## ***A Very Bad Wizard 2016-05-26***

in the first edition of a very bad wizard morality behind the curtain nine conversations philosopher tamler sommers talked with an interdisciplinary group of the world's leading researchers from the fields of social psychology moral philosophy cognitive science and primatology all working on the same issue the origins and workings of morality together these nine interviews pulled back some of the curtain not only on our moral lives but through sommers probing entertaining and well informed questions on the way morality traditionally has been studied this second edition increases the subject matter adding eight additional interviews and offering features that will make a very bad wizard more useful in undergraduate classrooms these features include structuring all chapters around sections and themes familiar in a course in ethics or moral psychology providing follow up podcasts for some of the interviews which will delve into certain issues from the conversations in a more informal manner including an expanded and annotated reading list with relevant primary sources at the end of each interview presenting instructor and student resources online in a companion website the resulting new publication promises to synthesize and make accessible the latest interdisciplinary research to offer a brand new way to teach philosophical ethics and moral psychology

## ***Very Bad Wizard 2019-06-25***

when student wizard phadrig tries his best to master his magical talents he finds his best doesn't make for a very good wizard when he tries his hand at tracking down a lost pet or a missing person he finds he may just have some talent after all the city watch finds themselves faced with a mysterious string of crimes in the kingdom's capital city drawn into consulting on cases along with his new assistant phadrig finds that the watch's new way of dealing with crime may have uncovered a threat to the very foundation of the kingdom itself it may be that the kingdom's best hope is a very bad wizard

## ***A Very Bad Wizard 2016-05-26***

in the first edition of a very bad wizard morality behind the curtain nine conversations philosopher tamler sommers talked with an interdisciplinary group of the world's leading researchers from the fields of social psychology moral philosophy cognitive science and primatology all working on the same issue the origins and workings of morality together these nine interviews pulled back some of the curtain not only on our moral lives but through sommers probing entertaining and well informed questions on the way morality traditionally has been studied this second edition increases the subject matter adding eight

additional interviews and offering features that will make a very bad wizard more useful in undergraduate classrooms these features include structuring all chapters around sections and themes familiar in a course in ethics or moral psychology providing follow up podcasts for some of the interviews which will delve into certain issues from the conversations in a more informal manner including an expanded and annotated reading list with relevant primary sources at the end of each interview presenting instructor and student resources online in a companion website the resulting new publication promises to synthesize and make accessible the latest interdisciplinary research to offer a brand new way to teach philosophical ethics and moral psychology

**The Wizard of Oz** 2005-07-01

[REDACTED]

**What Does It Mean to Grow Old?** 1987-08

in what does it mean to grow old essayists come to grips as best they can with the phenomenon of an america that is about to become the old country they have been drawn from every relevant discipline gerontology social medicine politics health anthropology ethics law and asked to speak their mind most of them write extremely well and their sharply individual voices are heard

**Oz in Perspective** 2015-03-26

when moviegoers accompany dorothy through the gates of the emerald city they may think they have discovered all there is to see of oz but as real friends of the wizard know more lies behind the curtain the wonderful wizard of oz on which the 1939 film was based was only the first of 14 oz books together these works constitute a series rich in allusions to a broad range of literary traditions including fairy tale myth epic the picaresque novel and visions of utopia reflecting on l frank baum s entire series of full length oz books this study introduces readers to the great folklorist who created not only dorothy and friends but countless wonderful characters who still await discovery close analysis of each book invites readers to search baum s fascinating stories for meaning and mythical quality progressing chronologically through the canon the author discusses literary devices and important thematic implications in each book

arguing that baum wrote for the pleasure of both children and adults both to provide entertainment and to teach moral lessons of particular significance is the argument sustained over several chapters that baum modeled his oz books on classic mythical patterns rewriting oz history in nearly every book to produce a different set of backgrounds and a different conception of utopia for his imaginary kingdom this variety of backgrounds and archetypes gives baum s books a truly universal appeal examinations of his non oz books and his other oz works such as little wizard stories of oz and the woggle bug book illuminate the discussion of the oz novels

## **The Wizard's Illusion *2022-05-16***

in a world of increasingly strident identity politics a theological approach claiming no more than the outworking of subjectivist sentiment offers no remedy what if a key factor in this predicament is a misrepresentation of the operation of metaphor this acknowledged building block of language looks set to become a mere component of the wearer s spectacles the consequences for theology philosophy literature and even the sciences are yet to be charted this book takes readers on a journey to the land of oz and asks whether our culture while discarding past errors can reconnect with the spiritual bonds that underpin language truth in its various forms and identity companions on the road are dorothy and her friends sallie mcfague and the wizard paul ricœur and c s lewis and others

