Fundamentals of Research in Criminology and Criminal

Justice 2016-12-19 the increasingly important topic of comparative criminal justice is examined from an original and insightful perspective by one of the top scholars in the field addressing the need for a globalized criminology david nelken looks at why we should study crime and criminal justice in a comparative and international context and the difficulties we encounter when we do evaluating global trends in crime risk and security the book draws upon the author s experience of working in a number of settings around the world a range of case studies are included to illustrate the discussion covering areas such as white collar crime juvenile delinquency and organized crime

Criminal Justice: An Introduction 2011-04-22 the book is a follow up to lessons in criminology and criminal justice where 25 facts about crime and criminal justice were discussed the book tells the story of 25 more facts that the author has learned in his quarter century of working in the fields of criminology and criminal justice the book lays out each fact one at a time and then presents research in support of that fact the facts pertain to issues of crime justice policing courts corrections race crime prevention biases in criminal justice drug use and abuse and social control more generally though the book is scholarly in nature it is written for the layperson and novice student using humor where appropriate but also utilizing a tell it like it is approach the book will be always interesting timely and engaging and occasionally funny

Reflections on Crime 1978 criminal justice ethics fourth edition examines the criminal justice system through an ethical lens by identifying ethical issues in practice and theory exploring ethical dilemmas and offering suggestions for resolving ethical issues and dilemmas faced by criminal justice professionals

bestselling author cyndi banks draws readers into a unique discussion of ethical issues by exploring moral dilemmas faced by professionals in the criminal justice system before examining the major theoretical foundations of ethics this distinct organization allows readers to understand real life ethical issues before grappling with philosophical approaches to the resolution of those issues

Explaining Criminal Justice 1980 uses the trayvon martin case as a springboard to examine race crime and justice in our criminal justice system contributors explore how race and racism inform how americans think about criminality how crimes are investigated and prosecuted and how highly publicized criminal cases go on to shape public views about offenders and the criminal process

Comparative Criminal Justice 2010-05-05 roscoe pound believed that unless the criminal justice system maintains stability while adapting to change it will either fossilize or be subject to the whims of public opinion in criminal justice in america pound recognizes the dangers law faces when it does not keep pace with societal change when the home neighborhood and religion are no longer capable of social control increased conflicts arise laws proliferate and new menaces wrought by technology drugs and juvenile delinquency flourish where pound saw the influence of the motion pictures as part of the multiplication of the agencies of menace today we might cite television and the internet his point still holds true the old machinery cannot meet the evolving needs of society in criminal justice in america pound points out that one aspect of the criminal justice problem is a rigid mechanical approach that resists change the other dimension of the problem is that change when it comes will result from the pressure of public opinion justice suffers when the public is moved by the oldest of public feelings vengeance this can result in citizens taking the law into their own handsâ from tax evasion to mob lynchingsâ as well as in altering the judicial systemâ from sensationalizing trials to producing wrongful convictions ron christenson in his new introduction discusses the evolution of roscoe pound s career and thought pound s theories on jurisprudence were

remarkably prescient they continue to gain resonance as crimes become more and more sensationalized by the media criminal justice in america is a fascinating study that should be read by legal scholars and professionals sociologists political theorists and philosophers

Realities of Criminology and Criminal Justice

2023-12-20 a unique text reader that takes a comprehensive interdisciplinary approach to the study of criminology providing an affordable alternative to the standard textbook this new edition of the authors popular text reader provides instructors and students the best of both worlds authored text with carefully selected accompanying readings now thoroughly updated with new articles new content and new statistics tables and figures this second edition provides an interdisciplinary perspective on crime and criminality that incorporates the latest theories concepts and research from sociology psychology genetics evolutionary biology and the neurosciences the new edition is divided into 15 sections that mirror chapters in a typical criminology textbook new to this edition a new section 11 on mass murder and terrorism makes coverage of these high interest topics even more accessible section 10 now focuses only on murder rape robbery aggravated assault and domestic violence making it easier for students to absorb the material new articles appear in the structural theories section the sections devoted to violent crime and throughout the text reader as needed the authors now more closely link sections on types of crime to sections on theory to give readers a more cohesive understanding of the connections between the two contemporary criminologists favored theories drawn from a survey of 770 criminologists now appear in a table to give readers insight into the professional opinion today on criminological theories features each section has a 15 page introduction a mini chapter that contains vignettes photos tables and graphs end of chapter questions and exercises followed by three to four supporting readings theory section introductions contain a unique table that compares and contrasts the theories presented while theory concluding sub sections focus on policy and crime prevention a how to read a

research article guide which appears prior to the first reading illustrates key aspects of a research article the book's readings are drawn from carefully selected edited journal articles appropriate for an undergraduate audience

