*Go Forth and Do Good* 2003 although the first proper notre dame commencement conferring degrees on two candidates took place in 1849 general william tecumseh sherman was notre dame s first graduation speaker with a truly national reputation he attended notre dame s ceremony in 1865 just months after accepting the surrender of general joseph e johnston s confederate army sherman whose sons had been students at notre dame came less to give an address than to utter words of thanks for the kindness shown to his family who had found refuge in the area during the war when prevailed upon to speak he offered some extemporaneous remarks calling on notre dame graduates and students to be ready at all times to perform bravely the battle of life

**The Rhetoric of Heroic Expectations** 2014-02-15 campaign rhetoric helps candidates to get elected but its effects last well beyond the counting of the ballots this was perhaps never truer than in barack obama s 2008 campaign did obama create such high expectations that they actually hindered his ability to enact his agenda should we judge his performance by the scale of the expectations his rhetoric generated or against some other standard the rhetoric of heroic expectations establishing the obama presidency grapples with these and other important questions barack obama s election seemed to many to fulfill martin luther king jr s vision of the long arc of the moral universe bending toward justice and after the terrorism war and economic downturn of the previous decade candidate obama s rhetoric cast broad visions of a change in the direction of american life in these and other ways the election of 2008 presented an especially strong example of creating expectations that would shape the public s views of the incoming administration the public s high expectations in turn become a part of any president s burden upon assuming office the interdisciplinary scholars who have contributed to this volume focus their analysis upon three kinds of presidential burdens institutional burdens specific to the office of the presidency contextual burdens specific to the historical moment within which the president assumes office and personal burdens specific to the individual who becomes president

Public Papers of the Presidents of the United States 2010 containing the public messages speeches and statements of the president 1956 1992

**George W. Bush** 2003 the o shaughnessy brothers story takes place between 1860 and 1950 in illinois missouri new york and ireland they were the children of an impoverished immigrant who fled the famine in ireland and his irish american wife an irish american odyssey is the tale of this first generation immigrant family s struggle to assimilate into american society highlighting their perseverance and determination to seize opportunities and surmount obstacles all the while establishing a legacy for their own descendants in american art advertising journalism and public service time magazine called james o shaughnessy the best in the business of advertising and he became the first chief executive of the american association of advertising agencies earlier he was a star reporter at the chicago tribune and james and francis were centrally involved in founding and maintaining the irish fellowship club francis was also the first graduate of the university of notre dame to be invited to deliver its annual commencement address while martin was the first captain of notre dame s official basketball team an attorney john represented the alleged victim in a notorious white slavery case thomas gus became the leading gaelic revival artist in america as well as a promoter of italian american heritage campaigning successfully to have columbus day enacted a public holiday the remarkable rise of the o shaughnessy brothers proves the american dream is attainable

*An Irish-American Odyssey* 2014-08-22 how american politics can become more civil and amenable to public policy solutions while still allowing for effective argument

Rude Democracy 2010-08-20 a provocative new biography probes deeply into the storied life of father ted hesburgh the well loved but often controversial president of notre dame university considered for many decades to be the most influential priest in america rev theodore m hesburgh played what many consider pivotal roles in higher education the catholic church and national and international affairs american priest examines his life and his many and varied engagements from the university he led for thirty five years to his associations with the vatican and the white house and evaluates the extent and importance of his legacy author and notre dame priest professor wilson d miscamble tracks how hesburgh transformed catholic higher education in the postwar era and explores how he

became a much celebrated voice in america at large yet beyond the hagiography that often surrounds hesburgh s legacy lies another more complex and challenging story what exactly were his contributions to higher learning what was his involvement in the civil rights movement and what was the nature of his role as advisor to popes and presidents understanding hesburgh s life and work illuminates the journey that the catholic church traversed over the second half of the twentieth century exploring and evaluating hesburgh s importance then contributes not only to the colorful history of notre dame but also to comprehending the american catholic experience praise for american priest an excellent engaging biography miscamble deftly captures the whole hesburgh in a fair and thorough portrait catholic Philly excellent the story that father miscamble tells is an all american story the rise of a catholic of relatively modest background close to his immigrant roots to a place of prominence among the nation s elite public discourse

