwilling to suspend their optimistic view of man as a benevolent and rational being in order to combat a mortal enemy most liberals including many jews conclude that jews themselves must be responsible for the continuing wars against them thus implicitly condoning their sacrifice wisse s book inspired by afriend s emigration to israel traces the jewish romance with liberalism from its discovery by jewish integrationists and zionists to the acceptance today by many jews of a moral equivalence between zionism and the war against it she also explores among the many contradictions of modern jewish politics the ambiguous question of jewish chosenness and the jewish longing for acceptance in a larger human family the successful arab war of ideas against israel and the dilemma of jewish writers and intellectuals who wish to transcend their parochializing siege above all she shows how and why anti semitism became the twentieth century s most successful ideology and reveals what people in liberal democracies would have to do to prevent it from once again achieving its goal

Hunt for the Jews 2013-10-09 a revealing account of polish cooperation with nazis in wwii a grim compelling and significant scholarly study kirkus reviews between 1942 and 1943 thousands of jews escaped the fate of german death camps in poland as they sought refuge in the polish countryside the nazi death machine organized what they called judenjagd meaning hunt for the jews as a result of the judenjagd few of those who escaped the death camps would survive to see liberation as jan grabowski s penetrating microhistory reveals the majority of the jews in hiding perished as a consequence of betrayal by their polish neighbors hunt for the jews tells the story of the judenjagd in dabrowa tarnowska a rural county in southeastern poland drawing on materials from polish jewish and german sources created during and after the war grabowski documents the involvement of the local polish population in the process of detecting and killing the jews who sought their aid through detailed reconstruction of events grabowski offers incredible insight into how poles in rural poland reacted to and not infrequently were complicit with the german practice of genocide grabowski also implicitly challenges us to confront our own myths and to rethink how we narrate british and american history of responding to the holocaust european history quarterly

Hitler's Bounty Hunters 2005-04-01 why were the nazis so successful in deporting jews why did families such as anne frank s get turned in investigative journalist ad van liempt pulls back the curtain on the shocking practice of dutch bounty hunters of the jews and reveals that ordinary citizens were prepared to turn over their jewish countrymen in exchange for cash van liempt examines in great detail the careers of bounty hunters and describes some particularly horrifying cases the most gripping are those involving young children in one case two bounty hunters traveled hundreds of miles to get their hands on a two year old girl living in a safe house a month later she was gassed at sobibor in court the bounty hunters consistently maintained that they received no premiums for their work but the author shows the opposite to be true and traces the money involved this haunting book uncovers a facet of the holocaust that has previously been largely neglected and brings to

light the day to day workings of the persecution of the jews

The War Against the Jews and the Betrayal of the Jewish People 1996-08-01 david pryce jones believes that france has done more damage to the middle east than any other country france encouraged the mass immigration of arabs and that huge and growing minority in the country now believes that it has rights and claims which have not been met this minority also believes that israel should not exist middle east geo politics are spreading from french soil to an increasingly islamized europe

Betrayal 2008-05-25 this book aims to restore and recreate the life work and milieu of certain jews who became arbiters of taste exploring how against the odds outsiders on the margins of european high culture suddenly became the old masters new masters and the modernists champions

Belonging and Betrayal 2021 in the view of many contemporary scholars both jesus and judaism have been misrepresented by the church for the past two thousand years their main point is that judaism was not a superficial rigid and outdated religion and jesus did not reject it in fact along with his disciples he remained a law abiding jew his entire life however as christianity developed from a jewish sect in the first century ad to the official religion of the roman empire in the fourth century the church was transformed jesus was redefined and both jews and their religion were repudiated and marginalized in short both christians and jews were deeply affected by what many scholars now call the de judaization of jesus this book is an attempt to correct the traditional theological and scholarly misinterpretations of jesus and judaism that emerged over the first four centuries of the life of the church

