Automotive Development Processes 2009-06-22

the global crisis the automotive industry has slipped into over the second half of 2008 has set a fierce spotlight not only on which cars are the right ones to bring to the market but also on how these cars are developed be it oems developing new models suppliers integrating themselves deeper into the development processes of different oems analysts estimating economical risks and opportunities of automotive investments or even governments creating and evaluating scenarios for financial aid for suffering automotive companies at the end of the day it is absolutely indispensable to comprehensively understand the processes of automotive development the core subject of this book let s face it more than a century after carl benz wilhelm maybach and gottlieb daimler developed and produced their first motor vehicles the overall concept of passenger cars has not changed much even though components have been considerably optimized since then motor cars in the 21st century are still driven by combustion engines that transmit their propulsive power to the road s face via gearboxes transmission shafts and wheels which together with spri damper units allow driving stability and ride comfort vehicles are still navigated by means of a steering wheel that turns the front wheels and the required control elements are still located on a dashboard in front of the driver who operates the car sitting in a seat

The Sidecar Guide 2019-04-11

the sidecar guide contains everything for the sidecar rider new or experienced with sections on riding skills sidecar setup issues and solutions for handling problems sidecar selection accessories care and maintenance and much more the first new sidecar book of its type to be published in many years it draws on my many years of experience operating 3wb sidecars as well as the invaluable contributions made by specialists in the fields of disabled sidecar use and taking your dog in the sidecar the go to reference for people new to sidecars and existing sidecar owners both books are written for left and right handed sidecars
