*Kiss & Tell Tail* 2020-05-06 i have three days to kiss the guy but i don t remember why actually that s not the only thing i don t recall i have no idea what happened or how i got to where i am now all i know is that i m going mad literally like there is a voice in my head urging me to do something before it s too late and then there are those dreams oh yes those dreams they make me blush and pant with desire longing for a life under the sea a life i believe is a fairy tale an illusion created by my mind and so is sebastian the handsome merman who i m fooling around with in those dreams or he is real and the handsome stranger that s trying to help me get back on my feet literally is the one that s fake time is running out and without my memories all i can rely on is my instincts and they are saying that something fishy is going on here excuse the pun and they are urging me to run as fast and as far from both men as i can so what do i do yep the exact opposite i run towards one and swim towards the

other attempting to figure this out note from the author this is a slow burn reverse harem why choose fairy tale romance retelling of the little mermaid in 5800 words it being a short story expect insta romance as well as a cliffhanger part 2 is coming shortly this is book 1 in the reverse harem fairy tales series with more stories to come every week some characters will stay with us for the duration of several books while there will be standalones in the series too and every book can be read on its own it is highly recommended though that books in the same fantasy niche fairy tale are read in their order of publication includes mature scenes and dark humour you have been warned

**The Routledge Companion to Media and Fairy-Tale Cultures** every fairy tale has a dark side elodie rose has a secret any day she ll become a wolf and succumb to the violence that s cursed her family for centuries for seventeen years she s hidden who and what she is but now someone knows the truth and is determined to exterminate her family line living on borrowed time in the midst of this dangerous game of hide and seek the last thing elodie needs to do is fall in love but sawyer is determined to protect her and the brooding angry boy is more than what he seems can they outsmart a madman and if they survive will they find a way to beat the curse for good from the critics holy holy crap i really enjoyed this book i was so absorbed in this book while reading it i couldn t stay away and i wanted to check out of everything i was doing so i could go finish it i think of this as glue and have referenced in other reviews when a book is sticky this book is quite sticky be ye warned the storytelling and the layers of meaning and the multiple ways to view what was happening in the story made this incredibly fun to read and i have recommended it several times to people already i think that part of what draws readers to ya and ya romance is that emotions are overwhelming and scary even if you re an adult and that feeling of being overpowered by your emotions coupled with the secrecy of teenage life makes for some compelling reading in this particular case both of those elements are present and strong in the story and when combined with allegory and a recasting of a well known myth it s delicious sarah wendell smart bitches trashy books
