the lancer name conjures up many different images for some it evokes memories of the first generation cars introduced in 1973 which fought with the best on the safari rally and came out the victors others will remember the second generation models especially the turbocharged versions the original mitsubishi wolf in sheep s clothing and who could not be aware of the evolution evo series launched in 1992 forged in the fierce heat of wrc competition and honed by years of continuous development the lancer evolution is not only one of the greatest rally cars of all time it is also a desirable high performance road car too written in japan with the full cooperation of mitsubishi and key staff members this is the definitive international story of all the world s lancers whether they carried mitsubishi dodge colt plymouth valiant eagle proton or hyundai badges with special emphasis on the evolution models

Mitsubishi Lancer EVO I to X

2007-02

for 30 years some of the most talented and bravest drivers have battled across the continents of the world to claim what is arguably motorsport s toughest prize the world rally championship now a multi million dollar global technology battle and terrestrial television phenomenon played out over the frozen wastes of finland the dusty plains of australia and the sun kissed mountain roads of corsica the wrc has reached its 30th birthday this book celebrates that important milestone and paints an exhaustively detailed picture of the people and personalities who have shaped this great sport the complete book of the world rally champions provides a biographical account of the 65 men who have won at least one world championship rally since 1973 the biographies are compiled by the sport s leading writers and historians and complemented by stunning photography the book includes a detailed and accurate statistical career record of each driver plus highlights of all the significant cars
