concerned and confused about all the propaganda and hypocrisy from the liberal left but really how bad is it do they lie manipulate the facts have selective memory and hate everyone that does not share their views is all this possible from the ever tolerant diversity loving liberal left left is not right will shed some light on this subject in a fun quiz format of 50 multiple choice questions take the quiz and see how bad it really is many are appalled at the indoctrination of children that is practiced in tyrannical countries that restrict freedom and personal liberties these countries are teaching children what to think not how to think are those same indoctrination techniques taking place in public schools across the United States the liberal left constantly lectures about the importance of freedom of speech freedom of the press diversity and tolerance do they really believe this or are they just serving their agenda only when convenient would the left ever take a position to limit free speech do they tolerate different viewpoints and diversity as they demand from others are some mainstream media outlets serving the liberal agenda are they providing unfiltered information so an informed public can reach an educated conclusion do mainstream media outlets try to influence their audience with controlled reporting upon becoming elected president Donald Trump instituted a travel ban that caused the liberal left to attack the president and Trump was branded a racist bigot the left stated that there was no basis for the travel ban and all the president wanted to do was prevent Muslims from entering the U.S. did the president really issue a permanent ban was the ban on all Muslim countries was the president really trying to keep America safe as he stated there is a lot of talk about the left leaning agenda of college and university

## **the biggest estate on earth how aborigines made australia by gammage bill 2013 paperback .pdf**

professors and their desire to promote a socialist anti american and liberal mindset in the classroom and eventually in society would college and university professors really do this what did colleges and universities do when clinton lost the election what do they believe causes racism the liberal left has been on a campaign to remove symbols statues and monuments they believe don t have any historical value and only promote and honor slavery and oppression did the left forget to look in the mirror during this process are there any symbols statues or monuments associated with the liberal left that fall into this category did the left miss a few items on their quest to purge history there is a lot of debate around illegal immigration and u s southern border control along with the associated economics and u s citizen safety issues does the mexican government actually provide guidance on how to evade u s immigration and customs enforcement ice does the mexican government practice what they preach regarding illegal immigration are illegal immigrants able to collect u s taxpayer funded benefits the answers to these questions and more are presented in the left is not right quiz book so get your friends and get started
