The Catholic Church 2014

roman catholicism stands at a crossroads a classic best of time worst of times moment on the one hand the catholic church remains by far the largest branch of the worldwide christian family and is growing at a remarkable clip yet the church has also been rocked by a series of scandals related to the sexual abuse of minors by clergy and even more devastating the cover up by the church hierarchy the church has enormous residual strength and exciting future prospects but it also faces steep internal and external challenges the author offers an authoritative and accessible guide to the past present and future of the church

A Concise History of the Catholic Church 1977

critical mass is an in depth look at what happened in the catholic church during the first generation after the second vatican council a period corresponding to the pontificates of paul vi through john paul ii the book starts with a close look at some key conciliar documents other chapters study how tradition was systematically dismantled the roles of the clergy and laity in the post vatican ii church the mindsets of liberal traditional and conservative catholics how the church became a turgid bureaucracy all the way down to the parish level the dumbing down of religious education the church s post vatican ii approach to social justice issues the influence of radical feminism on the church the book concludes with an interesting even radical prognosis for the future

roman catholicism stands at a crossroads a classic best of times worst of times moment on the one hand the catholic church remains by far the largest branch of the worldwide christian family and is growing at a remarkable clip yet the church has also been rocked by a series of scandals related to the sexual abuse of minors by clergy and even more devastating the cover up by the church hierarchy the decade long crisis has taken a massive financial toll but the blow to both the internal morale and the external moral standing of the church has been even steeper today the church has enormous residual strength and exciting future prospects but also faces steep internal and external challenges the question of whether catholicism is of vital public relevance for believers and non believers alike in the catholic church what everyone needs to know john l allen jr one of the world s leading authorities on the vatican offers an authoritative and accessible guide to the past present and future of the church what everyone needs to know is a registered trademark of oxford university press

The Catholic Church: 2014-02-18

walter kasper is already well known and loved throughout the english speaking world he has held high office in the vatican but until his recent retirement has felt constrained from publishing what he really thinks and his vision of the church for the future kasper brings to conclusion a project that has been pursued for years as it joins together his greatest monographs on the subject of god s teaching and christology the book covers three main topics nature reality and the mission of the church the introductory section is autobiographical and the reader can see kasper s personal and theological way in to and with the church he develops the actual ecclesiological exegesis for kasper the representation of the being of the church is not about empirical description but rather a testimony of being he emphasizes that nobody is able to apply the stereotypical and idealistic image of the heavens to the critical acknowledgement of the church s present the program of the church is ultimately not self directed but rather remains oriented towards the finalization of the arrival of the kingdom of god and the spiritual healing of the human race

The Catholic Church, the Renaissance and Protestantism 1907

Catechism of the Catholic Church 1995-04-15

lecture notes from the year 2007 in the subject theology historic theology ecclesiastical history language english abstract this overview is about the issues in the catholic church at first it covers a brief overview about the history of the first general council of nicea in 325 then it gives information about the situation and the rights and obligations of catholic clergy at the end it mentions the importance of youth involvement in the liturgical life of the catholic church

Introduction to the Catechism of the Catholic Church 2014-06-19

there have been twenty one universal gatherings ecumenical councils of the catholic church the first opened in 325 the last closed in 1965 and the names of many ring out in the history of the church nicea chalcedon trent vatican ii though centuries separate the councils each occurred when the church faced serious crises sometimes with doctrinal matters sometimes with moral or even political matters and sometimes with discerning the church s relation to the world the councils determined much of what the catholic church is and believes additionally many councils impacted believers in other christian traditions and even in other faiths in this accessible readable and yet substantial account of the councils joseph kelly provides both the historical context for each council as well as an account of its proceedings readers will discover how the councils shaped the debate for the following decades and even centuries and will appreciate the occasional portraits of important conciliar figures from emperor constantine to pope john

The Catholic Church 2013-03-20

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

The Teaching of the Catholic Church as Contained in Her Documents 1967

originally published in 1988 the new found freedom and changing attitudes towards catholics after the american revolution presented the catholic church with its first real opportunity to prosper in the english speaking new world but the catholic church could not take advantage of this opportunity unless it shook off some of its old world characteristics and became accustomed to the american environment this study attempts to analyse the very nature of american catholicism by investigating the impact of the american environment on the development of the catholic church in american during the episcopacy of john carroll this title will be of interest to students of history and religious studies

The Catholic Church 2015-02-26

an evaluation of the catechism of the catholic church from a north american perspective by distinguished theologians educators and liturgists

The Catholic Mind 1966-05

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

A Short History of the Catholic Church 1974

in addition to providing a textbook for students the author has also endeavored to present to the general reader especially the catholic layman a concise clear history of the catholic church it is hoped that the copious illustrations and maps appearing in this volume will make it still more interesting to the reader while the numerous

excerpts from the writings of the fathers doctors documents of the councils of the church and of the popes etc will make for better acquaintance with these interesting phases of church history author s preface

The Catholic Encyclopedia 1913

the nature of the church and the authority of the pope explained with clarity and verve msgr ronald knox shows that the catholic church is not just an assembly of christians but is directly the handiwork of god deliberately designed by him as a hierarchical institution headed by the pope

The Catholic Church Alone 1903

Brief overview of the organisation and function of the catholic church

2009-09-01

so vast is the material to be controlled digested and presented in the work of preparing a manual of church history for the use of students in colleges seminaries and universities or for the enlightened portion of the general public the historian who undertakes the task is always confronted with the problem of knowing what to leave out as non essential details or events of secondary importance and what to include as matter of capital importance to an understanding of the story of the church of christ he must carefully steer the course between the scylla of the dry hard rocks of a lifeless series of dates and events and the charybdis of the full flowing tide of a narrative too extensive for the student to master within the time allotted for this reason a really first class manual of church history is rather rare as a rule authors include either too little or too much dom poulet has apparently hit upon the happy medium the success attained by his manual is attested by the fact that since its first publication his manual has now reached its fourth edition in the french original the work is the ripe fruit of many years teaching of the subject to ecclesiastical students for whose use it is primarily intended although for that reason it is no less suitable for either the college group or the cultivated public approach to the vast amount of material involved and the orientation of the student or reader is rendered easier by excellent synoptic and chronological tables the paramount requirements of a manual of instruction are clarity conciseness and precision to this ideal dom poulet has strictly adhered he has set aside secondary details without at the same time omitting anything of importance the development of dogmas is given an important place the theological quarrels and controversies are exposed exactly and amply as would be expected from the pen of a benedictine the history of the liturgy receives due attention the text of the two volumes is easy to read the style sober correct and elegant most rev thomas k gorman d d bishop of reno docteur en sciences historiques lovan february 14 1935

The Ecumenical Councils of the Catholic Church 1901

what is the catholic church how did it begin and develop into one of the largest religious organizations in the world why does it continue to grow when so many other christian denominations have declined the catholic update guide to the catholic church gives readers a concise yet inclusive overview of the church as we know it today the book explores the history of how the church came to be looking at key moments in its development from the time of jesus to the twenty first century it examines the structure and organization of the church highlighting the practical implications of what s needed to run a worldwide institution while keeping an eye on the critical pastoral role of the church you ll find out what makes the church distinctly catholic identifying various qualities and characteristics of its members and solidifying the core tenets of christianity inherent in the faith more than just a religious organization this book will show how the catholic church today holds the promise of a life filled with meaning and purpose grounded in god and modeled on the teachings of jesus christ
