On War - 2016-06-21 unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

The First World War. Vol. 1. Vol. 1 2001 collects invaders 2019 1 6 the greatest generation of marvel heroes is back to stop one of their own captain america the human torch the winter soldier namor the sub mariner they fought together in world war ii as the invaders but now namor is the enemy a global threat more powerful than ever his deadly plans are as deep and far reaching as the ocean and revelations about his past could threaten the marvel universe it s up to namor s old allies to stop him but what chance do they have against a man who knows their every move as the torch digs deep into namor s past and bucky takes on a dangerous mission cap takes the direct route to atlantis but the clock is ticking as a new world war looms one that will reveal the sub mariner s secret history

Invaders Vol. 1 2019-07-31 on war vol 1

On War 2017-06-30 excerpt from history of the world war vol 1 the world war entering its thirty fourth month as these lines are writ ten has had three distinct phases both on the military side and on the larger and more significant human side the three military phases are supplied by the marne campaign and its immediate consequences the russian campaign with its balkan episode and its verdun ending the

allied offensive in the west which began at the somme in july 1916 and is still proceeding before arras and along the old aise battlefield in the marne campaign germany sought a complete triumph by a swift and terrible thrust at france the only one of her foes then in any sense prepared for war her thrust was parried at the marne and permanently blocked at the yser and at ypres thereafter she had to turn east and restore the failing fortunes of austria and protect her own imperilled marches in the russian campaign germany sought to dispose of russia as she had endeavoured to dispose of france in the marne campaign immediate success escaped her in this field despite terrible defeats and long retreats russian resistance was not broken although the russian revolution now the main factor on the eastern front and unmistakably a consequence of russian defeat gives to the german campaign of 1915 a value that was not perceived at the time what the permanent value will be remains problematical but as she had to turn east with her western task incomplete in 1914 germany had after a brief and glorious campaign on behalf of her turkish ally to return west in february 1916 and seek at verdun what she had not attained on the marne her failure there cost her the initiative and condemned her to the defensive the campaign which opened at the somme is still proceeding since they began their attack on july 1 1916 the allies have steadily if only slowly pushed the germans back and the recent victory of arras demonstrates that the british army has at last reached a high state of efficiency while there are signs far from conclusive to be sure of a decline in german morale at all events the germans remain on the defensive and the end of this third phase has not come about the publisher

*History of the World War, Vol. 1 (Classic Reprint)*

2018-03-22 what history records as the hundred years war was in fact a succession of destructive conflicts separated by tense intervals of truce and dishonest and impermanent peace treaties and one of the central events in the history of england and france it laid the foundations of france s national consciousness even while destroying the prosperity and political preeminence which france had once enjoyed it formed the nation s institutions creating the germ of the absolute state of the seventeenth and eighteenth centuries in england it brought intense effort and suffering a powerful tide of patriotism great fortune succeeded by bankruptcy disintegration and utter defeat the war also brought turmoil and ruin to neighboring scotland germany italy and spain

**The Hundred Years War, Volume 1** 1999-09-29 on war vol 1

On War 2017-09-17 skybound dives into the wondrous world of summoners war the popular mobile game where magical monsters are summoned in a never ending battle of good vs evil rai knows there s only one way out of her nothing town

to become a summoner but when she s recruited by abuus dein as an apprentice she embarks on the adventure of a lifetime and is thrust into a war for the fate of the world journey to alea alongside justin jordan the strange talent of luther strode reaver and newcomer luca claretti for an action packed fantasy perfect for new readers collects summoners war legacy 1 6

*Summoners War Vol. 1* 2021-10-27 war is the continuation of politics by other means is a chapter heading from carl von clausewitz s controversial classic on war which first appeared in 1832 and remains essential reading for military scientists and tacticians two centuries later this new 2017 edition of volume i from enhanced media publishing features a revised translation of the original english version with modern american english spelling and punctuation

*On War* - 2017-11-02 excerpt from a history of the great war vol 1 this work in its original form appeared in twenty four volumes between february 1915 and july mm and was therefore written and published for the most part during the progress of the campaign begun as an experiment to pass the time during a period of enforced inaction its large sales and the evidence forthcoming that it met a certain need induced me to continue it as a duty and the bulk of it was written in the scanty leisure which i could snatch from service abroad and at home any narrative produced under such conditions must bristle with imperfections it will contain many errors of fact the writer cannot stage his drama or prepare the reader for a sudden change by a gradual revelation of its causes his work must have something of the apparent inconsequence of real life he records one month a sanguine mood and a hopeful forecast

three months later he will tell of depression and of expectations belied he must set out interim judgments and presently recant them about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A History of the Great War, Vol. 1 (Classic Reprint)

2018-02-08 in this first book of a three part alternate history epic america's world war ii fleet is decimated by a multi national task force sent back in time from the year 2021 as the centuries different technologies collide they come to the chilling realisation that the time travellers by their very presence have rendered history null and void

