branagh s much ado about nothing annotation copyright by book news inc portland or in new zealand as well as in australia canada and other comparable jurisdictions indigenous peoples comprise a significantly disproportionate percentage of the prison population for example maori who comprise 15 of new zealand s population make up 50 of its prisoners for maori women the figure is 60 these statistics have moreover remained more or less the same for at least the past thirty years with new zealand as its focus this book explores how the fact that indigenous peoples are more likely than any other ethnic group to be apprehended arrested prosecuted convicted and incarcerated might be alleviated taking seriously the rights to culture and to self determination contained in the treaty of waitangi in many comparable jurisdictions including australia canada the united states of america and also in the united nations declaration on the rights of indigenous peoples the book make the case for an indigenous court founded on indigenous conceptions of proper conduct punishment and behavior more specifically the book draws on contemporary notions of therapeutic jurisprudence and restorative justice in order to argue that such a court would offer an effective way to ameliorate the disproportionate incarceration of indigenous peoples this well crafted book probes the key dimensions of africa s existential predicament it constitutes an intellectual response to a gnawing african situation the starting point for grasping africa s social and religious quest beyond split explanations of external versus internal factors e g colonization slavery vs leadership cultural values this study accounts more comprehensively for emergent issues shaping this situation the situation reflects a gamut of problems in traditional african religion and material culture which hitherto defines african communality politics and destinies vis à vis the cosmos and nature thus african religion and communities each with its own attendant values do not operate by critical engagement with larger issues of society and civilization especially those shaped by the advent of post modernity rather they operate via adaptation the communal drive for natural and social harmony inevitably produces a preservationist view of culture leaving things as they are this study takes an integrative approach to religion society and civilization eschews dichotomies and broadly defines and re signifies life and wholeness as a true end of africans quest today this book is designed as a text book covering the major issues of real estate law designed with both the student and practitioner in mind the text strikes a balance between theory and practice the author develops the foundation of north carolina real property law and then puts theory into practice by describing numerous practical applications from creating offer of purchase contracts to title searches although there are real estate texts available that concentrate exclusively on north carolina law they fall into two camps theory or practice this text balances the competing needs of students and practitioners by addressing both concerns the text explains the theoretical bases of real property law in north carolina and then provides practical hands on examples of how to apply this theoretical knowledge for this new edition bevans updated and revised information throughout the text more than any other subject that i teach real property is dependent on an understanding of state specific law and practice i feel very lucky to have mr bevans book available to us in nc his text contains the right balance of breadth and depth for my paralegal students some of whom may be heading into real estate practices and others who need a fundamental understanding of real property for work in other areas vicki coleman paralegal instructor at pitt community college drawing upon catholic social teaching traditional writings and sacred scripture this book presents a catholic perspective of crime and criminal justice in america specifically it presents a policy framework for the criminal justice system describing how and why police courts and corrections should adopt the tenets of restorative and community justice in addition it presents how certain crime related issues would be addressed under a catholic perspective particularly focusing on the death penalty abortion euthanasia and so called victimless crimes this book is a must read for black lawyers law students and law school aspirants it provides advice information and an insider s perspective on what it is like to be a part of the legal profession sixty years after the supreme court ended law school segregation yolanda young conducted interviews with over 50 graduates of her georgetown law class among them a judge big law partners bureaucrats an oprah show producer two doctors a middle school principal and a stay at home dad what were their experiences in law school why did some succeed at law firms while others were marginalized what drove some to pursue traditional legal careers while others left the profession in this book young answers these questions and more thurgood s legacy includes anecdotes and quotes from black lawyers it will serve as a guide for some and an affirmation for others this