**American Priest** 2019-03-12 regardless of the pressures and problems confronting colleges and universities today they can ill afford to assume that the only essential qualities of those chosen to be presidents are their abilities to be sound managers institutional developers and public relations experts nelson argues that college presidents must possess the capacity to use the presidential pulpit as moral leaders presidents are profiled as leaders who shape student character lead campus communities and are in the forefront of issues critical to education from this vantage point we can better examine the moral beliefs at the core of colleges and universities understand and appreciate moral leadership in higher education and consider the foundations and future of the presidency

**Leaders in the Crucible** 2000-08-30 the culture wars have as much to do with rhetorical style as moral substance cathleen kaveny focuses on a powerful stream of religious discourse in american political speech the biblical rhetoric of prophetic indictment it can be strong medicine against threats to the body politic she shows but used injudiciously it does more harm than good

*Congressional Record* 1967 the handbook of rhetoric and public address is a state of the art companion to the field that showcases both the historical traditions and the future possibilities for public address scholarship in the twenty first century focuses on public address as both a subject matter and a critical perspective mindful of the connections between the study of public address and the history of ideas provides an historical overview of public address research and pedagogy as well as a reassessment of contemporary public address scholarship by those most engaged in its practice includes in depth discussions of basic issues and controversies public address scholarship explores the relationship between the study of public address and contemporary issues of civic engagement and democratic citizenship reflects the diversity of views among public address scholars advancing on going discussions and debates over the goals and character of rhetorical scholarship

Prophecy without Contempt 2016-03-07 this book explores the american use of atomic bombs and the role these weapons played in the defeat of the japanese empire in world war ii it focuses on president harry s truman s decision making regarding this most controversial of all his decisions the book relies on notable archival research and the best and most recent scholarship on the subject to fashion an incisive overview that is fair and forceful in its judgments this study addresses a subject that has been much debated among historians and it confronts head on the highly disputed claim that the truman administration practised atomic diplomacy the book goes beyond its central historical analysis to ask whether it was morally right for the united states to use these terrible weapons against hiroshima and nagasaki it also provides a balanced evaluation of the relationship between atomic weapons and the origins of the cold war

**The Handbook of Rhetoric and Public Address** 2010-05-10 using material from his books articles and speeches this book demonstrates how fr hesburgh was an influential figure in areas ranging from science and technology to civil and human rights to economic development

**The Most Controversial Decision** 2011-04-11 from the former faith adviser to president obama comes an inspirational guide for those who seek to promote positive social change and build a more diverse and just democracy the goal of social change work is not a more ferocious revolution it is a more beautiful social order it is harder to organize a fair trial than it is to fire up a crowd more challenging to build a good school than it is to tell others they are doing education all wrong but every

decent society requires fair trials and good schools and that's just the beginning of the list of institutions and structures that need to be efficiently created and effectively run in large scale diverse democracy we need to build is a call to create those institutions and a guide for how to run them well in his youth eboo patel was inspired by love based activists like john lewis martin luther king jr badshah khan mahatma gandhi mother teresa dorothy day abraham joshua heschel and thich nhat hanh their example and a timely challenge to build the change he wanted to see led to a life engaged in the particulars of building nourishing and sustaining an institution that seeks to promote positive social change interfaith america now drawing on his twenty years of experience patel tells the stories of what he's learned and how in the process he came to construct as much as critique and collaborate more than oppose his challenge to us is clear those of us committed to refounding america as a just and inclusive democracy need to defeat the things we don't like by building the things we do

**Hesburgh of Notre Dame** 2021 catholics constitute the largest religious community in the united states yet most american catholics have never known a time when their church was not embroiled in controversies over liturgy religious authority cultural change and gender and sexuality today these arguments are taking place against the backdrop of pope francis's progressive agenda and the resurgence of the clergy sexual abuse crisis what is the future of catholicism in america this volume considers the prospects at a pivotal moment contributors scholars from sociology theology religious studies and history look at the church's evolving institutional structure its increasing ethnic diversity and its changing public presence they explore the tensions among members of the hierarchy between clergy and laity and along lines of ethnicity immigration status class generation political affiliation and degree of religious commitment they conclude that american catholicism's future will be pluriform reflecting the variety of cultural political ideological and spiritual points of view that typify the multicultural democratic society of which catholics constitute so large a part

