~~fantastic world populated by strange creatures through the looking glass and what alic found there is a sequel to the novel alic in~~  
wonderland this time alic enters a fantastical world by climbing through a mirror and finds herself in the environment of the reversed logic where you must run to keep standing and all the nursery rhyme characters exist sylvie and bruno is a novel with a double plot the events take place in victorian britain and have a parallel in the fantasy world of elfland it is a social novel with its characters discussing various concepts and aspects of religion society philosophy and morality sylvie and bruno concluded is a second volume of the novel sylvie and bruno presenting the further adventures of the protagonists biography the life and letters of lewis carroll is biography of the writer based on the recordings of his contemporaries and his own journals and correspondence

## **Lewis Carroll: The Complete Novels (The Greatest Novelists of All Time - Book 12)**

2023-12-23

these adaptations of alic s adventures in wonderland and through the looking glass are faithful to lewis carroll s original text except this edition is in the stacked prose format instead of being boxed in paragraphs the pages are divided into two columns of text and the lines are short and often divided by punctuation such as a comma period or question mark etc which can make for fast and easy reading this stacked prose format adaptation breaks up lines of text in the way you would read them aloud and is ideal for speed reading reading aloud and dramatic reading empty lines are inserted instead of paragraph indents this adaptation makes the story easy to read without the hyphenation of words at the ends of lines the human eye may get tired reading across a wide line of text but when lines are short the reading can be faster younger readers may enjoy this adaptation because it is easier to understand stacked prose is easier to read than normal prose because it is structured more like people talk

4/17

~~adventures of alice a young girl who steps through a mirror and into a fantastical world on the other side the book is divided into~~  
twelve chapters each depicting a different surreal scenario in that alice finds herself the book s central theme is the concept of looking  
glass logic where things are the opposite of what they seem to be for example alice encounters a white queen who claims to be able to  
believe six impossible things before breakfast and a red king who is asleep throughout the entire book the novel also incorporates  
elements of chess with alice moving through the chessboard landscape and encountering characters representing the different chess  
pieces the book s final chapter sees alice become a queen herself providing a satisfying conclusion to the chess theme to know how  
alice becomes a queen readers should read this novel

## ***Lewis Carroll***

1996-11-26

through the looking glass is a novel by lewis carroll published in 1871 and is the sequel to alice s adventures in wonderland the story  
follows alice as she enters a fantastical world by climbing through a mirror in this world everything is reversed including logic and the  
characters are represented by chess pieces alice meets various characters including the red queen tweedledum and tweedledee and  
the white queen the book makes use of chess motifs and imagery with the story divided into square fields divided by brooks or streams  
the book has been adapted into various films tv shows and plays a missing scene involving a wasp in a wig was suppressed and later  
discovered in 1974 the book is considered a mirror image of its predecessor alice s adventures in wonderland discover a new way to  
read classics with quick read this quick read edition includes both the full text and a summary for each chapter reading time of the  
complete text about 3 hours reading time of the summarized text 6 minutes
