Secrets to Success 2011 finally a book that peels back the true nature of failure and uncovers the inextricable relationship between failure and success it shows you chapter after revealing chapter how to not only embrace failure but how that failure creates a trajectory forward this results in the need to fail fast before getting too far in the game fail often so that you learn more about your task and fail big the book reveals the implementation of the fsg failure success greatness matrix it highlights how great achievers view success and how they used failure to their benefit every single time with failure they not only elevated themselves they took humanity to greater heights with them a section of the book shows you how to embrace failure by changing your mindset towards failing mindsets do make or break the person it controls but your will and logic can come together to change that mindset regardless of how entrenched this book shows you the nature of failure exhibits the path to success and shows you how greatness is achieved you just need to learn to believe in what s in you believe in your greatness but don t get carried away by it and don t gloat about it tuck that knowledge deep inside and allow it to smolder nurture it till it advances to a flame allow it to infect all things you do then nurture it more till that flame becomes a blaze and your successes seem superhuman to lesser minds

Fail Your Way to Success - The Definitive Guide to Failing Forward and Learning How to Extract The Greatness Within 2017-06-25 this is one of the easiest parts of making yourself a success we all forget to do the easiest thing in our current position wherever we are on the road of life whatever we are doing however unpleasant or difficult however challenging the one thing that we always forget to do is to ask for the solution it is so simple yet we seem to overlook it you can t overlook that anymore because asking does a number of things all of which are found in this book the simplest thing in the world and we neglect it because we are looking for complex answers to things that we fail to understand the law of the universe will give you all you desire you just have to ask for it in a way that is universally understood that s what you will find in this book along with that you will develop an understanding of the nature of things that lie beneath the pursuit of success by truly understanding how to ask and when to ask and what to ask for you will slowly begin to understand the nature of this universe asking in the way we describe has been proven time and again for all kinds of requests from solving challenges to asking for inspiration from charging into battles to asking for freedom once you learn how to ask and you internalize how to do it you will transform your life

Ask Your Way to Success 2017-08 the 10 rules of work cover how to get respected valued admired and promoted at work

The Rules of Work 2013 many inspired people miss the opportunities of being gifted the way they are because they don t have the will or the discipline to move the inspiration from their soul to their hands if you are the kind of person that is full of inspiration loads of ideas and have plenty knocking around in your head but none of that has materialized then there is a good chance what you need to do is find a way to introduce discipline into your life in most circles among adults suggesting discipline is problematic because it feels like that word is reserved for kids yes there is one kind of discipline that is reserved for kids but the kind of discipline that you need to attain the kind of success you are thinking of is very different than the picture that emerges at the invocation of the word the discipline you need is the kind that will allow you to take control over your thoughts and actions we may have all the other attributes that are required to be successful but if we lack the discipline then all bets are off that s usually where the problem is when you ve gone through tons of books tons of seminars and you still can t translate inspiration into action this book will show you the reason discipline is elusive to many people and why the lack of success becomes the norm you can t just turn on discipline in many cases you need to understand yourself and understand the reason your greatness is stuck within you struggling to come out but is unable to

The Rules of Work 2005-05-01 this book will give you the details on how your subconscious is programmed how it is controlling every aspect of your life and how to change it

Discipline Your Way to Success 2017-08 some people are simply great at their job they always seem to say or do the right thing they are mentioned in every conversation everybody likes them they get promoted they get pay raises they get along with the boss and somehow they do all these things without being unpleasant breaking much of a sweat or seeming to put in excess effort and when they are offered another step up the corporate ladder or a fabulous new job no one is surprised after all they have potential written all over them how do they do it do they know some secret we don t yes they know the rules of work these rules aren t about how to do your job they are about how you are seen doing it they are about how you appear to others and they are about helping you to achieve the success you richly deserve the first edition of the rules of work a definitive code for personal success became a global phenomenon topping bestseller charts around the world this new edition includes 10 brand new rules to take you further faster these rules are the guiding principles that will improve both what you do and how you do it giving you the unmistakable air of confidence that will win you admiration respect and the next promotion with the rules under your belt you ll have the edge in everything you do without having to compromise your principles
