noun re ca pit u la tion ,rē kə ,pi chə 'lā shən synonyms of recapitulation 1 a concise summary 2 the hypothetical occurrence in an individual organism s development of successive stages resembling the series of ancestral types from which it has descended so that the ontogeny of the individual retraces the phylogeny of its group 3 the recapitulation theory of atonement sees the atonement of christ as reversing the course of mankind from disobedience to obedience it believes that christ s life recapitulated all the stages of human life and in doing so reversed the course of disobedience initiated by adam 1 this view originated with irenaeus 125 202 ad 1 to retell or restate briefly summarize recapitulate the main points of an argument he is best when commenting on the words of others he is worst when attempting to recapitulate the history of sports or boxing arthur krystal at the end of an hour long speech you should probably give a recapitulation if you want your audience to remember anything you ve just said a recapitulation or recap is a summary review or restatement the purpose of a recapitulation is to remind your reader or audience of your main points fml us ,ri kə'pitʃ ə ,leɪt add to word list to repeat the main points of an explanation or description t the passage recapitulates the version he offers in his prologue definition of recapitulate from the cambridge academic content dictionary cambridge university press examples of recapitulate recapitulate the recapitulation is the goal of the sonata coming after the exposition and the development anything that precedes the exposition is introduction and anything that follows the recapitulation is coda it answers the expectations set forth by the exposition and it brings the essential sonata closure the theory of recapitulation also called the biogenetic law or embryological parallelism often expressed using ernst haeckel s phrase ontogeny recapitulates phylogeny is an historical hypothesis that the development of the embryo of an animal from fertilization to gestation or hatching ontogeny goes through stages resembling or repr add to word list formal for recap music specialized in classical music an act of repeating an earlier theme tune especially at the end of a movement main part an uneventful recapitulation leads to a brief coda the recapitulation brings only a brief reference to the first theme fewer examples recapitulation noun ,ri:kə'pitʃu'leɪʃn countable uncountable formal also recap the act of repeating or giving a summary of what has already been said decided etc a brief recapitulation of the major findings want to learn more noun the act of recapitulating or the state of being recapitulated a brief review or summary as of a speech biology the theory that the stages an organism passes through during its embryonic development repeat the evolutionary stages of structural change in its ancestral lineage verb i t fml us ,ri kə'pitʃ ə ,leɪt add to word list to repeat the main points of an explanation or description t the passage recapitulates the version he offers in his prologue definition of recapitulate from the cambridge academic content dictionary cambridge university press examples of recapitulate recapitulate recapitulate ,ri:kə'pitʃjə ,leɪt verb to restate the main points of an argument speech etc summarize tr of an animal to repeat stages of its evolutionary development during the embryonic stages of its life to repeat at some point during a piece of music material used earlier in the same work discover more derived forms the recapitulation theory of the atonement is a doctrine in christian theology related to the meaning and effect of the death of jesus christ while it is sometimes absent from summaries of atonement theories 1 more comprehensive overviews of the history of the atonement doctrine typically include a section about the recapitulation in pauline theology recapitulation refers both to the headship of christ over his body the church and to the unity of all things the whole cosmos under christ the latter meaning being probably intended in reply to a gnostic myth of a primitive first man lord of creation where κεφαλή was ἀρχή power as in col 2 10 st irenaeus 1 the act of recapitulating esp summing up as at the end of a speech 2 also called palingenesis biology the apparent repetition in the embryonic development of an animal of the changes that occurred during its evolutionary history compare caenogenesis 3 music the problem arises when recapitulation becomes the sum total of all that christ did for believers and in some systems such as eastern orthodoxy recapitulation is held in opposition to the idea of substitutionary atonement this eliminates a crucial component of the biblical doctrine of the atonement and of the gospel itself the word recapitulation captures the idea that the ontogeny of the child reenacts the phylogeny of the human species in other words the development of the individual human being follows the evolutionary history of the entire human species thus children s play passes through developmental stages of the human race in an evolutionary sequence but one of the most significant aspects of irenaeus s theology articulated in against heresies is his doctrine of recapitulation the notion that jesus christ recapitulated summed up all things in his work of redemption see ephesians 1 10 recapitulate verb ,ri:kə'pitʃuleɪt formal also recap intransitive transitive verb forms to repeat or give a summary of what has already been said decided etc to recapitulate briefly the three main points are these recapitulate on something to recapitulate briefly on the three main points this theory states that ontogeny is a brief and incomplete recapitulation of phylogeny or that an animal passes through stages in its development that are comparable to those which its ancestors passed through during their evolution