**We Need to Build** 2022-05-10 each public papers volume contains the papers and speeches of the president of the united states issued by the office of the press secretary during the specified time period the material is presented in chronological order and the dates shown in the headings are the dates of the documents or events in instances when the release date differs from the date of the document itself that fact is shown in the text note the appendixes in each public papers volume provide listings of a digest of the president's daily schedule and meetings when announced and other items of general interest issued by the office of the press secretary the president's nominations submitted to the senate a checklist of materials released by the office of the press secretary that are not printed full text in the book and a table of proclamations executive orders and other presidential documents released by the office of the press secretary and published in the federal register

**The Future of Catholicism in America** 2019-04-02 when asked what he wanted written on his tombstone fr theodore hesburgh responded with one word priest this giant of a man a man who advised presidents and counseled popes who championed civil rights and world peace who accepted 16 presidential appointments and 150 honorary degrees who served an unprecedented thirty five years as president of the university of notre dame could have listed any number of accolades instead he chose his first and most important vocation fr ted never felt that his calling to be a priest set him apart rather it drew him into relationships with others and out in service to the world it was a call to serve as mediator to bridge the divides that separate church and society conservatives and liberals the powerful and those on the margins he spent his life bringing people together this new biography is the first to tell the story of the spirituality that shaped one of the twentieth century's most distinguished public servants it is a story to inspire all those who strive to live out their faith in the midst of a deeply divided world

Public Papers of the Presidents of the United States, Barack Obama 2010 develops an approach to contemporary religious moral and political conflicts in which conflict may be constructively reframed and creatively engaged toward productive democratic practice rather than viewed mainly as a source of aversion that needs to be rooted out or resolved once and for all

**Public Papers of the Presidents of the United States: January 20 to June 30, 2009** 2010 african american women's rhetoric the search for dignity personhood and honor deals with the

rhetoric of african american women from enslavement to current times examining slave narratives and contemporary print music and other media surrounding the lives of african american women covering a variety of specific women and their rhetoric within the context of a historical period the book provides central themes and strategic and social concerns of african american women and their environment it frames in some cases the rhetoric of contemporary women in politics and other fields of prominence including condoleezza rice and barbara lee among others deborah f atwater explores how african women today who engage in speech in the public sphere come from a historical line of active women who have been outspoken in politics education business and various social contexts heretofore these women have not been studied in a comprehensive manner specifically how do these african american women discuss themselves and more importantly how do they represent who they are in various communities how do these women persuade their diverse audiences to value what they say and who they are african american women s rhetoric will be an invaluable contribution to upper division undergraduate and graduate courses in rhetoric african american rhetoric history and women s studies

**Public Papers of the Presidents of the United States: Barack Obama, 2009, Book 1**

2011-04-28 in exploring the role of catholic intellectuals in engaging science and technology in the twentieth century this book initially provides a background context for this evolution by examining the modernism crisis in the first chapter in order to unpack the subsequent evolution thompson then concentrates in separate chapters on the distinctive contributions of four specific catholic intellectuals jacques maritain 1882d1973 pierre teilhard de chardin 1881d1955 bernard lonergan 1904d1984 and thomas merton 1915d1968 all of these intellectuals experienced some degree of official restraint in their efforts but through their distinctive intellectual trajectories they contributed to a different engagement of the church with science and technology in the final chapters the book first reviews the changes within the institutional church in the twentieth century toward science and technology finally it then applies some key ideals of the four intellectuals to anneal and extend john paul ii s approach of critical openness to suggest how the church can now engage science and technology

