Marine News

1986

this book provides an unprecedented analysis on the place of performance the central theme is that the place of performance is of considerable significance as a connecting factor in international commercial contracts this book challenges and questions the approach of the european legislator for not explicitly giving special significance to the place of performance in determining the applicable law in the absence of choice for commercial contracts it also contains inter alia an analogy to matters of foreign country mandatory rules and the coherence between jurisdiction and choice of law it concludes by proposing a revised article 4 of rome i regulation which could be used as an international solution by legislators judges arbitrators and other stakeholders who wish to reform their choice of law rules

U.S. Geological Survey Circular

1933

the book provides a comprehensive and in depth guide to the regulatory framework in singapore the first of its kind for the foremost jurisdiction for international arbitration in the asia pacific geographic zone it is designed with practitioners in mind and provides terse and specific but detailed and well informed commentary to each of the sections in the applicable arbitration acts the book sets out and annotates the two legislative acts applicable to arbitration in singapore as well as the singapore international arbitration centre rules it also contains a few international documents including the uncitral model law and the new york convention