## ***Honestly 2010-12-21***

i know firsthand the desperation a human soul can feel when every earthly remedy fails i also know how powerfully god can intervene when we fall on our faces before him sheila walshtalented and beautiful sheila walsh seemed to be on top of the world but behind her public success as a performing artist and talk show host a private story was unfolding unable to cope with the inner turmoil that plagued her sheila stepped down as co host of television s 700 club to deal with a pain too pressing to ignore honestly takes you on a journey past the walls that most of us put up and into the recesses of one woman s heart with rare grace sheila shares the story of her pilgrimage the journey of a soul as it moved from hopelessness to honesty to freedom and ultimately to a life of deepened faith and joy

## ***God Has a Dream for Your Life 2009-05-03***

it's never too late to remember who you are it's never too late to dream big dreams and discover that god loves you in ways you cannot yet imagine do you dare believe in a god who wants to make your dreams come true it seems like there is no time to dream these days yet the bible is full of dreamers those who exchanged their old dreams for new ones and those who received unexpected dreams from god that changed the course of history best selling author sheila walsh gives warm hearted stories of real people interwoven with biblical insight to help you discover god's dream for your life

## ***Bad Wizard 2014-10***

in 1892 oscar zoroaster diggs turned up in topeka with a suitcase full of high quality emeralds instantly the richest man in kansas his winning smile and keen mind launched him into a meteoric political career as secretary of war under teddy roosevelt diggs oversees the construction of the ultimate tool for spreading democracy a fleet of rigid airships dorothy gale a reporter for the kansas ear is the one person who knows the truth about diggs she met him ten years prior in the emerald city where he ruled as the wizard but how can she explain to her editor that diggs intends to use his aerial navy to invade an island in the clouds ruled by witches stopping diggs is going to take more than the power of the press she'll need the help of old friends and maybe a winged monkey as she pursues the wizard across the wondrous and deadly land of oz

## ***A Liberated Mind 2019-08-27***

over the last 35 years steven c hayes and his colleagues have developed acceptance and commitment therapy act with many hundreds of studies supporting the impact of his approach on everything from chronic pain to weight loss to prejudice and bigotry a liberated mind is the summary of steven's life's work which will teach readers how to live better happier and more fulfilled lives by applying the six key processes of act put together these processes teach us to pivot to defuse rather than fuse with our thoughts to see life from a new perspective and to discover our chosen values those qualities of being that fuel meaning steve shares fascinating research results like how act techniques decreased typing errors on a clerical test or showed that positive affirmations actually increase negative emotion and he weaves them with stories of clients and colleagues as well as his own riveting story of healing himself of a severe panic disorder which is how the idea of psychological flexibility was born a liberated mind is a powerful and important book about a new form of

psychology destined to become a modern classic of narrative psychology on par with *daring greatly* and *rising strong* by Brene Brown or Carol Dweck's *mindset*

### ***Loved Back to Life 2015-02-03***

Join Sheila Walsh on her journey from despair to joy. Beautiful and talented Sheila Walsh was at the pinnacle of her career appearing daily on television as cohost of the 700 Club. One day she found herself walking away from it all and checking in to a psychiatric hospital where she stayed for a month. From the outside everything seemed fine, but on the inside Sheila was in trouble. In her journal she wrote, "Lord, please hold me. I'm falling into a dark well. I feel as if I am disappearing a little more every day. I am so angry inside that I am afraid of myself. I feel so alone. How did this happen? What brought her to her knees?" *Loved Back to Life* takes readers on Sheila's journey of the soul from hopelessness to joy as she finds that although the road was scary at every turn, God beckoned her to follow and trust Him, and He did not let her down.

### ***Children's Literature and Learner Empowerment 2013-07-22***

Children's literature can be a powerful way to encourage and empower EFL students but is less commonly used in the classroom than adult literature. This text provides a comprehensive introduction to children's and young adult literature in EFL teaching. It demonstrates the complexity of children's literature and how it can encourage an active community of second language readers with multilayered picturebooks, fairy tales, graphic novels, and radical young adult fiction. It examines the opportunities of children's literature in EFL teacher education, including the intertextuality of children's literature as a gate opener for canonised adult literature, the rich patterning of children's literature supporting creative writing, the potential of interactive drama projects, close readings of texts at the centre of contemporary literary scholarship yet largely unknown in the EFL world, provide an invaluable guide for teacher educators and student teachers. Including works by David Almond, Anthony Browne, Philip Pullman, and J.K. Rowling, introducing a range of genres and their significance for EFL teaching, this study makes an important new approach accessible for EFL teachers, student teachers, and teacher educators.

