emerging in several different versions during the author s lifetime lewis carroll s alice novels have a publishing history almost as magical and mysterious as the stories themselves zoe jaques and eugene giddens offer a detailed and nuanced account of the initial publication of alice s adventures in wonderland and through the looking glass and investigate how their subsequent transformations through print illustration film song music videos and even stamp cases and biscuit tins affected the reception of these childhood favourites the authors consider issues related to the orality of the original tale and its impact on subsequent transmission the differences between the manuscripts and printed editions and the politics of writing and publishing for children in the 1860s in addition they take account of carroll s own responses to the books popularity including his writing of major adaptations and a significant body of meta textual commentary and his reactions to the staging of alice in wonderland attentive to the child reader how changing notions of childhood identity and needs affected shifting narratives of the story and the representation of the child s body by various illustrators the authors also make a significant contribution to childhood studies

### **LEWIS CARROLL Ultimate Collection (Illustrated Edition)** *2020-05-27*

in hollywood on the hudson richard kozarski rewrites an important part of the history of american cinema during the 1920s and 1930s film industry executives had centralized the mass production of feature pictures in

a series of gigantic film factories scattered across southern california while maintaining new york as the economic and administrative center but as kozarski reveals many writers producers and directors also continued to work here especially if their independent vision was too big for the hollywood production line

## Of Roses and Kings *2016-05-06*