The Great Betrayal 2018-11-27 from ambivalence to betrayal is the first study to explore the transformation in attitudes on the left toward the jews zionism and israel since the origins of european socialism in the 1840s until the present this pathbreaking synthesis reveals a striking continuity in negative stereotypes of jews contempt for judaism and negation of jewish national self determination from the days of karl marx to the current left wing intellectual assault on israel world renowned expert on the history of antisemitism robert s wistrich provides not only a powerful analysis of how and why the left emerged as a spearhead of anti israel sentiment but also new insights into the wider involvement of jews in radical movements there are fascinating portraits of marx moles hess bernard lazare rosa luxemburg leon trotsky and other jewish intellectuals alongside analyses of the darker face of socialist and communist antisemitism the closing section eloquently exposes the degeneration of leftist anti zionist critiques into a novel form of anti racist racism

From Ambivalence to Betrayal 2012-06-01 a profoundly moving history of italy s jews under the shadow of the holocaust told through the lives of five jewish italian families the ovazzas of turin who prospered under mussolini and whose patriarch became a prominent fascist the foas of turin whose children included both an antifascist activist and a fascist party member the di verolis of rome who struggled for survival in the ghetto the teglios of genoa one of whom worked with the catholic church to save hundreds of jews and the schonheits of ferrara who were sent to buchenwald and ravenbruck an extraordinary montage that resurrects a forgotten and tragic era

Benevolence and Betrayal 1991 it has now been more than forty years since president john f kennedy was assassinated on the streets of dallas on november 22 1963 no event in the post war era not even the terrorist attacks of september 11 2001 has cast such a long shadow over our national life the murder of the handsome and vigorous president shocked the nation to its core and shook the faith of many americans in their institutions and way of life the repercussions from that event continue to be felt down to the present day looking back it is now clear that kennedy s death marked a historical crossroads after which point events began to move in surprising and destructive directions in camelot and the cultural revolution how the assassination of john f kennedy shattered american liberalism james piereson examines this seminal event from an entirely new and provocative point of view most books on the assassination take up the question as to

who was really responsible for killing the president mr piereson takes it as established fact that kennedy was killed by lee harvey oswald what needs to be explained he argues is the bizarre aftermath of the assassination why in the years after the assassination did the american left become preoccupied with conspiratorial thinking how and why was john f kennedy transformed in death into a liberal icon and a martyr for civil rights in what way was the assassination linked to the collapse of mid century liberalism a doctrine which until 1963 was the reigning philosophy of the nation in answering these questions piereson places great weight on the influence of jacqueline kennedy in shaping public memory of her husband and the meaning of his death the kennedy assassination he argues is a case study in public myth making and the ways in which images and symbols can override fact and substance in political life

Betrayal at the Vel D'Hiv 1969 a theological interpretation of the history of jew hatred in christendom that reveals the interplay between the rational and irrational religious and racial components that led to the holocaust

Betrayal 2011-02 the realities of nazi persecution in the holocaust the first book to comprehensively examine the stories of the people who betrayed jews in the second world war who betrayed the jews is a ground breaking study that examines the various ways jews were betrayed by their fellow countrymen during the second world war in many cases they regarded themselves as hungarians frenchmen etc first and jews second so persecution came as a terrible shock to them many had fought for their country in the first world war but this offered no protection not even for those awarded the iron cross their neighbours and school friends betrayed them to the authorities in turn the authorities legally withdrew their rights and also stripped them of their possessions under aryanization policies bodies such as the police and railway companies co operated with the nazis in transporting jews to their deaths the betrayal did not end in 1945 there is evidence of holocaust survivors being attacked as they returned home in who betrayed the jews historian agnes grunwald spier reveals among other accounts the story of prosper de zitter a nazi conspirator who betrayed hundreds of jews to the gestapo author agnes grunwald spier was born in budapest in july 1944 after fortune saved them from deportation to auschwitz she and her mother were sent to the budapest ghetto in november 1944 and were liberated in january 1945 a former civil servant agnes holds degrees in history politics and holocaust studies and was a founder trustee of the holocaust memorial day trust she was a member of the board of deputies of british jews for 15 years a member of the architects registration board and a justice of the peace for 30 years she is the author of the other schindlers the history press 2010 selling points a contrasting book to the author s successful the other schindlers controversial subject matter 8pp plates 16 b w illustrations

