possible in the face of the particular problems shared by this group of library users my own reaction was one of relative helplessness simply stated most of the fund raising guides printed directories and computer files purport edly created to serve the fund raising public are of little or no use to individuals who seek funding on their own these resources are directed the foundation center is the independent nonprofit organization established by four dations to provide information for the grant seeking public vii viii i preface toward the nonprofit tax exempt agency which is the most common recipient of foundation corporate and government largess they are not designed to respond to the special requirements of the individual grant seeker in the applicant eligibility index the catalog of federal domestic assistance defines individuals as homeowners students farmers artists scientists consumers small business persons minors refugees aliens veterans senior citizens low income persons health and educational professionals builders contractors developers handicapped persons the physically afflicted in short practically everyone qualifies
