biography of the composer titles plaint meditation
chant d automne orage nocturne kalmus editions are
primarily reprints of urtext editions reasonably priced
and readily available they are a must for students
teachers and performers conductors john yaffé and
david daniels have created a one stop sourcebook for
orchestras opera companies conductors and librarians
who research and or prepare programs of vocal
excerpts such as solos ensembles and choruses for
concert performance in this book readers will find
detailed information on a vast repertoire of vocal
pieces commonly extracted from operas operettas
musicals and oratorios more than 1 750 excerpts from
450 parent works modeled on daniels orchestral music
arias ensembles choruses includes basic historical
details about each parent work as well as extract titles
subtitles voice types keys durations locations in the
original work with page numbers in both full scores
and piano vocal scores and exact instrumentation it
also lists the publishers that make available the
orchestral materials for just the excerpt being
programmed independent of the full parent work until
now conductors and orchestra librarians commonly
had to first leaf through full scores searching for one
elusive three minute aria after another only to then
consult multiple publishers catalogues to compile
crucial information on all the excerpts proposed for a
concert or recording this book constitutes a single
source for finding that information in many cases the
individual entries include valuable insider information
on common performance practice including start and
