SCUDERIA 108 2007-05-01 [Ferrari 308 & Mondial Ultimate Portfolio 1974-1985](#) 2003-06-01 the 308 gt4 was a replacement for the original 246 series dino it wore the dino badges and it shared the 246 s transverse mid engine layout it was a 2 2 rather than an uncompromising two seater and it broke new ground in having a body styled by bertone sales were steady but not spectacular the dino badging was dropped in may 1976 and production began to trail off during 1978 the last one was built in january 1980 the mondial didn't fare very well it was a heavier car and a disappointment to ferrari fans and only survived until 1982 however the mondial quattravole showed that modena had got the formula right this time and when a gorgeous cabriolet version joined the original coupe in 1984 sales practically doubled overnight there are plenty of ferrari enthusiasts who number the models in this book among their most coveted cars and they will find plenty to feed their passion on its pages