*Weekly Compilation of Presidential Documents* 2001 proponents of professional ethics recognize the importance of theory but also know that the field of ethics is best understood through real world applications this book introduces students and practitioners to important ethical concepts through the lives of major thinkers ranging from aristotle to ayn rand john stuart mill to the dalai lama some two dozen contributors approach media ethics from five perspectives altruistic egoistic autonomous legalist and communitarian and use real people as examples to convey ethical concepts as something more than mere abstractions readers see how confucius represents group loyalty gandhi nonviolent action mother teresa the spirit of sacrifice each profile provides biographical material the individual s basic ethical position and contribution and insight into how his or her moral teachings can help the modern communicator the roster of thinkers is gender inclusive ethnically diverse and spans a broad range of time and geography to challenge the misperception that moral theory is dominated by western males these profiles challenge us not to give up on moral thinking in our day but to take seriously the abundance of good ideas in ethics that the human race provides they speak to real life struggles by applying to such trials the lasting quality of foundational thought many of the root values to which they appeal are cross cultural even universal exemplifying these five ethical perspectives through more than two dozen mentors provides today s communicators with a solid grounding of key ideas for improving discussion and attaining social progress in their lives and work these profiles convey the diversity of means to personal and social betterment through worthwhile ideas that truly make ethics come alive

**Theodore Hesburgh, CSC** 2020-08-14 contains primary source material

Healthy Conflict in Contemporary American Society 2018-04-12 from a writer with long and high level experience in the u s government a startling and provocative assessment of america s global dominance maximalist puts the history of our foreign policy in an unexpected new light while drawing fresh compelling lessons for the present and future when the united states has succeeded in the world stephen sestanovich argues it has done so not by staying the course but by having to change it

usually amid deep controversy and uncertainty for decades the united states has been a power like no other yet presidents and policy makers worry that they and even more their predecessors haven't gotten things right other nations they say to themselves contribute little to meeting common challenges international institutions work badly an effective foreign policy costs too much public support is shaky even the greatest successes often didn't feel that way at the time sestanovich explores the dramatic results of american global primacy built on these anxious foundations recounting cycles of overcommitment and underperformance highs of achievement and confidence followed by lows of doubt we may think there was a time when america's international role reflected bipartisan unity policy continuity and a unique ability to work with others but maximalist tells a different story one of divided administrations and divisive decision making of clashes with friends and allies of regular attempts to set a new direction doing too much has always been followed by doing too little and vice versa maximalist unearths the backroom stories and personalities that bring american foreign policy to life who knew how hard lyndon johnson fought to stay out of the war in vietnam or how often henry kissinger ridiculed the idea of visiting china who remembers that george bush sr found ronald reagan's diplomacy too passive or that bush jr considered bill clinton's too active leaders and scoundrels alike emerge from this retelling in sharper focus than ever before sestanovich finds lessons in the past that anticipate and clarify our chaotic present

**African American Women's Rhetoric** 2009-02-16 let us talk of many things first published in 2000 brings together buckley's finest speeches from throughout his career always deliciously provocative they cover a vast range of topics the end of the cold war manners in politics the failure of the war on drugs the importance of winning the america's cup and much else reissued with additional speeches let us talk of many things is the ideal gift for any serious conservative

**Between Science and Religion** 2009-08-15 from the silent era to the present film productions have shaped the way the public views campus life collaborations between universities and hollywood entities have disseminated influential ideas of race gender class and sexual difference even more directly hollywood has drawn writers actors and other talent from ranks of professors and students while also promoting the industry in classrooms curricula and film studies programs in addition to founding film schools university administrators have offered campuses as filming locations in university babylon curtis marez argues that cinema has been central to the uneven incorporation and exclusion of different kinds of students professors and knowledge working together marez argues film and educational institutions have produced a powerful ideology that links respectability to academic merit in order to marginalize and manage people of color combining concepts and methods from critical university studies ethnic studies native studies and film studies university babylon analyzes the symbolic and institutional collaborations between hollywood filmmakers and university administrators over the representation of students and by extension college life more broadly

Ethical Communication 2013-02-15 as human rights discourse increasingly focuses on analysing states and the institutions that promote and support the human rights machinery that states have created this volume serves to recall that despite the growing size of the machinery and unwieldy nature of states human rights began with real people it samples a broad range of actors and localities where everyday people fought to ensure that the basic principles of human rights became a reality for all this volume will give a face to the everyday people to whom credit is due for shaping human rights it also responds to the perennial question of how to begin a career in human rights by highlighting that there is no single path into this dynamic field a field built on the back of small initiatives by people across a broad spectrum of career paths