Crime and Criminal Justice in American Society 2008 bohm and walker's thought provoking volume addresses many of the american public's misconceptions about crime and criminal justice these understandings are often inaccurate and based on myths each of this anthology's 27 chapters demystifies or debunks one of these current myths setting the record straight demystifying crime and criminal justice is organized to follow a logical progression through the criminal justice process part one addresses myths about crime part two examines myths about law enforcement part three investigates myths about the administration of justice and part four focuses on myths about punishment and corrections a unique feature of the book is that every chapter follows the same format each chapter opens with a brief section introducing a myth or a set of myths about a particular topic next follows the kernel of truth section which identifies accurate aspects of the myth or myths the authors assume that for myths to be believable and accepted they usually must contain at least a kernel of truth in the third section the truth or facts the authors debunk the myth or myths by providing evidence this is followed by interests served by the myth which illuminates how the interests of specific individuals or groups are promoted by the creation and perpetuation of the myth or myths finally policy implications of belief in the myth highlights some of the practical and often undesirable consequences of belief in the myth or myths written in clear accessible language demystifying crime and criminal justice engages the reader with straightforward analysis cutting edge information and research designed to stimulate critical thinking and class discussion this mindset challenging volume offers students a deeper understanding of crime and criminal justice

Criminal Justice Ethics 2016-02-23 this updated second edition provides an overview of the origin and development of the american criminal justice system

from the founding of jamestown the first english settlement and tracing history to the events of september 11 2001 each chapter begins with an overview of the social political and economic forces that shaped society during a given era in american history what follows then is an overview of the ordinary and extraordinary crimes of each era and how the criminal justice system police courts corrections and juvenile justice responded to these crimes thereby conveying how the system developed over time i know of no better text that offers with such breadth depth and clarity a major survey of america s history seen through the lens of america s most defining of features crime and justice the course i teach is a two semester honors seminar for undergraduates called us institutions values one from us origins to 1900 and the other from 1900 to the present both of which focus on punishment and the prison as essential to understanding american values and institutions this book does it all and is a steady staple in helping my students understand and grapple with their america and its history jason s sexton california state university fullerton a history of crime and criminal justice in america provides a window into the past and a cure for our collective historical ignorance and amnesia the authors have done a masterful job of synthesizing and presenting this enormously complex topic this book will not provide a cure for crime or a magic bullet to reform the criminal justice system but readers who make this fascinating journey through time with willard oliver and james hilgenberg will gain a heightened sense of the complexities of american criminal justice and hopefully learn to avoid the mistakes of the past dr alexander w pisciotta kutztown university of pennsylvania from the foreword the teacher s manual w test bank is available electronically on a cd or via email contact beth hall at bhall@capress.com to request a copy

Deadly Injustice 2015-12-11 international criminal justice is in transition this book explores the growing internationalisation of criminal justice as a phenomenon of global governance it provides students with a critical understanding of the international institutions for regulating transnational crime the development of alternative justice processes across the

funding agencies

Introduction to Criminology 2010-12-09 criminal law offers a unique hybrid approach to learning criminal law most textbooks oversimplify the law by presenting the black letter law for major and defenses but they rarely present any corresponding exploration of the gray areas that exist beyond the basic rules of law conversely casebooks present numerous edited judicial opinions often with context criminal law takes the best from each of these approaches by merging textual pedagogy and case analyses into a coherent framework that includes legal history social context and public policy taking a historical approach legal expert henry f fradella presents the law as it evolved from english common law and compares it with the modern statutory approach to crimes set forth in the american law institute s highly influential model penal code after providing such comparative pedagogy for each crime or defense criminal law presents 1 2 edited cases that allow the reader to contrast how the black letter law plays out in the real world after each case a series of questions challenge students to engage in critical thinking about the case and its implications as precedent finally chapters contain a number of additional pedagogical features that focus on public policy concerns and statutory interpretation skills using penal laws from a variety of u s states

Demystifying Crime and Criminal Justice 2006 this book offers an authoritative and comprehensive overview of criminal justice policy from crime prevention to rehabilitation and brings together leading experts in the field to discuss how criminology can advance sound and evidence based policy

