michael horton is a minister in the united reformed churches of north america and lives in escondido with his wife lisa and four children christless christianity the alternative gospel of the american church michael horton on amazon com free shipping on qualifying offers answer christless christianity the alternative gospel of the american church is a 2008 book by michael horton arguing that the american church is heading for a version of christianity that eagerly accepts christ s offer of salvation but considers it to be just another benefit in a life spent pursuing the american dream to be christless is to be doomed to hell john 3 36 and if someone preaches an alternative gospel contrary to the gospel preached by the apostle paul he is to be accursed gal 1 8 9 people who preach another gospel are not christian friends who happen to disagree with us on this or that matter this alternative gospel is a message of moralism personal comfort self help self improvement and individualistic religion it trivializes god making him a means to our selfish ends in this critically acclaimed book horton skillfully diagnoses the problem and points to the solution a return to the unadulterated gospel of salvation is it possible that we have left christ out of christianity is the faith and practice of american christians today more american than christian these are the provocative questions michael horton addresses in this well received insightful book find helpful customer reviews and review ratings for christless christianity the alternative gospel of the american church at amazon com