*The Papers of Dwight David Eisenhower* 1970 the clash of religion and politics has been a steady source of polarization in north america in order to think wisely and constructively about the spiritual dimension of our political life there is need for an approach that can both maintain the diversity of belief and foster values founded on the principles of religion in spiritualizing politics without politicizing religion james r price and kenneth r melchin provide a possible framework approaching issues in politics via a profile of sargent shriver 1915 2011 an american diplomat politician and a driving force behind the creation of the peace corps focusing on the speeches shriver delivered in the

course of his work to advance civil rights and build world peace price and melchin highlight the spiritual component of his efforts to improve institutional structures and solve social problems they contextualize shriver s approach by contrasting it with contemporary landmark decisions of the u s supreme court on the role of religion in politics in doing so spiritualizing politics without politicizing religion explains that navigating the relationship of religion and politics requires attending to both the religious diversity that politics must guard and the religious involvements that politics needs to do its work

**Maximalist** 2014-02-11 in an era increasingly marked by polarized and unproductive political debates this volume makes the case for a renewed emphasis on teaching speech and debate both in and outside of the classroom speech and debate education leads students to better understand their first amendment rights and the power of speaking it teaches them to work together collaboratively to solve problems and it encourages critical thinking reasoned and fact based argumentation and respect for differing viewpoints in our increasingly diverse and global society highlighting the need for more emphasis on the ethics and skills of democratic deliberation the contributors to this volume leading scholars teachers and coaches in speech and debate programs around the country offer new ideas for reinvigorating curricular and co curricular speech and debate by recovering and reinventing their historical mission as civic education combining historical case studies theoretical reflections and reports on programs that utilize rhetorical pedagogies to educate for citizenship speech and debate as civic education is a first of its kind collection of the best ideas for reinventing and revitalizing the civic mission of speech and debate for a new generation of students in addition to the editors the contributors to this volume include jenn anderson michael d bartanen ann crigler sara a mehlretter drury david a frank g thomas goodnight ronald walter greene taylor w hahn darrin hicks edward a hinck jin huang una kimokeo goes rebecca a kuehl lorand laskai tim lewis robert s littlefield allan d louden paul e mabrey iii jamie mckown gordon r mitchell catherine h palczewski angela g ray robert c rowland minhee son sarah stone watt melissa maxcy wade david weeks carly s woods and david zarefsky

**Let Us Talk of Many Things** 2008-10-28 this book explores the way today s interconnected and digitized world marked by social media over sharing and blurred lines between public and private spheres shapes the nature and fallout of scandal in a frenzied media environment today s digitized world has erased the former distinction between the public and private self in the social sphere scandal in a digital age marries scholarly research on scandal with journalistic critique to explore how our internet culture driven by over sharing and viral visual content impacts the occurrence of scandal and its rapid spread online through retweets and reposts no longer are examples of scandalous behavior merely reported in the news today news consumers can see the visual evidence of salacious behavior whether through an illicit tweet or video with a simple click and we can t help but click

University Babylon 2019-11-19 drawing on the political theology of reinhold niebuhr described by barack obama as one of my favourite philosophers this book assesses the challenges facing the president during his first term it evaluates his success in adhering to niebuhr s path of christian realism when faced with the pragmatic demands of domestic and foreign affairs in 2008 candidate obama used the ideas of hope and change to inspire voters and secure the presidency obama promised change not only regarding america s policies but even more fundamentally in the nation s political culture holder and josephson describe the foundations of president obama s christian faith and the extent to which it has shaped his approach to politics their book explores obama s journey of faith in the context of a broadly augustinian understanding of faith and politics examines the tensions between christian realism and pragmatic progressivism explains why a christian realist interpretation is essential to understanding obama s presidency and applies this model of understanding to considerations of foreign and domestic policy by combining this theological and political analysis the book offers a special opportunity to reflect on the relationship between christian faith and statesmanship reflections that are missing from current popular discussions of the obama presidency through consideration of niebuhr s models of the prophet and the statesman and the more popular alternative of the political evangelist holder and josephson are better able to explain the president s

successes and his failures and to unveil the augustinian limits of the political life