Weapons of Choice 2017-09-17 excerpt from history of the war in afghanistan vol 1 of 3 the present edition of the history of the war in afghanistan has been thoroughly revised and several alterations have been made which i hope may be fairly regarded also as emendations some of the notes have been abridged and others when the importance of their subject matter seemed to warrant it have been incorporated with the text i have freely and gratefully availed myself of such information and such suggestions as have been furnished to me by others since

the first appearance of the work whilst my own more recent historical and biographical researches have enabled me to illustrate more fully in some places my original con ceptions and in others to modify or to correct them about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

History of the War in Afghanistan, Vol. 1 of 3 (Classic

Reprint) 2011-05-05 compulsively readable history this is the first volume in a series that details the long and violent endeavour of the english to dismember europe s strongest state a succession of wars that is one of the seminal chapters in european history beginning with the funeral of charles iv of france in 1328 it follows the hundred years war up to the surrender of calais in 1347 it traces the early humiliations and triumphs of edward iii the campaigns of sluys crecy and calais which first made his name as a war leader and the reputation of his subjects as the most brutally effective warriors of their time trial by battle is an account of the events of a pivotal period in both french and british history from wolfson history prize winning author and historian jonathan sumption a new and immensely impressive history of the war daily telegraph

*Hundred Years War Vol 1* 2017-11-23 excerpt from the war in the air vol 1 being the story of the part played in the great war by the royal air force the history of which this is the first volume is in the main the history of the part played in the war by british air forces it is based chiefly on the records of the air ministry collected and preserved at the historical section the staff of the section have spared no trouble to collect an immense amount of material and arrange it for use to consult living witnesses to verify facts down to the minutest details and to correct any errors that may have crept into the narrative their main purpose has been to secure that any statement of fact made in this book shall be true and demonstrable if in any particular instances they have failed in this purpose it has not been for lack of pains and care about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at [forgottenbooks.com](http://forgottenbooks.com) this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*The War in the Air, Vol. 1* 2017-04-13 new york times current history the european war vol 1 no 1 by various New York Times Current History 2015 an outstanding new military history of the first half of world war ii featuring a rich array of images exclusive graphics superb new maps

and expert analysis commissioned by the united states military academy to teach the art of war to west point cadets since 1836 united states military academy texts have been the gold standard for teaching military history and the operational art of war now the usma has developed a new military history series for the public featuring the story of world war ii in two volumes of which this is the first the west point history of world war ii combines the expertise of preeminent historians with hundreds of maps and images many created for this volume or selected from army collections the first volume offers a balanced narrative analyzing the rising tide of axis conquest from 1939 to mid 1942 ranging from battlefield decisions to operational and strategic plans all set in their proper political context the closing chapter provides a thematic treatment of the mobilization of the warring nations economies and home fronts for the conduct of total war the west point history of world war ii has been tested checked and polished by west point cadets faculty and graduates to make this the best military history of its kind

*Memoirs of the War, Vol. 1 of 1 (Classic Reprint)* 2018-02-27

excerpt from history of the american war vol 1 first year of the war 1861 62 whatever opinion may be formed of this book the author can honestly say that he has endeavoured to write the truth unbiassed by any leaning to either side if

his greater experience of the federal armies and his personal friendship for many of the officers might lead him to an undue sympathy for their cause it would be counteracted by the admiration he feels for the indomitable spirit shown by the confederates evinced both by their gallantry in the field and by the patience with which they have suffered the hardships and miseries of a war waged on their own soil and attended with peculiar trials writing as he does on events which have occurred so recently this narrative will be open to the criticism of many of the actors in those events who are in possession of far more precise information than any that the author could obtain should any inaccuracies or misstatements be noticed the author assures them that they are not the result of any party bias about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at [forgottenbooks.com](http://forgottenbooks.com) this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**World's War Events, Vol. 1** 2017-10-11 excerpt from the war in syria vol 1 of 2 in giving an account of the war in syria i have endeavoured to state the facts as they occurred of most of which i was an eyewitness the levant papers have furnished me with much useful information and i have

endeavoured to make no statements that cannot be borne out either by them or by documents in my own possession in writing a work of this kind i have been obliged to publish letters and extracts of letters from these papers in order to save the reader the trouble of examining them and indeed it is not in the power of the public to get hold of parliamentary papers without a serious expense this i trust will be a sufficient excuse for the numerous documents that i have thought it necessary to give about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*History of the American War, Vol. 1* 2015-07-04 originally published in 1975 this volume filled a gap in existing scholarship by providing a comprehensive group of essays on the historical study of war and armed forces and their relationship with society these volumes include articles ranging from the renaissance to the era of total war