Betrayal of Spirit 2007-01-01 are you not a man of god challenges the accepted readings of several iconic supporting characters from canonical stories of jewish tradition these characters have been appropriated throughout history to represent and reinforce central cultural values the binding of isaac and the religious value of sacrificing relationship for a higher purpose the biblical hannah appropriated by the rabbis as an archetype of the spirit and practice of prayer the talmudic beruriah and the significance of women s learning and knowledge and the struggle for intellectual autonomy of the rabbis of the talmudic story known by its tag line it is not in heaven tova hartman and charlie buckholtz make use of religious psychological philosophical and literary perspectives to bring these characters to life in their multiple incarnations examining the varied symbolic uses to which they have been put and their cultural impact these are all texts that have been studied widely and characters that are well known this study shows however that the dominant interpretations have served to mask darker more insightful and ultimately more critical dimensions of these important figures hartman and buckholtz discover muted voices of personal betrayal and criticism that resonate as damning social critiques of the rabbis themselves these critiques often highlight the ways in which cultural authorities use and abuse their power and the implications of these systemic moral failings for their legitimacy as communal leaders in these voices of social criticism the rabbis evince an awareness of their own vulnerability to such abuses and failings as well as their hurtful

marginalizing effects on members of less powerful social groups

Who Betrayed the Jews? 2016 the shocking story of israel's betrayal by the western powers

Are You Not a Man of God? 2014-04 000000 0000000000

Betrayal 2023 this is a history of western culture divided into two parts the first concerns the aggressive championing of monotheism by jewish people as their distinctive national culture although they only fell into or embraced it late in their development jesus offended by proposing an inversion of the divine protocols and an agenda more in harmony with international political realities the one god proposed to use the jews to reach and transform the entire human race which was the actual object of his redemptive and creative energies with the renaissance widening opportunities for study travel learning and discovery authorities had greater difficulty justifying limitations on individuals freedom of expression of heterodox artistic political philosophical or religious positions this book explores the difficult modern psychological adjustment of dealing with a world with diminishing centers of authority where it often seems as if no one is in charge while also doing justice to one's feelings of frustration and lack of fulfillment without becoming a radical narcissist

The Secret War Against the Jews 1994 the events surrounding the holidays molded the foundation of the jews as a nation and are related to their continuity and survival as jews throughout history in the jewish holidays a journey through history author larry domnitch contends that there is a cyclical nature to the events of jewish history he writes the events that make up the themes of the jewish holidays did not occur in a vacuum but have recurred throughout history the actual israelite exodus from egypt or the receiving of the torah at mount sinai as celebrated on shavuot may have occurred once but in a sense the themes conveyed by those momentous events have been repeated over the centuries this book attempts to give the reader an appreciation of the cyclical nature of jewish history and a greater appreciation of the holidays and their relevance throughout jewish history

0000000000000000 2008-05 in the view of many contemporary scholars both jesus and judaism have been misrepresented by the church for the past two thousand years their main point is that judaism was not a superficial rigid and outdated religion and jesus did not reject it in fact along with his disciples he remained a law abiding jew his entire life however as christianity developed from a jewish sect in the first century ad to the official religion of the roman empire in the fourth century the church was transformed jesus was redefined and both jews and their religion were repudiated and marginalized in short both christians and jews were deeply affected by what many scholars now call the de judaization of jesus this book is an attempt to correct the traditional theological and scholarly misinterpretations of jesus and judaism that emerged over the first four centuries of the life of the church

Betrayal and Survival and Beyond 2009 how did the academy react to the rise dominance and ultimate fall of germany's third reich did german professors of the humanities have to tell themselves lies about their regime's activities or its victims to sleep at night did they endorse the regime or did they look the other way whether out of deliberate denial or out of fear for their own personal safety the betrayal of the humanities the university during the third reich is a collection of groundbreaking essays that shed light on this previously overlooked piece of history the betrayal of the humanities accepts the regrettable news that academics and intellectuals in nazi germany betrayed the humanities and explores what went wrong what occurred at the universities and what happened to the major disciplines of the humanities under national socialism the betrayal of the humanities details not only how individual scholars particular departments and even entire universities collaborated with the nazi regime but also examines the legacy of this era on higher education in germany in particular it looks at the peculiar position of many german scholars in the post war world having to defend their own work or the work of their mentors while simultaneously not appearing to accept nazism

