## ***Coaching In A Week 2012-03-30***

coaching just got easier in recent years the idea of coaching and the role of coach have made the journey from the sports field via human resources to become part of everyday managerial life the terms coach and coaching have become common even trendy but both are widely misunderstood if you ask anyone to define the word coach you will get a wide variety of responses by using coaching we can tap into the huge reserves of talent and potential that lie dormant in most people as managers we can develop people without having to rely on passing on our own skills and knowledge which may already be out of date using our skills in coaching we can help our people access their ability without needing more than a basic grasp of the technicalities of their role this book aims to give you enough knowledge and appreciation of coaching that you can begin to develop your own approach each of the seven chapters in coaching in a week covers a different aspect of coaching sunday what is coaching monday the manager as coach tuesday the key principles of coaching wednesday the coaching arrow part 1 thursday the coaching arrow part 2 friday coaching in context saturday coaching in organizations

## ***The Transformational Coach 2022-09-08***

do you ever doubt your coaching style is achieving the best results for your clients have you ever felt there's room for growth but you're not sure how to achieve it to create a more sustainable transformation in the people you coach you need to start with your own mindset as a coach you know you can't change what you do unless you alter what you believe first by shedding the ineffective scripts trappings and beliefs that a lifetime of personal interactions professional training and even your parents have taught you you can reset your thinking to a beginner's mentality and so begin a fulfilling and exciting journey to coaching mastery in this fresh and highly effective field guide master mentor coach clare norman gets into your head to help you pinpoint the attitudes that you need to unlearn and reframe through clare's rich experience illuminating real life stories and practical guidance you can shift towards more useful thinking and powerful skillsets by spotting and changing your own restrictive coaching mindsets understanding how marginal gains can lead to maximal outcomes embracing replacement paradigms and new thought patterns rediscovering what you love about coaching and its power to resource people it's time to ditch the old beliefs that are holding you back free your thinking and make the move from getting transactional results to being a transformational coach

## ***The Coaching Companion 2021-04-03***

the coaching companion is a short book written to new coaching clients it is our hope to put this resource into the hands of every person who receives professional coaching whether in the domain of leadership career health or life use of this resource will elevate the quality of coaching for even the most masterful of coaches why the impact of coaching is a result of not only the coach s skill but also the clients ability to fully leverage the coaching they receive coaches skills are based on hundreds if not thousands of hours of training and experience clients on the other hand have few if any resources or experiences on which to build their capacity to be coached given that the coach s success is by definition the client s success we believe that building client s capacity to be coached is a critically important clients consider this you are investing your time and resources in coaching you have made every effort to select the best coach and you re hoping that this coach can help you succeed in at least one big way the coaching companion is filled with guidance on how to maximize your coaching experience it will help you prepare for coaching conversations communicate your goals and experiences clearly translate insight into action and ultimately maximize your return on investment coaches consider this our clients are more than half the equation how they show up and what they do throughout the coaching process determines their success any by extension ours rarely do we as coaches have the time we might like to prepare our clients to get the most from their coaching experience and rarely are we sitting with our clients when they come across the situations they can learn from the coaching companion helps our clients understand the importance of their role in the growth process so that they may approach their personal and professional development more thoughtfully and intentionally it will allow you their coach to get more quickly into meaningful conversation integrating the coaching companion into your practice is simple gift this book to your clients at the beginning of each engagement consider which chapters you d like them to read prior to your kickoff session and where other chapters may support your style and approach to coaching along the way