**The War in Syria, Vol. 1 of 2 (Classic Reprint)**

2015-10-05 excerpt from the origins of the world war vol 1 before sarajevo underlying causes of the war when the world war suddenly set europe afire and american public opinion soon under the influence of propa ganda and war

prejudice began to denounce germany and the kaiser as being guilty of causing it the present writer refused to join in the chorus his historical sense told him that in this present case as in the past no one country or no one man was solely or probably even mainly to blame a little study of the documents in the blue yellow and orange books which were early issued by the english french and russian governments quickly convinced him that these documentary publications were by no means so complete and reliable though more so than the white and red books issued by germany and austria that one could safely base sound and final conclusions upon them as seemed to be believed by the millions of men and women who read such facile and superficial arguments as those of mr james m beck and others who followed his cue therefore the present writer during the war remained silent except for his discussions of the subject in college class rooms about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*War and Society Volume 1* 2017-11-19 excerpt from war and peace vol 1 m d akhrosimov and denisov are the only persons to whom i involuntarily and without thinking gave

names that closely approach two extremely characteristic and charming actual persons of the society of that time that was my mistake which arose from the peculiar intrinsic character of these two persons but my mistake in this respect is limited to the mere introduction of these two persons all the other persons are purely invented and have not even for me any definite prototypes in tradition or reality about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Origins of the World War, Vol. 1** 2017-11-21 excerpt from the war illustrated album de luxe vol 1 the story of the great european war told by camera pen and pencil the first phase it is not too much to say that among the contemporary records of the great war no publication has achieved the unique distinction of the war illustrated devoted almost exclusively to recording by means of the camera every aspect of the historic happenings in the course of the world wide hostilities it has presented to the reading public a collection of contemporary photographic evidence such as a few years ago could hardly have been conceived its pages have teemed with pictorial records the interest of which will

long endure and no one in the years to come who seeks to refresh his memory or it may be to acquaint himself for the first time with the outward form and evidence of these world shaking events will be able to turn to a more valuable store house of documentary evidence than is found within the pages of the war illustrated about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

war vol 1 of 3 or the highlanders in spain notwithstanding

the numerous volumes which have been given to the public

relative to the glorious operations of the british army for

rescuing portugal and spain from the grasp of the invader

the author of this work flatters himself that it will not be found deficient in novelty or interest he acknowledges that according to precedent scenes and incidents have been introduced into it which are purely imaginary and whether he ought to apologize for these or to make a merit of them he must leave his readers to decide according to their individual tastes and predilections about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Russo-Japanese War, Vol. 1 2018-06-15 this unique new work of reference traces the origins of the modern laws of warfare from the earliest times to the present day relying on written records from as far back as 2400 bce and using sources ranging from the bible to security council resolutions the author pieces together the history of a subject which is almost as old as civilisation itself the author shows that as long as humanity has been waging wars it has also been trying to find ways of legitimising different forms of combatants and regulating the treatment of captives this first book on warfare deals with the broad question of whether the patterns of dealing with combatants and captives have changed over the last 5 000 years and if so

how in terms of context the first part of the book is about combatants and those who can lawfully take part in combat in many regards this part of the first volume is a series of less than ideal pathways this is because in an ideal world there would be no combatants because there would be no fighting yet as a species we do not live in such a place or even anywhere near it either historically or in contemporary times this being so a second best alternative has been to attempt to control the size of military forces and therefore the bloodshed this is also not the case by which humanity has worked over the previous centuries rather the clear assumption for thousands of years has been that authorities are allowed to build the size of their armed forces as large as they wish the restraints that have been applied are in terms of the quality and methods by which combatants are taken the considerations pertain to questions of biology such as age and sex geographical considerations such as nationality and the multiple nuances of informal or formal combatants these questions have also overlapped with ones of compulsion and whether citizens within a country can be compelled to fight without their consent accordingly for the previous 3 000 years the question has not been whether there should be a limit on the number of soldiers but rather who is or is not a lawful combatant it has rarely been a question of numbers it has been and remains one of type the second part of this book is about people typically combatants captured in battle it is about what happens to their status as prisoners about the possibilities of torture assistance if they are wounded and what happens to their remains should they be killed and their bodies fall into enemy hands the theme that ties all of these considerations

together is that all of the acts befall those who are to one degree or another captives of their enemies as such they are no longer masters of their own fate as a work of reference this first volume as part of a set of three is unrivalled and will be of immense benefit to scholars and practitioners researching and advising on the laws of warfare it also tells a story which throws fascinating new light on the history of international law and on the history of warfare itself

Into the Abyss 2017-09-12 excerpt from history of the peninsular war vol 1 of 3 a list of the printed documents which have been consulted in this work will be appended to the last volume for the private sources of information which have been open to him the author must content himself here with making a general acknowledgement they are such as might entitle him to assert that since the publication of *strada s* decades no history com posed by one who was not an actor in it has appeared with higher claims to authority about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at [forgottenbooks.com](http://forgottenbooks.com) this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
