New Routes to Human Services 2002-02-08

this revised edition of the 1988 book on information and referral networks doorways to human services has been designed to present an updated report on the continuous and dramatic expansion of information and referral services that has occurred since its early beginnings in the 1960s the current revised edition recognizes the enormous impact of information technology that has literally opened up new routes to the human services thereby providing unprecedented opportunities for facilitating access to the complex systems of health and social services jointly referred to as the human services

Careers In Counseling And Human Services 2013-01-11

providing information needed to make choices about different occupations in counselling and human services the second edition of this text enables readers to examine their own strengths and limitations within these fields the opening chapters examine profession and personal issues to be considered in making career choices next chapters present examples of counselling and human services careers in seven different work settings all written by professionals in that particular area schools higher education business and industry private practice federal and state agencies health care facilities residential treatment and community based support programmes also included in the setting chapters is the most up to date salary information available finally information is provided about licensure certification programme accreditation and the next steps for further career decision making a comprehensive appendix contains current names and addresses of 63 professional associations organizations and licensing bodies related to the counselling and human services professions the index lists 168 occupational titles used throughout the book giving an overview of the field this book can be used as a supplementary text for courses in counselling and human services preparation programmes or in high school and university courses that focus on career exploration it is a valuable resource in any career information library or resource centre

Crime, Second Chances, and Human Services 2019-04-15

this book promotes the notion of second chances and the importance of human services within the communities most affected by crime and the criminal justice system recognition of the fallibility of humans and the necessity of redemption is the first step to change our attitude toward guilt and punishment barring citizens with criminal records from obtaining housing employment education and public benefits like medicaid and food stamps is not only unjust but unproductive for a human society the contributors to this volume argue that second chances are a foundational principle of the human services field
