in this admirably objective and lucid exposition the author examines from a medico legal standpoint the comparative position in various countries particularly in the uk and the usa of currently controversial medical procedures voluntary sterilisation compulsory sterilisation and castration trans sexualism experimentation transplantation and euthanasia few of which if any enjoy a settled or clearly defined place in the eyes of the law he considers the problems from two perspectives first that of the individual in society and how far he himself may determine the extent of physical intrusion on his body secondly that of the state or society and how far it may impose or limit medical intrusion on the human body thus mr meyers provides a valuable account not only of current medical attitudes but also of relevant case and statute law as it stands at present it is inherent

handbook of hip and knee joint replacement through the eyes of the patient surgeon  
and medical team paperback .pdf  
~~in the nature of this book that it should arouse controversy and~~  
argument there are many important questions to be debated has the  
state the right to enforce its conception of morality without showing  
that the behaviour it proscribes has a harmful effect on other members  
of society to what extent does consent by the individual concerned  
insulate a surgeon from criminal liability in connection with  
compulsory sterilisation who is to judge those unfit to procreate what  
is a proper definition of medical experimentation what constitutes  
death if a man has a right to live has he not an equal right to die  
these are a few of the issues raised the author has not hesitated to  
express his own opinions but has clearly relegated them to the summary  
at the end of each chapter thereby leaving the objectivity of his main  
text unimpaired david w meyers is a practicing lawyer in california  
with american and british legal qualifications at the firm of  
dickenson peatman fogarty he has taught at the university of edinburgh  
law school and the university of tasmania law school as well as
