Key to Your Hidden Power

1995

the kabbalists tell us of the lost word the word of power which mankind has lost to him who discovers this word all things are possible is this mirific word really lost yes and no it is the open secret of the universe and the bible gives us the key to it it tells us the word is nigh thee even in thy mouth and in thy heart it is the most familiar of all words the word which in our heart we realise as the centre of our conscious being and which is in our mouth a hundred times a day it is the word i am because i am what i am i may be what i will to be my individuality is one of the modes in which the infinite expresses itself and therefore i am myself that very power which i find to be the innermost within of all things

how this book can work magic in your life the moment you picked up this book you held the key to rebuilding your life in the 367 pages that follow there is set forth in plain terms knowledge that is scientifically sound easy to understand and easy to apply to your own affairs as you read these pages and as you fill in the very important sections that deal with you alone you find out how to make of your life anything you want it to be how to free your days of the deadly monster monotony and fill your days with interest and pleasure and health and love how to make happiness a habit with you how to use every hour of the day even your sleeping hours to add years to your life and life to your years in the sixteen carefully arranged chapters that make up this book

you will read exactly how these things are possible you will see they are possible for you hardly a person has not said to himself if only i could change myself and do better and it is not only older people who look back and sigh over wasted decades young people too look back and realize they are not using their full powers and think if only i could change myself this book shows you how to change yourself from within you have the power now this book shows you how to find it the one great key your superconscious mind

The Hidden Power

2019-03-24

the hidden power and other papers upon mental science is a collection of new thought essays by thomas troward troward was an english writer whose works inspired the new thought movement and mystic christianity excerpt there is a very general recognition which is growing day by day more and more widespread that there is a sort of hidden power somewhere which it is within our ability somehow or other to use the ideas on this subject are exceedingly vague with the generality of people but still they are assuming a more and more definite form and that which they appear to be taking with the generality of the public is the recognition of the power of suggestion i suppose none of us doubts that there is such a thing as the power of suggestion and that it can produce very great results indeed and that it is par excellence a hidden power it works behind the scenes it works through what we know as the subconscious mind and consequently its activity is not immediately recognisable or the source from which it comes

Kabbalah

1997
