How to Build a Christian Business 2012-10

in an age where information is a commodity and financial freedom a much sought after desire this book provides both to a subset of society targeted at but not exclusively towards the christian community it fuses biblical scriptures and principles with the practical requirements needed to build a business giving the reader the essential tools to build a god pleasing and sustainable business in a tough economic climate the desire for financial freedom is just one of many reasons why people start a business but at the core of this desire is trust or lack of we no longer trust the system our employers or the government to provide for us or our future we want control back in order to gain control we need knowledge information and guidance this book provides that much needed help providing its reader with the correct information to start their journey to personal autonomy covering areas such as vision planning dominating the market and using their faith for progression it fuses practical advice and tips with biblical revelations accompanied by god s scriptures

How to Build a Sport or Life Dynasty 2021-09-20

how to build a sport or life dynasty by norbert a baschnagel how to build a sport or life dynasty is a must read book not only for those who are currently coaching and those who aspire to coach but also for people who are seeking to live meaningful and productive lives coach baschnagel gives a very detailed and successful plan on how to excel as a coach and how to create a sports dynasty this plan is based on his expertise knowledge and life experience it was this plan that enabled him to create a sports dynasty for the women s varsity tennis team at clarion university in his last four years of coaching the team a record of 57 wins and only 1 loss was compiled this book can help any coach achieve greater success in this book coach baschnagel is sharing the tricks of the trade with his readers he also shares the qualities that are needed for a person not only to be successful in life but also to be significant if a person wants to have a higher

and more satisfying life this book is a must as the author has excelled in his personal life coaching and in the community he has brought that same excellence in this book for sam bungo st charles church new bethlehem pa the book exemplifies how to develop and build a sports or life dynasty and is truly how you live your life your persistence determination when others said it could not be done commitment dedication to others and your amazing leadership skills are fundamental in shifting from success to significance being a part of your tennis dynasty for four years and playing under your leadership was both an honor and privilege at the same time i didn't realize how valuable the life's lessons were that i was acquiring you don't always see the magnitude of something while in the middle of it what you write about is exactly what your expectations were of each player good sportsmanship hard work discipline teamwork training preparation compassion self control enthusiasm and friendship are all attributes that you valued and instilled in us as our leader these qualities have carried over into adulthood and are great strengths to have throughout life whether you are a coach wanting to build a team dynasty or an athlete wanting to master his or her skill this book is a roadmap to do just that tamara myers cup hall of fame member 1987 1990 tennis team captain medical sales rep norb always has a plan and with that plan he has always had beverly to make sure he stayed focused to get these plans accomplished only norb could have believed and figured out how to build a dynasty in a place that is known for wrestling and autumn leaf festival if you want to know how to build a successful program in sports business and even life read this book how to build a sport or life dynasty everyone thought he was crazy including his assistant coaches and some of his players who are in the clarion sports hall of fame but two years later we were not only the best tennis team in the psac for four straight years we were the dominant team on the whole east coast coach baschnagel is the only person who could have believed and made this happen and i believe with hard work and using his principals you could be as successful as he was but you must burn the midnight oil you can't be successful by accident and this success story does not come without a few hard times and headaches it is a book that you will not be able to put down and you can use every day philip d popielski jr cup student assistant tennis coach 1984 1987 assistant principal woodlawn high school baltimore md in this his fourth sports themed book norbert baschnagel tells the story of how he took a struggling non winning women's tennis program at clarion university of pennsylvania and turned it into the conference leader with an astounding string of wins during his stint as head coach the achievement led to many honors including his being named the conference's coach of the year and being inducted into the clarion university sports hall of fame baschnagel then provides a detailed blueprint of how he achieved his success and how others can achieve similar results baschnagel eventually left coaching to become a member of the clarion university faculty teaching in the university's department of health and physical education for many years before retiring recently a few years before his retirement professor baschnagel received one of academia's highest honors when he was named a full professor though coach professor baschnagel is now retired he is not resting on his laurels as he remains active in the community and the sports world and as this book ably demonstrates while he may be retired he is still very much in the game dr william buchanan professor emeritus department of information and library science clarion university of pennsylvania
