Son of a Bandit 1898 since 2005 thailand has been in crisis with unprecedented political instability and the worst political violence seen in the country in decades in the aftermath of a military coup in 2006 thailand s press freedom ranking plunged while arrests for lèse majesté have skyrocketed to levels unknown in the modern world truth on trial in thailand traces the 110 year trajectory of defamation based laws in thailand the most prominent of these is lèse majesté but defamation aspects also appear in laws on sedition and treason the press and cinema anti communism contempt of court insulting of religion as well as libel this book makes the case that despite the appearance of growing democratization authoritarian structures and urges still drive politics in thailand the long term effects of defamation law adjudication has skewed the way that thai society approaches and perceives truth employing the work of habermas foucault agamben and schmitt to construct an alternative framework to understand thai history streckfuss contends that thai history has become suspended since 1958 and repeatedly declining to face the truth of history has set the stage for an endless state of crisis this book will be of interest to students and scholars of south east asian politics asian history and media and communication david streckfuss is an independent scholar who has lived in thailand for more than 20 years his work primarily concerns human rights and political and cultural history

Catalogue of the California State Library 1898 a new testament offers a recast economic legal and social history of the strangely neglected enduring and power laden relationship between a scandinavian transatlantic mission and the santals boro and bengalis of east india northern bangladesh and eastern nepal bleie s kaleidoscopic portraits transport readers back to the medieval period and danish and british company rule the british raj and the early post independence period remain her principal framing however this customized text enables readers to navigate and selectively immerse themselves in theoretical and descriptive chapters brimming with immersive storytelling the volume is relevant for university curricula in international history scandinavian and norwegian transnational history santal ethnohistory the history of religion the sociology of religion mission history intercultural history of christianity museum studies subaltern and postcolonial studies comparative international law peace and development studies social anthropology history of aid tribal studies women s studies and the study of indigenous oral and textual history

Supplementary Catalogue of the California State Library, General Department 1898 a history in postcards of mexican tourist towns in the first half of the twentieth century with nearly two hundred illustrations between 1900 and the late 1950s mexican border towns came of age both as tourist destinations in some cases by luring americans who wanted to escape prohibition and as emerging cities commercial photographers produced thousands of images of their streets plazas
