bang olufsen beocord 5000 cassette deck review hifi classic Apr 12 2024 slim of line and with the graceful scandinavian styling that has traditionally marked bang olufsen s products the beocord 5000 two head cassette deck offers a distinctive alternative to the appearance and operation of the typical japanese built recorder

beocentral beocord 2200 Mar 11 2024 beocord 2200 was for a time the finest beocord cassette recorder available though it was very expensive costing nearly as much as the beogram 4000 tangential tracking turntable

beocentral beocord 1200 Feb 10 2024 beocord 1200 was important for two reasons firstly it was the first b o tape recorder that was specifically designed as part of a system of matching components secondly it was the last open reel tape recorder that b o would produce in quantity
