*Back to Godhead* 1999 srila bhaktivinoda thakura wrote the sri amnaya sutra in 1890 it is largely based on the upanisads and contains 130 aphorisms along with commentary as it is said essential truth spoken concisely is true eloquence this wonderful book is the perfect example of this here we find all the basic understandings of the krsna conscious philosophy and refutations of the arguments that attempt to counter such an understanding presented in a very concise progressive and masterly way

**Sri Amnaya Sutra (English)** 2019-01-01 presented as an engaging question answer discussion between a corporate leader and a leadership consultant 10 leadership sutras from bhagavad gita makes the timeless wisdom of the philosophical classic the bhagavad gita accessible to the contemporary mind condensing the relevant principles from the gita into 10 sutra like statements it brings a richer more spiritual appreciation of life work and success it provides principles and practices addressing daily concerns such as managing stress be concerned not disturbed team building words shape worlds watch your words facing reversals life determines our problems we determine their size suited not just for present and potential leaders but also for all those who wish to lead themselves more effectively 10 leadership sutras from bhagavad gita paves the way towards stronger commitment greater achievement and deeper fulfillment

10 Leadership Sutras from Bhagavad Gita 2014-12-21 an aphorism sutra expresses the genus of its meaning in a few terse words the brahma sutras systemati cally explain the basic principles of vedanta the science of supreme reality when contemplated they reveal the innermost metaphysical secrets today harmony is the need of the hour the ephemeral world needs spiritual awareness and this is what the vedantins visualise vedic scriptures offer comforting counsel they throw a kindly light man has distorted vision he dotes on apparently real and also non real phenomena true vision makes him cognize the universal being in nature s creations realization of this awareness is liberation moksha the be all and end all of life of the human being is the realization of constant integrated awareness of brahman visualized both as the primary absolute supreme unlimited entity and as its subsidiary cosmic creative aspect and mergence in brahman in this stream of aphorisms sutra vahini on brahman bhagavan sri sathya sai baba has lighted the uni versal lamp of the wisdom of atma brahman divine self this stream of aphorisms first appeared in serialized form in sanathana sarathi bhagavan in his infinite love elaborated on the essence of brahma sutras in twelve selected aphorisms bhagavan s sublime and profound words and spiritual wisdom are indeed highly elevating and illuminating bathing in this pellucid stream of aphorisms a person develops correct or true vision of real ity bestowing supreme delight in the words of bhagavan baba acquisition of the higher knowledge alone can fulfill the main purpose of human life such knowledge makes one aware that one is not

the inert insentient body etc but that one is consciousness itself manifesting as the embodiment of being awareness bliss satchidananda when this truth dawns and is experienced one becomes a person liberated while alive this is the state of realization of the innate nature of a people the divinity of humanity

**Sutra Vahini - Treatise on Bramha Sutras** 2022-11-15 this is a collection of careful objective historically sensitive studies of modern commentators on the bhagavadgita one of the basic scriptures of hinduism and one which has been widely read in the modern west experts on modern indian religious thought show how ghandi vivekananda radhakrishnan bhaktivedanta aurobindo tilak bhava sivananda the theosophists and bhankim read used and interpreted the gita collectively the essays display the different backgrounds and orientations of the major indian thinkers of our time an introduction and a conclusion provide a perspective on the thinkers and identify common themes which are part of modern emphases

**Modern Indian Interpreters of the Bhagavad Gita** 1986-01-01 learn to find the happiness that is natural to you and enjoy better relationships better health more success and a longer life the peculiar thing about us humans is we spend a lot of time working to find people and things that will make us happy in fact we seem to spend the majority of our time doing this however there is no guarantee that any of this effort will work there are lots of people who have hordes of people around them and who have lots of things but have been unable to make themselves happy the truth is happiness can be had with little effort have you ever been happy for no reason at all of course you have without anything changing in life happiness just appears we see it in young children all the time in fact we expect to see it in children if you happen to ask a smiling child why he or she is so happy at best the answer may be because for an adult this may be an unsatisfying answer but for the child it is the truth happiness exists just because as we age we seem to lose touch with happiness for no reason at all we see a world where everyone is striving for stuff striving for popularity striving striving the natural fount of happiness we once enjoyed disappears as we join them however that happiness is not gone all that happened is we lost our connection to it this book is about recovering that connection we all grow up believing that if we work hard and if we are good people we will enjoy good relationships with others good health success and a long life obviously this is not true there are a lot of rich old people who are not happy what we have what we do and the other circumstances of our lives do not provide authentic happiness instead happiness comes from inside of us and all by itself enables us to have secure relationships good health more success and longer lives so what is the secret of being happy being happy is a little like flipping a switch when it s on you are happy and when it s off you are not it s so easy how else can you explain being happy for no reason what you need to do is learn to turn it on and keep it turned on this book discusses seven practices that help you do that there is a lot of wisdom available about how to be happy most of it is thousands of years old but some is quite new the seven practices we will look at incorporate this wisdom to help you learn how to turn on happiness in your life this kind of happiness does not require changing anything in your life all you have to do is learn to turn it on

**Yoga Sutras of Patanjali** 2001 the first draft of the hare krishna explosion was written in july 1969 just after

srila prabhupada's first visit to new vrindavan at that time hayagriva realized that the details of the beginnings of the krishna consciousness movement had best be recorded when the events were still fresh working from notebooks diaries and memories he compiled the first edition in a month then the manuscript remained packed away until srila prabhupada left the mortal world in 1977

**The Kalpa Sutra, and Nava Tatva: Two Works Illustrative of the Jain Religion and Philosophy** 2015-01-28 srila prabhupada lilamrta tells the story of a remarkable individual and a remarkable achievement the individual is a c bhaktivedanta swami prabhupada philosopher scholar religious leader saint the achievement is the revolutionary transplantation of a timeless spiritual culture from ancient india to twentieth century america this first of two volumes begins with the story of the events leading up to srila prabhupada s meeting his guru an encounter that ignited in srila prabhupada a slowburning flame of desire to take krishna consciousness to the western world his early life was a period of patient and transcendent determination as he prepared for a mission that would later be crowned with astounding success in august and september of 1965 srila prabhupada traveled alone aboard a steamship from india to new york city with no more than the equivalent of eight dollars in his pocket and no institutional backing but with unshakable faith in lord krishna and the instructions of his spiritual master it is the 1960s an era in which the children of those who fought world war ii were leading a sweeping revolt against a society losing its soul to godless mass consumerism into this milieu srila prabhupada brought a vision for a new kind of society a society born of a radical transformation of human consciousness from materialism to the loftiest spiritual and ethical idealism by 1967 he had arrived in san francisco s haight ashbury district america s counter culture capital where he continued his work of calling america s youth to live up to their higher spiritual ideals and distributing the holy name of krishna indiscriminately by the end of the volume we have seen srila prabhupada in england meeting the beatles holland japan africa and finally back in india where he triumphantly returned with his dancing white elephants a group of his mostly caucasian western followers the research team assembled by the author traveled throughout the world to gather thousands of hours of interviews with hundreds of people who knew srila prabhupada diaries and memoirs from his students and more than seven thousand of srila prabhupada s letters then the author and his team distilled this voluminous firsthand source material into a rich composite view of

srila prabhupada a dazzling and colorful picture of one of the most remarkable lives of our times