## **Breathe Restlessness into Me *2024-02-27***

ted loder continues to inspire readers with his powerful prayers sermons and reflections his books speak to the human experience drawing out the beauty and struggle as we respond to the grace of god loder is perhaps best known for guerrillas of grace prayers for the battle which speaks to the battle christians face against the principalities and powers where our weapon is prayer wrestling the light ache and awe in the human divine struggle gives expression to the human struggle to meet god in our daily lives where god calls and invites us to join him in his grace while loder may be recognized for his prayers the haunt of grace responses to the mystery of god s presence is a book of his sermons from his time as a senior pastor for over forty years finally tracks in the straw tales spun from the manger is loder s presentation of the birth story of jesus from different perspectives and voices helping us to explore the deeper meaning of christmas the collection provides the reader with some of ted loder s most memorable works with a variety of meditations for reflection

## **The Bullet Journal Method *2018-10-23***

new york times bestseller there s a reason this system for time management goal setting and intentional living has been adopted by millions around the globe it works not only will you get more done but you ll get the right things done all you need is a pen paper and five spare minutes a day in the bullet journal method ryder carroll the system s founder provides an essential guide to avoiding all too common beginner mistakes and building a core discipline from which you can personalize your practice you ll not only learn to organize your tasks but to focus your time and energy in pursuit of what s truly meaningful to you by following three simple steps track the past create a clear and comprehensive record of your thoughts order the present find daily calm and clarity by tackling your to do list in a more mindful systematic and productive way design the future transform your vague curiosities into meaningful goals and then break those goals into manageable action steps that lead to big change whether you re a frustrated list maker an overwhelmed multitasker or a creative who needs some structure the bullet journal method will help you go from passenger to pilot of your own life

## **Analyzing meaning: An introduction to semantics and pragmatics. Third edition *2022-09-28***

this book provides an introduction to the study of meaning in human language from a linguistic perspective it covers a fairly broad range of topics including lexical semantics compositional semantics and pragmatics the chapters are organized into six units 1 foundational concepts 2 word meanings 3 implicature including indirect speech acts 4 compositional semantics 5 modals conditionals and causation 6 tense aspect most of the chapters include exercises which can be used for class discussion and or homework assignments and each chapter contains references for additional reading on the topics covered as the title indicates this book is truly an introduction it provides a solid foundation which will prepare students to take more advanced and specialized courses in semantics and or pragmatics it is also intended as a reference for fieldworkers doing primary research on under documented languages to help them write grammatical descriptions that deal carefully and clearly with semantic issues the approach adopted here is largely descriptive and non formal or in some places semi formal although some basic logical notation is introduced the book is written at level which should be appropriate for advanced undergraduate or beginning graduate students it presupposes some previous coursework in linguistics but does not presuppose any background in formal logic or set theory

## **God's Coach *2014-01-28***

hold onto faith david robert anderson answers this question with a resounding yes with anderson as friend and guide we discover that what once seemed an ending is actually a promising beginning an invitation into a more authentic and very different spiritual experience

### ***Losing Your Faith, Finding Your Soul 2013-09-17***

elliott s absorbing account will make readers think again about the ways that science shapes our personal identities american scientist americans have always been the world s most anxiously enthusiastic consumers of enhancement technologies prozac viagra and botox injections are only the latest manifestations of a familiar pattern enthusiastic adoption public hand wringing an occasional congressional hearing and calls for self reliance in a brilliant diagnosis of our reactions to self improvement technologies carl elliott asks questions that illuminate deep currents in the american character why do we feel uneasy about these drugs procedures and therapies even while we embrace them where do we draw the line between self and society why do we seek self realization in ways so heavily influenced by cultural conformity

### ***Better Than Well: American Medicine Meets the American Dream 2004-06-17***

geographical information systems gis either as standard gis or custom made historical gis hgis have become quite popular in some historical sub disciplines such as economic and social history or historical geography mainstream history however seems to be rather unaffected by this trend more generally speaking why is it that computer applications in general have failed to make much headway in history departments despite the first steps being undertaken a good forty years ago with the spatial turn in full swing in the humanities and many historians dealing with spatial and geographical questions one would think gis would be welcomed with open arms yet there seems to be no general anticipation by historians of employing gis as a research tool as mentioned hgis are popular chiefly among historical geographers and social and economic historians the latter disciplines seem to be predestined to use such software through the widespread quantitative methodology these disciplines have employed traditionally other historical sub disciplines such as ancient history are also very open to this emerging technology since the scarcity of written sources in this field can be mitigated by inferences made from an hgis that has archaeological data stored in it for example in most of modern history however the use of gis is rarely seen the intellectual benefit that a gis may bring about seems not be apparent to scholars from this sub discipline and others this book wants to investigate and discuss this controversy why does the wider historian community not embrace gis more readily while one cannot deny that the methodologies linked with a gis follow geographical paradigms rather than

historical ones the potential of gis as a killer application for digital historical scholarship should be obvious this book brings together authors from geography and history to discuss the value of gis for historical research the focus however will not be on the how but on the why of gis in history

