of north american english each level offers students 16 engaging task based units each built around a topic function or grammatical theme grounded in the theory that learners are more successful listeners when they activate their prior knowledge of a topic the series gives students a frame of reference to make predictions about what they will hear through a careful balance of activities students learn to listen for main ideas to listen for details and to listen and make inferences active listening second edition is intended for high beginning to intermediate students it can be used as a main text for listening classes or as a component in speaking or integrated skills classes features of the student s book a before you begin unit to develop awareness of listening strategies updated prelistening schema building activities to build vocabulary new listen again activities for additional coverage of listening skills optional your turn to talk pages that offer speaking and pronunciation practice new culturally rich expansion units that include authentic student interviews a new self study listening section with audio cd for additional practice features of the teacher s manual step by step teaching notes with key words highlighted a wealth of optional speaking activities and listening strategies suggested times for completing lessons photocopiable unit quizzes two complete tests with audio cd complete answer keys a course to prepare students for the ielts test at a foundation level b1 combines contemporary classroom practice with topics aimed at young adults prism is a paired skills course focusing on critical thinking academic skills and language students need most to prepare for their college studies prism is a five level a1 to c1 american english paired skills course reading writing and listening speaking created for students who need to develop a range of academic skills this level 4 c1 listening and speaking teacher s manual contains teaching suggestions video scripts the student s book answer key and unit quizzes with answer keys the tests will help familiarise students with the format and requirements of the reading and writing listening and speaking papers the with key edition includes the complete tapescripts and answers for the listening papers and full examiner s notes for the oral tests it also contains four exam format practice tests for each of paper 3 4 and 5 of the cambridge igcse english as a second language core and extended levels the tests will help familiarise students with the format and requirements of the reading and writing listening and speaking papers this book written by an experienced examiner contains four exam format practice tests for each of papers 3 4 and 5 of the cambridge igcse english as a second language core and extended levels big discount only for this weekend most people would agree that an ok score in speaking is 5 or 6 many students now realise that a score of 5 or 6 for speaking is not enough for their study requirements many students spend months preparing for the ielts speaking test and still find it difficult to score 7 or higher in fact some candidates actually score lower than they potentially could have scored there are a few reasons behind this poor performance and these will be discussed in detail throughout this book but one major factor is the lack of quality material available for ielts speaking preparation there are a number of ielts speaking books on the market but this book aims to break new ground by focusing on how to prepare for and achieve a speaking score of 7 or maybe higher all of the skills and strategies presented in this book are typical of a high scoring speaking candidate this book is intended for anyone

who intends to take the ielts test it will also help learners of english improve their speaking skills it is suitable for both classroom use and self study big discount only for this weekend there are a number of ielts speaking books on the market but this book aims to break new ground by focusing on how to prepare for and achieve a speaking score of 7 or maybe higher all of the skills and strategies presented in this book are typical of a high scoring speaking candidate this book is intended for anyone who intends to take the ielts test it will also help learners of english improve their speaking skills it is suitable for both classroom use and self study most people would agree that an ok score in speaking is 5 or 6 many students now realise that a score of 5 or 6 for speaking is not enough for their study requirements many students spend months preparing for the ielts speaking test and still find it difficult to score 7 or higher in fact some candidates actually score lower than they potentially could have scored there are a few reasons behind this poor performance and these will be discussed in detail throughout this book but one major factor is the lack of quality material available for ielts speaking preparation understand a little of psychology to moves human mind and behavior and then you can earn more money make more success get real friends and love just add psychology to your speech communication is psychology humans are 90 driven by psychology and human psychology is 90 driven by words thus understanding the psychological rules that move people s minds and changing our way of speaking allows us to work better and our relationships will change dramatically if we use words properly we can earn money get along with our partners and have a happy marriage all we need is to add psychology to our speech this book tells the psychology of speech that moves people s minds using 48 psychological skills from the johari window in the mind that hinders communication to the letter effect that excludes negative prejudices it guides the know how in detail about how we can make the other person behave or not when we use a certain way of speaking from now on let s change our way of speaking very slightly that alone will positively change our life no matter how shy or poor at speaking if we practice with this book we will be able to speak well enough if you read this book you will learn the psychology guide of conversation as like belows and how to use it to your daily conversations why do misunderstandings get worse the more we talk how do we get the other person to say yes how can we speak so as not to get no from the other person how do we make others do what we want them to do through words how do we make things work out smoothly through conversation how can we strengthen our human relationships then get the book now and start growing your skills to strengthen your conversation with anyone anytime anywhere this book explores the dynamics and challenges that underlie the ability of organizations to speak with one voice contributions by experienced and emerging scholars shed light on the nature and regulation of the communication processes whereby the many and diverse voices of a collective can unite act and speak as a distinct entity thus contributing to its organizing by focusing on communicational events whether in the context of for profit and non profit organizations political protests or social movements chapters guide the reader through the diverse manifestations and concrete ways of dealing with the imperative for organizations of all kinds to speak with one voice in doing so the book creates bridges between different perspectives with regard to the notion of voice and its significance for the study of organizing between fields of study and between theory and empirical research aimed at investigating organizing beyond the boundaries of the formal organization offering a thorough and comprehensive investigation of the dynamics between multivocality and univocality in the organizing of various collectives this book will be an important resource for scholars and students of organizational communication management studies media studies and rhetorical studies the must read summary of elayne snyder s book persuasive business speaking how to make memorable business Serving the Delicacy... The Art of Public Speaking

2000-02-17

a godsend for anyone who s ever suffered that dread of speaking in public if like almost everyone you re petrified of public speaking the last thing you want is a lecture and there lies the brilliance of this unique book s genuinely innovative approach to the issue dee clayton makes the process of overcoming those negative voices in your head your public speaking monkeys and becoming an effective speaker lighthearted and fun a godsend for anyone who s ever suffered that dread dee s refreshingly simple yet amazingly effective multiawardwinning approach has already helped thousands to overcome their fears and become effective and confident public speakers significantly the author s keenly aware that for most of us effective public speaking isn t necessarily an end in itself but a means to other ends for example dee has already helped company directors to persuade more successfully doctors to win more funding mediators to influence international decisions and all kinds of business people to fulfil their potential what s more this is a genuinely practical guide unlike most self help books on the topic or any other this one doesn t just tell you what to do in her chatty good humored style dee explains exactly how sharing her own experiences and coaxing the reader through a programme that doesn t just work it even makes public speaking enjoyable taming your public speaking monkeys works so well because its easy enjoyable style is underpinned by dee s solid real life experience of speaking publicly to tens of thousands of people first in her highly successful twenty year marketing career communicating for uk household brands such as jacob s creek pizza hut and jammie dodgers to name but a few and now as a public speaking training specialist equally vitally the book draws heavily upon the neurolinguistic programming nlp techniques and insights in which dee is a highly experienced trainer and master practitioner taming your public speaking monkeys is a rare find a self help book that really helps and best of all the results come to you quickly and stick with you for life
