## Twisted

2015-06-09

in *Twisted My Dreadlock Chronicles* professor and author Bert Ashe delivers a witty fascinating and unprecedented account of black male identity as seen through our culture's perceptions of hair. It is a deeply personal story that weaves together the cultural and political history of dreadlocks with Ashe's own mid-life journey to lock his hair. Ashe is a fresh new voice that addresses the importance of black hair in the 20th and 21st centuries through an accessible, humorous, and literary style sure to engage a wide variety of readers. After leading a far too conventional life for forty years, Ashe began a long, arduous, uncertain process of locking his own hair in an attempt to step out of American convention. Black hair, after all, matters. Few Americans are subject to snap judgements like those in the African American community, and fewer communities face such loaded criticism about their appearances, in particular their hair. *Twisted My Dreadlock Chronicles* makes the argument that the story of dreadlocks in America can't be told except in front of the backdrop of black hair in America. Ask most Americans about dreadlocks, and they immediately conjure a picture of Bob Marley on stage, mid-song, dreads splayed. When most Americans see dreadlocks, a range of assumptions quickly follow: he's Jamaican, he's Rasta, he plays reggae, he stinks, he smokes, he deals, he's bohemian, he's creative, he's counter-cultural. Few styles in America have more symbolism and generate more conflicting views than dreadlocks. To read *Twisted My Dreadlock Chronicles* is to take the cultural pulse of America, to understand a larger story about the truths and biases present in how we perceive ourselves and others. Ashe's riveting and intimate work, a genuine first of its kind, will be a seminal work for years to come.

## A Twisted Style

2021-05-14

In Western cultures, some people have chosen a dreadlock hairstyle despite many in mainstream society looking at it in a negative light. This book deals with contradictions surrounding the hairstyle, such as often representing a protest against the prevailing right-wing political systems, yet also emphasizing the white person's power to appropriate any style. Based on interviews and close observations in social media, the book offers insights into the culture surrounding dreadlocks and ultimately interprets the phenomenon as a postmodern form of individuality.

## No More Fake Reading

2017-07-07

For middle and high school teachers, it's one of today's most vexing problems: how do you motivate students with varied interests and little appetite for classic literature to stop faking their way through texts and start advancing as skilled, engaged readers? Independent reading is an important part of the answer, but it's just that—a part of the whole. In this groundbreaking book, Berit Gordon offers the complete solution: a blended model that combines the benefits of classic literature with the motivational power of choice reading. With the blended model, teachers lead close examinations of key passages from classic texts, guiding students to an understanding of important reading strategies they can transfer to their choice books. Teachers gain a platform for demonstrating critical reading skills students so urgently require, and students thrive on reading what they want to read. In this research-backed book, Gordon leads you step by step to classroom success with the blended model, showing the basics of getting your classroom library up and running, how to build a blended curriculum for both fiction and non-fiction units, keeping relevant standards in mind, tips and resources to help with day-to-day planning, ideas for selecting class novel passages that provide essential cultural capital, and bolster students' reading skills. Strategies for bringing talk into your blended reading classroom, how to reach the crucial learning goal of transfer, a practical, user-friendly approach for assessing each student's progress. *No More Fake Reading* gives you all the tools you need to put the blended model to work for your students and transform your classroom into a vibrant reading environment. Berit Gordon coaches teachers as they nurture lifelong readers and writers. Her path as an educator began in the classroom in the Dominican Republic. Before teaching in New York City public schools, she also taught at the Teachers College of

columbia university in english education she currently works as a literacy consultant in grades 3 12 and lives in maplewood new jersey with her husband and three children

## **Luke Steel Chronicles**

2023-01-31

the luke steel chronicles follows a student s gap year in tibet there he meets fellow travellers all seeking spiritual enlightenment and self discovery as is he but once seduced by copious amounts of entheogens they soon abandon the tried and tested hippie route in search of adventure blazing a trail from kathmandu to the jungles of the golden triangle where they accidentally stumble across a secret society of tsunami surviving ex backpackers for whom the very idea of returning to life in the matrix is not an option fed a diet of opium and indoctrinated to their captor s lifestyle luke realises very quickly he either stays forever or escapes but with no compass and hundreds of miles from civilisation not to mention completely out of his mind on drugs is an escape even an option

## **African American Literature in Transition, 1980–1990: Volume 15**

2020-09-29

african american literature in transition 1980 1990 tracks black expressive culture in the 1980s as novelists poets dramatists filmmakers and performers grappled with the contradictory legacies of the civil rights era and the start of culture wars and policy machinations that would come to characterize the 1990s the volume is necessarily interdisciplinary and critically promiscuous in its methodologies and objects of study as it reconsiders conventional temporal spatial and moral understandings of how african american letters emerged immediately after the movement james baldwin describes as the latest slave rebellion as such the question of the state of america s democratic project as refracted through the literature of the shaping presence of african americans is one of the guiding concerns of this volume preoccupied with a moment in american literary history still burdened by the legacies of the 1960s while imagining the contours of an african americanist future in the new millennium

