An Exposition of the Sermon on the Mount 2011-09-01 matthew s gospel breaks the long silence which followed the ministry of malachi the last of the old testament prophets the silence extended for four hundred years and during that time god was withdrawn from israel throughout this period there were no angelic manifestations no prophet spoke for jehovah and though the chosen people were so rely pressed yet were there no divine interpositions on their behalf for four centuries god shut his people up to his written word again and again had he promised to send the messiah and from malachi onwards there was a believing remnant who anxiously awaited the appearing of the predicted one it is at this point that matthew picks up the thread dropped by the last of the old testament prophets the first purpose of matthew s gospel is to present christ as the fulfiller of the promises made to israel and the prophecies which related to their messiah this is why the word fulfilled occurs in matthew fifteen times and why there are more quotations from the old testament in his gospel than in the remaining three added together arthur walkington pink was an english christian evangelist and biblical scholar known for his staunchly calvinist and puritan like teachings though born to christian parents prior to conversion he migrated into a theosophical society an occult gnostic group popular in england during that time and quickly rose in prominence within their ranks his conversion came from his father s patient admonitions from scripture it was the verse proverbs 14 12 there is a way which seemeth right unto a man but the end thereof are the ways of death which particularly struck his heart and compelled him to renounce theosophy and follow jesus

Arthur W. Pink Collection 2012-05-01 arthur w pink collection vol 2 includes three arthur pink classics comfort for christians the beatitudes and regeneration or the new birth the work unto which the servant of christ is called is many sided not only is he to preach the gospel to the unsaved to feed god s people with knowledge and understanding jer 3 15 and to take up the stumbling stone out of their way isa 57 14 but he is also charged to cry aloud spare not lift up thy voice like a trumpet and show my people their transgression isa 58 1 and cf 1 tim 4 2 while another important part of his commission is stated in comfort ye my people said your god isa 40 1 what an honorable title my people what an assuring relationship your god what a pleasant task comfort ye my people a threefold reason may be suggested for the duplicating of the charge first because sometimes the souls of believers refuse to be comforted ps 77 2 and the consolation needs to be repeated second to press this duty the more emphatically upon the preacher s heart that he need not be sparing in administering cheer third to assure us how heartily desirous god himself is that his people should be of good cheer phil 4 4 opinion has been much divided concerning the design scope and application of the sermon on the mount most commentators have seen in it an exposition of christian ethics men such as the late count tolstoi have

regarded it as the setting forth of a golden rule for all men to live by others have dwelt upon its dispensational bearings insisting that it belongs not to the saints of the present dispensation but to believers within a future millennium two inspired statements however reveal its true scope in matthew 5 1 2 we learn that christ was here teaching his disciples from matthew 7 28 29 it is clear that he was also addressing a great multitude of the people thus it is evident that this address of our lord contains instruction both for believers and unbelievers alike two chief obstacles lie in the way of the salvation of any of adam s fallen descendants bondage to the guilt and penalty of sin bondage to the power and presence of sin or in other words their being bound for hell and their being unfit for heaven these obstacles are so far as man is concerned entirely insurmountable this fact was unequivocally established by christ when in answer to his disciples question who then can be saved he answered with men this is impossible a lost sinner might more easily create a world than save his own soul but forever be his name praised the lord jesus went on to say with god all things are possible matt 19 25 26 arthur walkington pink was an english christian evangelist and biblical scholar born to christian parents prior to conversion he migrated into a theosophical society and quickly rose in prominence his conversion came from his father s patient admonitions from scripture it was proverbs 14 12 there is a way which seemeth right unto a man but the end thereof are the ways of death which particularly struck his heart and compelled him to renounce theosophy and follow jesus

The Tithe 2007-07 prosperity theology is questionable at best yet many

Gleanings in Exodus 1981-06-26 gleanings in exodus contains exhaustive studies that bring out deep theological and spiritual truths from the scriptures this is an excellent resource book

The Sermon on the Mount 2020-07-15 a careful study of the four gospels reveals the fact that christ s ministry had first a special application to the afflicted people of god second it evidently had a peculiar reference to his own immediate disciples and third it had a general bearing upon the people at large such we take it was also the case with the sermon on the mount embodying and illustrating these three distinctive features of christ s public ministry first its opening section the beatitudes is most evidently addressed to those who were afflicted in their souls those deeply exercised before god second its next division referred directly to his public servants as will be shown d v when we take it up in detail third its larger part was a most searching exposition of the spirituality of the law and the refutation of the false teachings of the elders and was meant mainly for the people at large we do not think that w perkins went too far when he said of the sermon on the mount it may justly be called the key of the whole bible for here christ opens the sum of the old and new testaments it is the longest discourse of our lord s recorded in the scriptures he began his public ministry by insisting upon repentance matthew 4 17 and here he enlarges upon this vitally important subject in a variety of ways showing us what repentance really is and what are its fruits it is an intensely practical sermon throughout as matthew henry tersely expressed it there is not much of the credenda of christianity in it the things to be believed but it is wholly taken up with the agenda the things to be done for if any man will do his will he shall know of the doctrine john 7 17 though we are told at the beginning of chapter 5 that it was his disciples whom christ here taught yet it is equally clear from the closing verses of chapter 7 that this sermon was spoken in the hearing of the multitudes this must be steadily borne in mind throughout for while it contains much instruction for believers in connection with their living a good honest and blessed life yet not a little in it is evidently designed for unbelievers particularly those sections which contain a most searching setting forth of the spiritual nature of his kingdom and the character of those who enter and enjoy its privileges romish teachers have greatly erred for they insist that christ here propounded a new law far more perfect than the law of moyses and that he delivered now entirely new counsel to his disciples which was never given in the law or the prophets whereas his intention was to clear the true meaning of the law and the prophets which had been greatly corrupted by the jewish doctors but we will not further anticipate what we shall d v