The Faces of Human Rights 2019-05-16 welcome to barack obama his inspiring speeches a 12 part book series that encapsulates the most complete collection of the iconic speeches that defined a presidency for the members of the african diaspora community seeking to embrace their heritage and preserve the accomplishments of one of their most prominent figures this 12 part book series is a testament to the remarkable legacy of barack obama this book is more than a mere tribute it is a testament to the triumphs and struggles of our community it invites you to embrace your african diaspora heritage and find inspiration in the journey of an extraordinary leader obama s words ignite a sense of pride and possibility empowering a new generation to shape their own destinies immerse yourself in the wisdom and passion that flow through the pages of barack obama and his inspiring speeches celebrate the achievements of a trailblazer who shattered barriers and defied expectations let his words ignite your own aspirations and empower you to make a lasting impact on the world around you

*Spiritualizing Politics without Politicizing Religion* 2022-03-31 in a time of political turmoil how should we pray what is the role of prayer in resisting politics that are based on hatred and division this book claims prayer as a way to choose hope over fear beginning soon after the inauguration in 2017 shannon craigo snell offered brief daily prayers lifting up people and groups who were actively working for the common good these prayers collected here provide a historical record of the rhetorical and political outrages of the first year of the trump administration as well as the actions of those who resisted they remember the small victories averted disasters and ongoing struggles of people of good will they affirm not only the practical value of political involvement but also the spiritual value of such engagement in solidarity with those most vulnerable to destructive policies in addition to these daily prayers this book offers an introduction and invitation to prayer intercessory prayer in particular can bridge divides between religious traditions and cultural differences creating a space in which diverse communities can hope together for a better world

**Speech and Debate as Civic Education** 2017-10-31 a new account of grand strategy critical to understanding how america has used its power in both peace and war

**Scandal in a Digital Age** 2016-08-10 argues that the obama administration has become the most divisive presidency in history describing how the president has put his ideological and electoral interests ahead of what is best for the country

**The Irony of Barack Obama** 2016-03-09 what democrats talk about when they talk about god is a collection of essays on the religious communication of members of the democratic party past and present in office while campaigning and in their public and private writing while many books on the market address issues at the intersection of church and state none to date have focused exclusively on democrats as important participants in the dialogue about religion and politics

*Barack Obama & His Inspiring Speeches Vol. 3* 2019-01-17 violence has been a central feature of america s history culture and place in the world it has taken many forms from state sponsored uses of force such as war or law enforcement to revolution secession terrorism and other actions with important political and cultural implications religion also holds a crucial place in the american experience of violence particularly for those who have found order and meaning in their worlds through religious texts symbols rituals and ideas yet too often the religious dimensions of violence especially in the american context are ignored or overstated in either case poorly understood from jeremiad to jihad religion violence and america corrects these misunderstandings charting and interpreting the tendrils of religion and violence this book reveals how formative moments of their intersection in american history have influenced the ideas institutions and identities associated with the united states religion and violence provide crucial yet underutilized lenses for seeing america anew including its outlook on and relation to the world

Disciplined Hope 2024-01-11 even as historians credit ronald reagan and pope john paul ii with hastening the end of the cold war they have failed to recognize the depth or significance of the bond that developed between the two leaders acclaimed scholar and bestselling author paul kengor changes that in this fascinating book he reveals a singular bond which included a spiritual connection

between the catholic pope and the protestant president that drove the two men to confront what they knew to be the great evil of the twentieth century soviet communism reagan and john paul ii almost didn't have the opportunity to forge this relationship just six weeks apart in the spring of 1981 they took bullets from would be assassins but their strikingly similar near death experiences brought them close together to moscow's dismay based on kengor's tireless archival digging and his unique access to reagan insiders a pope and a president is full of revelations it takes you inside private meetings between reagan and john paul ii and into the oval office the vatican the cia the kremlin and many points beyond nancy reagan called john paul ii her husband's closest friend reagan himself told polish visitors that the pope was his best friend when you read this book you will understand why as kindred spirits ronald reagan and john paul ii united in pursuit of a supreme objective and in doing so they changed history