## **Tribe**

2020-01-06

tribe explores the issues of reciprocity in cross race and cross class relationships using stories narrative and sociological insights and perspectives derived from urban fieldwork and the author s own life the volume examines the social and structural barriers to the formation of these kinds of relationships as well as the transformations that can take place as these barriers are overcome stories interviews and empirically driven narratives are interwoven with theory from the fields of adult education economics sociology ethics theology and history after exploring the barriers to the formation of these relationships and the potential of adults for learning new ways of thinking and being the book makes the case that there are communal and individual benefits to these relationships that far outweigh the difficulties in forming them the book is set up to answer the questions why does it matter if all my friends look just like me and how do i leave behind a siloed existence to live a fully transformational and socially aware life

## **Slavery and the Post-Black Imagination**

2020-07-14

from kara walker s hellscape antebellum silhouettes to paul beatty s bizarre twist on slavery in the sellout and from colson whitehead s literal underground railroad to jordan peele s body snatching get out this volume offers commentary on contemporary artistic works that present like musical deep cuts some challenging alternate takes on american slavery these artists deliberately confront and negotiate the psychic and representational legacies of slavery to imagine possibilities and change the essays in this volume explore the conceptions of freedom and blackness that undergird these narratives critically examining how artists growing up in

the post civil rights era have nuanced slavery in a way that is distinctly different from the first wave of neo slave narratives that emerged from the civil rights and black power movements slavery and the post black imagination positions post blackness as a productive category of analysis that brings into sharp focus recent developments in black cultural productions across various media these ten essays investigate how millennial black cultural productions trouble long held notions of blackness by challenging limiting scripts they interrogate political as well as formal interventions into established discourses to demonstrate how explorations of black identities frequently go hand in hand with the purposeful refiguring of slavery s prevailing tropes narratives and images a v ethel willis white book

## **Treating Black Women with Eating Disorders**

2022-01-13

the first of its kind this edited volume provides in depth culturally sensitive material intended for addressing the unique concerns of black women with eating disorders in addition to comprehensive discussions and treatment guidelines for this population the contributing authors all of whom are black professionals providing direct care to black women offer a range of perspectives to help readers understand the whole experience of their black female clients this includes not only discussion of their clients physical health but also of their emotional lives and the ways in which the stresses of racism discrimination trauma and adverse childhood experiences can contribute to disordered eating through a wealth of diverse voices and stories chapters boldly tackle issues such as stereotypes and acculturative stress clinicians of any race will gain new tools for assessing diagnosing and treating disordered eating in black women and will be empowered to provide better care for their clients

## **Sonic Identity at the Margins**

2011-09-12

sonic identity at the margins convenes the interdisciplinary work of 17 academics composers and performers to examine sonic identity from the 19th century to the present recognizing the myriad aspects of identity formation the authors in this volume adopt methodological approaches that range from personal accounts and embodied expression to archival research and hermeneutic interpretation they examine real and imagined spaces from video games and monument sites to films and depictions of outer space by focusing on sonic creation performance and reception drawing broadly from artistic and performance disciplines the authors reimagine the roles played by music and sound in constructing notions of identity in a broad array of musical experiences from anti slavery songsters to indigenous tunes and soundscapes noise and multimedia to popular music and symphonic works exploring relationships between sound and various markers of identity including race gender ability and nationality the authors explore challenging timely topics including the legacies of slavery indigeneity immigration and colonial expansion in heeding recent calls to decolonize music studies and confront its hegemonic methods the authors interrogate privileged perspectives embedded in creating performing and listening to sound as well as the approaches used to analyze these experiences

## **Steele Chronicles**

2023-04-10

marcko steele is a widower who resides in panama city central america hes best known by the locals as the handsome wealthy owner of the successful upscale jazz club aphrodisiac after the death of his wife in 2005 the only thing that pulled on marckos heart strings was his love for jazz music that changed in march of 2007 when beshira jacobs a beautiful young business woman walked into his night club with her best friend faree fa ray in the months that followed marcko and beshira began a blissful relationship but their love affair would soon be threatened when a vicious and relentless terrorist from marckos past resurfaces raphael godoy a war between marcko and raphael ensues unable to handle marckos chaotic lifestyle beshira returns home to the states and marcko is forced to make a choice between staying in panama to put an end to raphaels reign of terror and pursuing the woman that he loves sax appeal is a roller coaster of emotions youll experience joy pain ecstasy shock and laughter in the end

you'll witness an amazing act of unconditional love
