a frontier world on the back end of nowhere is the sort of place people go to get lost and some of those people have secrets worth hiding secrets that can change the future assuming there is one andré deschênes is a hired assassin but he wants to be so much more if only he can find a teacher who will forgive his murderous past and train him to manipulate odds and control probability it s called the art of conjuring and it s andré s only route to freedom for the world he lives on is run by the ruthless charter trade company and his floating city novo haven is little more than a company town where humans and aliens alike either work for one tyrannical family or are destroyed by it but beneath novo haven s murky waters within its tangled bayous reedy banks and back alleys revolution is stirring and one more death may be all it takes to shift the balance

### \_\_\_\_\_ **2010**

an exhilarating debut novel that follows one woman s hunt for the truth when she realizes she might have married a killer they said her death was a tragic accident and i believed them until now carmen is happily married to tom although she knows she ll always live in the shadow of another woman the mistress who ended his first marriage zena mercurial mesmerizing manipulative zena a woman who carmen begins to discover had the potential to incite the darkest of emotions zena who drowned in the sea late one night zena seems ever more present even in death and when carmen unknowingly stumbles on evidence that her husband has not been telling her the whole truth she can t shake her unease as she uncovers documents and photographs a very different tale than the one tom has led her to believe begins to unfold and she finds herself increasingly isolated and paranoid as the twisted events of that night begin to come to light carmen must ask herself if it s really a truth worth knowing even if it destroys her and the lives of the people she loves most
