our readers share the future is going to be better and science and technology are the driving forces that will help make it better popular science gives our readers the information and tools to improve their technology and their world the core belief that popular science and our readers share the future is going to be better and science and technology are the driving forces that will help make it better long respected as a manufacturer of sturdy agricultural machinery the john deere company began in the 1960s to build a line of consumer products in a dedicated factory in horicon wisconsin starting with a lawn and garden tractor in 1963 deere soon entered the fast growing snowmobile market introducing two models in 1971 the next 13 years would see a succession of models as deere vied against tough competitors in a weather dependent market this detailed history written by two key participants in the snowmobile program describes the development of john deere snowmobiles from start to finish the design and engineering decisions that shaped each important model reception of the snowmobiles by consumers the factory race teams the introduction of front engine and water cooled models the process of selecting engines and negotiating with suppliers including when problems developed and the snowmobiles impact on product engineering the text provides an inside view of deere s consumer products division at a time of rapid growth and of the people and processes that made it all happen investigates use of sweepstake promotions their fairness to both contestants and small businesses possibility of fraud including mail fraud and impact of promotional mailings on postal system includes results of evaluation of contests conducted and examples of promotional materials v 1 includes responses to committee questionnaire on sweepstakes practices from companies using sweepstakes promotions v 2 the number of athletes who have died competing in the sport of motor racing including amateurs and professionals around the world stretches into the thousands despite the danger drivers continue to compete day in and day out for the thrill and joy of the race in taken by speed fallen heroes of motor sport and their legacies connie ann kirk pays tribute to professional racing drivers who died while competing in the sport they loved covering tragedies from 1955 to the present kirk carefully reflects on the legacies of the racers and the impact of the tragic events including on safety regulations innovations and on society as a whole drivers and incidents covered in this book include the 24 heures du mans race of 1955 where over 80 people died the 1964 crash at the indianapolis 500 that stopped the race for the first time in history and the tragic losses of racers ayrton senna dale earnhardt alberto ascari jim clark bruce mclaren gilles villeneuve francois cevert dan wheldon justin wilson and jules bianchi taken by speed features exclusive interviews with legends of motor sport mario andet pierre bellin stirling moss bobby rahal brian redman and sir jackie stewart who raced in the sport s most dangerous era

the sermon on the mount an exposition of the fifth sixth and seventh chapters of matthew with notes or glosses on st matthews gospel

also includes timelines of safety improvements in the sport and key moments in motor sport history using motor sports as its lens this book explores moving stories of what it means to pursue a life s readers share the future is going to be better and science and technology are the driving forces that will help make it better from acclaimed author cindy myers comes a big hearted story of pulling together facing life s challenges and knowing what it means to really come home cut off from the outside world by a blanket of snow the holidays are usually a time for peace and quiet in tiny eureka colorado but this year the mountain town is in trouble thanks to a corrupt investor the treasury is bankrupt leaving residents to struggle through an especially harsh winter then there are those with more personal problems like maggie stevens pregnant and torn between single motherhood or drawing the father to be into a life he s not cut out for and olivia theriot the mayor s prodigal daughter is harboring a secret so painful she may never be able to settle down but mother nature is about to put things in perspective when a blizzard blows through just days before christmas some are left stranded and others missing now there s only one thing on eureka s wish list to live up to its name and its reputation for coming together and find a way to bring everyone back home where they belong praise for the view from here cindy myers strikes gold with this warm hearted novel about friendship family and second chances deborah smith new york times bestselling author i loved this novel it
