## ***Handbook of Research on Effective Project Management through the Integration of Knowledge and Innovation***

2022-02-01

this book reconsiders the relationship between race and nation in argentina during the twentieth and twenty first centuries and places argentina firmly in dialog with the literature on race and nation in latin america from where it has long been excluded or marginalized for being a white european exception in a mixed race region the contributors based both in north america and argentina hail from the fields of history anthropology and literary and cultural studies their essays collectively destabilize widespread certainties about argentina showing that whiteness in that country has more in common with practices and ideologies of mestizaje and racial democracy elsewhere in the region than has typically been acknowledged the essays also situate argentina within the well established literature on race nation and whiteness in world regions beyond latin america particularly other european settler societies the collection thus contributes to rethinking race for other global contexts as well

## ***Physiology of Myelin Forming Cells, from Myelination to Neural Modulators***

1983