Christian Inversion of Jewish Nationalist Monotheism, and its Modern Romantic-Narcissist Betrayal 2023-11-03 betrayal loudly rings the alarm for a somnolent american jewry read it and wake others daniel pipes president of the middle east forum if you think it s time for the american jewish community its organizations and its leadership to have an honest challenging vigorous debate about where we are going and what mistakes we have made then read this important illuminating sometimes depressing but ultimately inspiring book gil troy distinguished scholar of north american history at mcgill university and editor of the three volume set theodor herzl Zionist writings this book perhaps the first devoted to this topic documents the devastating failure of the jewish establishment including its leaders and major donors to defend and protect american jews as anti semitism surges across the country it is a collection of essays by writers who care about the welfare of the jewish community some of the essayists are prominent some are local activists engaged in ongoing battles to defend the community some essays offer analyses others give disturbing in depth accounts of the failures themselves all of them rebuke the jewish leaders and institutions who have abandoned their responsibilities while jewish leaders cling to a utopian belief system which comports with their naïve political ideology the ugly reality their mindset ignores only worsens betrayed by their leaders the essayists argue american jews require new strong leadership the book itself is an expanded version of a collection published in the spring 2022 issue of white rose magazine a publication which promotes classical liberalism in the face of political extremism and is named in honor of the anti nazi white rose resistance movement featuring essays by jonathan s tobin richard a landes joshua block rebecca sugar caroline b glick naya lekht richard kronenfeld bruce d abramson thane rosenbaum morton a klein alan m dershowitz rabbi cary kozberg m zuhdi jasser william a jacobson johanna e markind rebecca g schgallis karen d hurvitz joanne bregman lauri b regan dr amy rosenthal josh ravitch henry srebrnik ben poser

The Jewish Holidays 2000-03-31 these images which reached a broad and socially varied audience across western europe appeared in virtually all artistic media including illuminated manuscripts stained glass sculpture metalwork and tapestry

The Great Betrayal 2018-11-27 more praises you need to know everything in gob if you are to understand the subversive forces which are destroying our nation our white heritage gp gob is the one phenomenal underground book that if read by enough people will turn america upside down ss 1 4 million words no greater action exists that you now can do for our cause than to spread gobs message hidden truths revealed never before combined in one book the most important book of the 21st century published at locations worldwide nsl chose to be the mouthpiece against the schemers before his own voice is stilled you ll be fascinated by my uncoverings be satisfied that this is the final word in exposing the lying deceivers so give your commitment to spreading gobs iconoclastic scholarly research n s leumas he is multiply published in all genres he has voraciously studied everything historical since ancient times revealing connected links of ramifications up to present times he excels in history research gob took him 25 years to complete

The Betrayal of the Humanities 2022-09-06 first published in 1998 routledge is an imprint of taylor francis an informa company

Betrayal 2023-05-22 how has fundamentalism betrayed the true spirit of islam this fully revised and expanded edition of the critically acclaimed book provides answers to this question and contains a new essay on the role of women in islam an updated chapter containing insights into the true nature of the jih three fully revised chapters that bring the discussion up to date with the current global situation a revised introduction book jacket

Saracens, Demons, & Jews 2003 polin is a leading forum for authoritative historical and cultural material on polish and east european jewry each volume contains articles representing original research often including previously unpublished documents each issue also features an extensive review essay section and a forum for the exchange of ideas and views between authors polin should be useful reading not only for all those working in jewish studies but also for those involved in slavonic and east european studies

GENERATIONS OF BETRAYAL 2014-10-17 fighting to reclaim the french crown for the bourbons the duchesse de berry faces betrayal at the hands of one of her closest advisors in this dramatic history of power and revolution the year was 1832 a cholera pandemic raged and the french royal family was in exile driven out by yet another revolution from a drafty scottish castle the duchesse de berry the mother of the eleven year old heir to the throne hatched a plot to restore the bourbon dynasty for months she commanded a guerilla army and evaded capture by disguising herself as a man but soon she was betrayed by her trusted advisor simon deutz the son of france s chief rabbi the betrayal became a cause célèbre for bourbon loyalists and ignited a firestorm of hate against france s jews by blaming an entire people for the actions of a single man the duchess s supporters set the terms for the century of antisemitism that followed brimming with intrigue and lush detail the betrayal of the duchess is the riveting story of a high spirited woman the charming but volatile young man who double crossed her and the birth of one of the modern world s most deadly forms of hatred