A History of Crime and Criminal Justice in America 2010 criminal justice a brief introduction 7th continues to offer a trusted authoritative and impeccably researched introduction to the criminal justice system in america this book s freedom vs safety theme its unmatched timeliness and its coverage of the newest criminal justice trends and technology helps readers think critically about the criminal justice system in a time when the issue of freedom vs safety has never been more critical the book s primary theme discusses the balance of freedom and safety between our society and the

criminal justice system terrorism and security issues include up to date coverage of police terrorism response including the most recent information on counter terrorism initiatives by america s police other hot topics include all the latest crime statistics court cases trends in the system and criminal justice news extensive coverage of technology and crime includes the latest law enforcement technology used to combat crime and technology used by criminals to commit crimes also includes extensive discussion of the juvenile justice system for anyone with current or future criminal justice careers or those in law enforcement positions

International and Comparative Criminal Justice

2013-06-19 this book provides the student researcher or practitioner with the tools to understand many of the most commonly used advanced statistical analysis tools in criminology and criminal justice and also to apply them to research problems the volume is structured around two main topics giving the user flexibility to find what they need quickly the first is the general linear model which is the main analytic approach used to understand what influences outcomes in crime and justice it presents a series of approaches from ols multivariate regression through logistic regression and multi nomial regression hierarchical regression to count regression the volume also examines alternative methods for estimating unbiased outcomes that are becoming more common in criminology and criminal justice including analyses of randomized experiments and propensity score matching it also examines the problem of statistical power and how it can be used to better design studies finally it discusses meta analysis which is used to summarize studies and geographic statistical analysis which allows us to take into account the ways in which geographies may influence our statistical conclusions

Scholarly Influence in Criminology and Criminal Justice

2014-07 this book examines race ethnicity crime and criminal justice in the americas and moves beyond the traditional focus on north america to incorporate societies in central america south america and the caribbean

Dangerousness and Criminal Justice 1981 in a liberal

democracy theory suggests that the political order and character of a civil society are closely connected the political order allows for a dynamic and pluralistic civil society and people s civic participation encourages support for the political order in examining the role of punishment in the u s and the u k however jonathan jacobs maintains that the current state of incarceration is antithetical to the principles of a liberal democracy and betrays an abandonment of that project s essential values the existing system imposes harsh injustices on incarcerated people it subjects them to inhumane prison conditions creates numerous obstacles that block their reentry into society upon release and erodes their capacity to participate in civic life and exercise individual moral agency and in recent decades the number of its people that the u s has incarcerated has grown dramatically jacobs engages with substantial philosophical literature to argue that necessary and significant reforms to the u s and u k criminal justice systems demand a serious recommitment to the values and principles of a liberal democracy topics include the justification and aims of punishment the role of criminal justice within theories of a just society and empirical considerations regarding long term incarceration and its impact by comprehensively exploring the relationship between criminal justice and justice he highlights distinctive elements of criminal justice as the basis for a retributivist conception of punishment that highlights desert and proportionality jacobs defends retributivism against familiar accusations that it approves vindictiveness and inevitably harms offenders and shows how consequentialist approaches are seriously flawed drawing equally from both philosophy and criminology jacobs argues for a renewed dedication to the values and principles of a liberal democracy as critical to the possibility of criminal justice being truly just

Criminal Law 2022-06-24 this book critically examines the media to identify how crime and criminal justice are treated in the news entertainment and infotainment media the book sheds light on important realities of crime and criminal justice and corrects major misconceptions created by coverage of crime and criminal justice in the media

Ethics, Crime, and Criminal Justice 2017-01-05 why is punishment not more effective why do we have such high re offending rates how can we deal with crime and criminals in a more cost effective way over the last decade in particular the united kingdom in common with other jurisdictions such as canada the united states us and australia has sought to develop more effective ways of responding to criminal behaviour through court reforms designed to address specific manifestations of crime strongly influenced by developments in us court specialization problem solving and specialist courts including domestic violence courts drugs courts community courts and mental health courts have proliferated in britain over the last few years these courts operate at the intersection of criminal law and social policy and appear to challenge much of the traditional model of court practice in addition policy makers and practitioners have made significant attempts to try to embed problem solving approaches into the criminal justice system more widely through examination of original data gathered from detailed interviews with judges magistrates and other key criminal justice professionals in england and wales as well as analysis of legislative and policy interventions this book discusses the impact of the creation and development of court specialization and problem solving justice this book will be essential reading for students and academics in the fields of criminology criminal justice criminal law socio legal studies and sociology as well as for criminal justice practitioners and policy makers *Advancing Criminology and Criminal Justice Policy* 2016 *Roscoe Pound and Criminal Justice* 1965 *Criminal Justice* 2007
