

## **The Secret of the Mansion 2003**

thirteen year old trixie belden and her friends search for hidden treasure in a mysterious mansion owned by an old miser

## **Secret of the Mansion-CC 2021-08**

long ago a strange hermit built a secret mansion in the woods now three boys have to discover his secret before something precious is destroyed forever hiram crandon was odd everyone in town believed that he practiced dark magic out in the forest they gossiped about him feared him and tormented him until he disappeared forever but he was hiding something something that the wicked mayor hocek will stop at nothing to take for himself elton brian and jerry are three eleven year old boys at a summer camp for the first time and guess what they hate it elton misses his cell phone brian is scared of his own shadow and jerry is allergic to everything their parents want them to learn character so they re stuck in the middle of the wilderness swimming hiking and canoeing and they re miserable no air conditioning no wi fi no twinkies and no way out for a whole week not only that but they re being picked on by the rude bully jackson hocek yep son of the evil mayor whose father tried to have hiram crandon murdered long ago jackson won t quit tormenting the three friends until they venture out at night to explore the strange haunted crandon manor it s not enough that brian almost drowns and jerry panics over a turtle peeing on him nope they re stuck walking through the eerie woods at midnight jumping at every sound possibly doomed to suffer the same fate as others who have visited the secret mansion at last they come upon the manor three stories of stone and wood soar above the frightened boys an owl hoots in the distance a sudden scuffle in the trees might be a fox or a wolf or a ghost through the ancient windows a light shines but how can that be the mansion has been abandoned for years hasn t it too afraid to try the front door they slip around the side of the enormous house inside are countless rooms far too easy to get lost in it s a

labyrinth inside and what secrets could this strange house possibly hold at last they reach the back of the house next to the lake in the moonlight the waves lap gently against the shore surely this beautiful place can't be haunted they go inside what they find is shocking an old man with a sword weeping before a fire what awaits them is an adventure terror friendship and a secret so precious that they'll need to combine all their resources to protect it the secret mansion is the perfect mystery for kids between the ages of 8 and 12 as it is engaging and not too scary there's no extreme violence or inappropriate language and the story teaches values such as courage friendship trust respect for nature and the terrible things that can happen when gossip and rumors get out of control elton jerry and brian are characters with strengths and flaws and their own unique personalities that will appeal to kids this story uses humor and suspense to keep kids interested in reading the language used is appropriate for light reading there are some vocabulary words that are explained in the text to help expand learning

## **Doctor Grimshawe's secret, ed. with preface and notes by J. Hawthorne 2003-06**

years ago four young people were entrusted with raising a special child and they vowed to protect him at any cost now a diabolical secret coven threatens their government and everything they hold dear as they risk their lives to prevent disaster they discover dire secrets that rock the very foundation of their lives who can they trust in a horrifying world filled with deadly secrets excerpt james lost his footing as he heard what john said to him and felt the sweat working its way down his back james felt like he was going to pass out john looked at him and took a better grip of james arm to steady him john then started to guide him out of the museum when a loud explosion was heard outside this cause james to become more alert and started to run outside following behind john and almost running into him john had stopped several steps outside james followed john gaze as he saw the taxi car engulf in flame and could see frank s form also engulf in flame in the car james was about to run toward the car when john stood in his path and gently pushed him back there is nothing you can do it s too late for the man and he s dead already james stood about 260 feet from frank and the taxi he let a few tears drip from his eyes as if he knew frank for a while john shoved james in the opposite direction from the museum many people were running out of the museum in terror the two men that had been across the street started crossing the street and continued toward john and james john noticed a slight bulk in one of the man s jacket his life experiences allowed him to quickly realize it was a gun the other man slid his hand into his pocket and pulled out a cigarette and a lighter trying to look likes part of the crowd he lit the cigarette revealing the back of his hand on the back of his hand was an embedded tattoo of a pentagram with five pointed star pointing down with the head of the egyptian magic god seth superimposed on the inverted pentagram with in a sacred circle belonging to the coven of seth when john was part of the special force team in the army he and his team once raided a satanic house with many colt descriptions the coven of seth was described as one of the most

dangerous and most active colts still together today quickly no time to explain just run john shouted at the air as he picked up speed john reached behind his wind breaker and pulled out a gun they re coming for us james was pulled by john in the opposite direction of the taxi james started to run asking you believe that they were after me yin acknowledgment john nodded his head in agreement they rounded the corners and came to an alley way where they stopped john turned his head around the corner to look the two men were about to cross the street toward them gun in hand john pushed james to move a little faster the alley way was located behind a row of older buildings as john went he tried some of the doors which were locked they covered about two blocks where they came to a construction site they climbed stairs to a vantage point that was about 20 feet above ground the two men came up to the construction site john and james were able to take cover the sirens were getting closer and someone had gotten a fire extinguisher and had been working on trying to control the fire one of the pursers said to the other look we got to get out of here before the cops show up and start asking questions we ll get them later and took off in the opposite direction of the construction site y