The Jews of Bielorussia During World War II 1998 at the end of world war ii the allies faced a threefold challenge how to punish perpetrators of appalling crimes for which the categories of genocide and crimes against humanity had to be coined how to explain that these had been committed by germany of all nations and how to reform germans the allied answer to this conundrum was the application of historical reasoning to legal procedure in the thirteen nuremberg trials held between 1945 and 1949 and in corresponding cases elsewhere a concerted effort was made to punish key perpetrators while at the same time providing a complex analysis of the nazi state and german history building on a long debate about germany s divergence from a presumed western path of development allied prosecutors sketched a historical trajectory which had led germany to betray the western model historical reasoning both accounted for the moral breakdown of a civilised nation and rendered plausible arguments that this had indeed been a collective failure rather than one of a small criminal clique the prosecutors therefore carefully laid out how institutions such as private enterprise academic science the military or bureaucracy which looked ostensibly similar to their opposite numbers in the allied nations had been corrupted in germany even before hitler s rise to power while the argument depending on individual protagonists subject matters and contexts met with uneven success in court it offered a final twist which was of obvious appeal in the cold war to come if germany had lost its way it could still be brought back into the western fold the first comprehensive study of the nuremberg trials the betrayal thus also explores how history underpins transitional trials as we encounter them in today s courtrooms from arusha to the hague

Islam, Fundamentalism, and the Betrayal of Tradition 2009 seamlessly combines analytic rigor with personal memoir its arguments are drawn from political history biblical commentary novels and biographies amélie rorty tufts university adultery treason and apostasy no longer carry the weight they once did yet we constantly see and hear stories of betrayal avishai margalit argues that the tension between the ubiquity of betrayal and the loosening of its hold is a sign of the strain between ethics and morality between thick and thin human relations on betrayal offers a philosophical account of thick human relations relationships with friends family and core communities through their pathology betrayal judgments of betrayal often shift unreliably a traitor to one side is a hero to the other yet the notion of what it means to betray is remarkably consistent across cultures and eras betrayal undermines thick trust dissolving the glue that holds our most meaningful relationships together on betrayal is about ethics what we owe to the people and groups that give us our sense of belonging drawing on literary historical and personal sources maraglit examines what our thick relationships are and should be and revives the long discarded notion of fraternity provocative and illuminating michael walzer institute for advanced study witty and wise precise and profound on betrayal is an easy but deep read it sees life as it really is with all its turmoil the christian century the range of margalit s examples is astonishing he is much more knowledgeable about and comfortable with communities and in communities than most philosophers are and so he is very good

at recognizing when they go wrong new york review of books

Poles and Jews 2004 the christian betrayal of the united states theorizes that 100 of the problems of the united states have their root in the conservative bible believing christian church of this country countless books by liberal christians or by non christians have accused the christian right of being a dangerous segment of our country following the principles of the christian right will lead to tyranny so the theory goes the christian betrayal of the united states takes a very different tack according to the author the bible believing christians have betrayed their country already by their actions in many distinct arenas of life those who have cursed the bible believing christians as being too christian have got it exactly backward they may curse christians again when they understand that christians were not christian enough the author far from being a liberal christian or a humanist is a self professed conservative bible believing christian he strives to show how his own people have betrayed their nation it is a dark story on the brighter side the author also tries to grope toward a solution of the problems he and his people have caused

The Betrayal of the Duchess 2020-04-14 now available in paperback for the first time jewish writers of the twentieth century is both a comprehensive reference resource and a springboard for further study this volume examines canonical jewish writers less well known authors of yiddish and hebrew and emerging israeli writers includes entries on figures as diverse as marcel proust franz kafka tristan tzara eugene ionesco harold pinter tom stoppard arthur miller saul bellow nadine gordimer and woody allen contains introductory essays on jewish american writing holocaust literature and memoirs yiddish writing and anglo jewish literature provides a chronology of twentieth century jewish writers compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading

The Betrayal 2018-05-17 this study explores the dynamics of violence within john s gospel focusing on the portrayal of the character of jesus it offers an understanding of the johannine jesus that counters the traditional model of a serene figure who maintains sovereign control over his environment establishing the prevalence of material indicating opposition to jesus it argues that his experience and perception of victimization are key to his identity furthermore it is suggested that jesus colludes with his victimizers raising the issue of who is responsible for his betrayal and death drawing on the disciplines of victimology literary criticism and liberation theology the work comprises targeted exegesis of substantial portions of the gospel revealing the prominence of the theme of violence and raising a number of christological questions

On Betrayal 2017-02-06 yasser arafat s incremental conquest of israel was learned at the feet of the north vietnamese in 1970 the vietnamese told the arab leadership that they accepted the fact that victory in vietnam would take many years during which it would be necessary to temporarily accept the division of the country into two states while they worked for a shift in the balance of power in this the vietnamese were smart enough to permit the americans to save face they had no intention of respecting the agreements they signed with the united states the point was to provide political cover for the american retreat today barack obama is giving the arabs the same opportunity as nixon gave the vietnamese obama told a muslim audience in cairo in the first months of his administration that america s support for israel was unbreakable even as he moved to compel jerusalem to cede even more territory to its enemies in this new broadside michael ledeen asks why the obama administration has chosen this course and examines what this betrayal means for israel and the world at large

The Christian Betrayal of the United States 2010-10-22 on the murderous road to racial purity hitler encountered unexpected detours largely due to his own crazed views and inconsistent policies regarding jewish identity after centuries of jewish assimilation and intermarriage in

german society he discovered that eliminating jews from the rest of the population was more difficult than he d anticipated as bryan rigg shows in this provocative new study nowhere was that heinous process more fraught with contradiction and confusion than in the german military contrary to conventional views rigg reveals that a startlingly large number of german military men were classified by the nazis as jews or partial jews mischlinge in the wake of racial laws first enacted in the mid 1930s rigg demonstrates that the actual number was much higher than previously thought perhaps as many as 150 000 men including decorated veterans and high ranking officers even generals and admirals as rigg fully documents for the first time a great many of these men did not even consider themselves jewish and had embraced the military as a way of life and as devoted patriots eager to serve a revived german nation in turn they had been embraced by the wehrmacht which prior to hitler had given little thought to the race of these men but which was now forced to look deeply into the ancestry of its soldiers the process of investigation and removal however was marred by a highly inconsistent application of nazi law numerous exemptions were made in order to allow a soldier to stay within the ranks or to spare a soldier s parent spouse or other relative from incarceration or far worse hitler s own signature can be found on many of these exemption orders but as the war dragged on nazi politics came to trump military logic even in the face of the wehrmacht s growing manpower needs closing legal loopholes and making it virtually impossible for these soldiers to escape the fate of millions of other victims of the third reich based on a deep and wide ranging research in archival and secondary sources as well as extensive interviews with more than four hundred mischlinge and their relatives rigg s study breaks truly new ground in a crowded field and shows from yet another angle the extremely flawed dishonest demeaning and tragic essence of hitler s rule

The Routledge Encyclopedia of Jewish Writers of the Twentieth Century 2004-11-23 survivor transitional narratives of nazi era destruction the second liberation examines the historical circumstances that gave rise in the 1960s to the first cohort of nazi era survivors who massed a public campaign focusing on remembrance of nazi racial crimes the survivors decision to engage and disquiet a public audience occurred against the backdrop of the frankfurt auschwitz trial and the west german debate over the enforcement of statutory limitations for prosecuting former nazis dennis b klein focuses on the accounts of three survivors jean améry an austrian ex patriot who joined the belgian resistance during the war vladimir jankélévitch a member of the french resistance and simon wiesenthal who dedicated his life after the war to investigating nazi crimes as klein argues their accounts in addition to acting as a reminder of nazi era endemic criminality express a longing for human fellowship this contextual and interdisciplinary interpretation illustrates the explanatory significance of contemporary events and individual responses to them in shaping the memory and legacy of nazi era destruction it is essential reading for students and scholars of the nazi era and its legacy genocide studies jewish studies and the history of emotions