## ***History and GIS 2012-12-05***

the book of jonah stands unique among the biblical books of the prophets because it is almost entirely narrative and in contrast to all the other prophets portrayed as admirable individuals who bravely speak god s word jonah stands out as flawed and fleeing from god we are drawn to jonah because god gives him an opportunity to redeem himself his experience inspires us to find our own second chances and our own paths to meaningful growth jonah and the meaning of our lives draws on commentaries of rashi ibn ezra kimchi abarbanel and the malbim as well as contemporary culture and personal experiences to reveal the hidden meanings of this perplexing biblical story in so doing it explores many of the larger questions and topics we face including human nature our relationship with god and how we understand ourselves and lead our lives rabbi steven bob s verse by verse commentary intimately connects the ancient wisdom of the text with the reality of our own lives providing us with inspiration and guidance

## ***Jonah and the Meaning of Our Lives 2016-04-01***

teaching is one of the most generative selfless and inscrutable of human encounters requiring that we leave ourselves behind and that we bring ourselves along that we deny ourselves and use ourselves that we surmount our personal histories and rely on them to understand personal histories in the making the raising of raspberries and the teaching of children became for me companion activities the one informed my understanding of the other the virtues of a gardener patience realism regularity of effort careful and long term planning are also the virtues also of a teacher a child wants tending as much as a garden the most beautiful strains of character or flower are often the most fragile and require the most careful cultivation neglect and a want of love are the greatest enemies of gardens and children no more than flowers do habits of the mind and heart spring full grown what is required of a gardener or a teacher is an active and tireless labor that appreciates things as they are and realistically imagines what they might become

## **Raspberries and Children 2009-05**

this book explores stage conjuring during its golden age from about 1860 to 1910 this study provides close readings highlighting four paradigmatic illusions of the time that stand in for different kinds of illusions typical of stage magic in the golden age and analyses them within their cultural and media historical context pepper s ghost the archetypical mirror illusion the vanishing lady staging a teleportation in a time of a dizzying acceleration of transport the levitation simulating weightlessness with the help of an extended steel machinery and the second sight a mind reading illusion using up to date communication technologies these close readings are completed by writings focusing on visual media and expanding the scope backwards and forwards in time roughly to 1800 and to 2000 this exploration will be of great interest to students and scholars in theatre and performance studies

## **Techniques of Illusion 2023-05-03**

this book encapsulates john beebe s influential work on the analytical psychology of consciousness building on c g jung s theory of psychological types and on subsequent clarifications by marie louise von franz and isabel briggs myers beebe demonstrates the bond between the eight types of consciousness jung named and the archetypal complexes that impart energy and purpose to our emotions fantasies and dreams for this collection beebe has revised and updated his most influential and significant previously published papers and has introduced in a brand new chapter a surprising theory of type and culture beebe s model enables readers to take what they already know about psychological types and apply it to depth psychology the insights contained in the fifteen chapters of this book will be especially valuable for jungian psychotherapists post jungian academics and scholars psychological type practitioners and type enthusiasts

## **Energies and Patterns in Psychological Type 2016-06-17**

leading us on a journey through familiar twentieth century american films this engaging and provocative book proposes that hollywood has created an imaginary cinematic geography filled with people and places we recognize and to which we are irresistibly drawn each viewing of a film stirs in a very real and charismatic way feelings of home the comfort of returning to films like familiar haunts is at the core of our nostalgic desire elisabeth bronfen examines the different ways home is constructed in the development of cinematic narrative offering close readings of crucial scenes in classic films.

## **Home in Hollywood *2004***

who doesn't know the story of Dorothy Gale of Kansas torn from her home by a cyclone she ends up in the technicolor Oz her story offers a powerful model to those caught in another kind of cyclone the terror of sexual abuse just as Dorothy found her way home so can those of us displaced by abuse we can walk with Dorothy learn from here and brick by brick find our own way home

## **British Film Institute Film Classics *2003***
